## INTRODUCTION & CONTENTS

### INTRODUCTION

Entering its fourth season, the SANFL Statewide Super Women's League has already established itself as a critical component of the South Australian football community.

Now with all eight SANFL clubs having an established presence along with incredible growth in female participation numbers, the future of the competition looks strong.

The aim of this guide is to retain all the key records from the league's very first game and to have these statistics easily available to media and fans alike for many years to come.

All records listed are as at Jan 1st 2020.
