

COVIDSAFE CLEANING CHECKLIST

USE OF SHOWERS

Showers are permitted under the following conditions:

- One person in a shower cubicle at each time or
- Use of every second shower in an open shower room
- Capacity limits as per density requirements must be observed
- No sharing of hard soaps (pump bottles permitted)
- No sharing of towels
- Spot cleaning following each user, and deep cleaning following each training/match day
 - Showers users are responsible for cleaning the shower following use as per checklist below
 - Venues must ensure cleaning supplies available in all shower cubicles, and for each shower station being utilised as follows:
 - Disposable cloths or paper towels, which must be changed between each user
 - Alcohol based cleaning spray or solution
 - Rubbish bins
