OFFICIALS HQ REGISTRATION

Officials HQ is the AFL national umpire management system and one of our primary ways we communicate with all Umpires in SANFL Juniors.

You are required to register as an umpire on Officials HQ (OHQ) and the process takes 5 to 10 minutes. Start the registration process here: <https://registration.officialshq.com/>

Follow through all the queries in the initial set up, ensuring you utilise a regularly used email address as the log in username.

Items to complete include

- Address and Contact details, and Role Preference (Field, Boundary, Goal Umpire), and which League
 - for SANFL Juniors, ensure you select SANFL Juniors Umpires
 - You can select other Leagues as well in this section if intending to run in more than one
 - You can also select more than one discipline
 - Example - Field Umpire, SANFL Juniors (click add), then Goal Umpire, SANFL Juniors (and click add again).
 - Note - your first selection is deemed your main preference, with all others secondary

Once completed, a summary page will show all details, and upon confirming, you will receive an email to create a password. Ensure this is completed. You are then required to log back into Officials HQ at app.officialshq.com to complete Profile Details including:

- Club Association, Umpire Information, Working with Children Accreditation, Demographics, Emergency Contacts, Banking Details, and any Medical Information

Once Terms and Conditions are checked, click complete, and your Dashboard will load and you are all good to go! If you need to alter anything, your “My Profile” page is available on the top right by clicking on your name, and selecting “My Profile”.

A full Officials HQ document which includes Registration is available at the SANFL Juniors Umpiring Hub

WORKING WITH CHILDREN CHECK

All umpires 14 years of age and up (or 13 turning 14 of that season) must complete a Working with Children Check via the Department of Human Services (online).

If you already have a Working with Children Check, please send in the full clearance email from DHS to us at sanfljuniorsumpiring@sanfl.com.au

If you have yet to do this, or did not bring one to the Foundation Umpires Course, please follow instructions provided to complete.

<https://www.dcsiscreening.sa.gov.au/SCRequestApplicationIndividual>

Please ensure you select “Volunteer” as the Applicant Type. This is \$0 cost. SANFL are unable to refund if the incorrect applicant type is selected.

If you did provide one to the staff at the Foundation Umpires Course, SANFL Juniors Umpiring staff will send your application to DHS on your behalf.

For those who have yet to start one, there are 2 variations dependant on your age:

- Umpires who are either 13, turning 14, or 14 to 17 years of age must complete partial online application, then print and complete an identification section, which you need to take to an authorised Verifying Officer to show your proof of identity to a total number of identification points. Once completed this is signed, scanned back to email, and sent to DHS at dhsscreeningunit@sa.gov.au. SANFL Juniors Umpiring would also like to be let known when you have applied.
- Umpires who are 18 years of age and over are able to complete the full process online.

Once completed and sent in, DHS will send a clearance to your email address supplied. This will include an issued date and SRN number. This clearance must also be sent to sanfljuniorsumpiring@sanfl.com.au as the SANFL are required to also keep a copy on file and register on their business portal with DHS. Your Officials HQ profile must also be updated (Accreditations section).

For any queries relating directly to DHS and the clearance, please contact them at dhsscreeningunit@sa.gov.au or by phone on 1300 321 592.

For anything SANFL, please email sanfljuniorsumpiring@sanfl.com.au

Alternatively please call any of our SANFL Juniors Umpiring staff listed on the contacts page.

*A full document on how to Apply for a WWCC for those applying for the first time is available on the SANFL Juniors Umpiring Hub.

AFL LEARNING MANAGEMENT SYSTEM

The AFL Learning Management System is the next step in your introduction to Umpiring in the SANFL. Completion of the Education Packages is mandatory and is beneficial to your umpiring moving forward. There are 2 sections dependant on your age:

Umpires under 18 Years of Age (Junior Umpire Education Package)

Umpires 18 years of age and over (Umpire Education Package)

The course is also a pre-requisite if you wish to complete your Development Level Umpire Accreditation in future seasons.

You need to link your Officials HQ profile to the Learning Management System. When logged in to Officials HQ (registration must be completed first as above), go to your profile page and select “External Links” on the left. Click on Generate Link, which then brings up text to the right – “Go to LMS login page”. This will then open the Learning Management System page.

Alternatively, the Umpire Introductory Course can also be accessed at <https://afl.androgogic.com.au/>

If you don't have an existing account, you will need to create a new account using your email address (in lowercase) as your username.
