EQUALISATION POLICY

Procedure

In the event of a match ending injury, the following procedure should be followed:

- The Team Manager of the team with injured players notified the opposition Team Manager;
- The Team Manager of the team without injured players advises the Coach that players must be taken from the field as soon as possible. Note – the players taken from the field become part of the interchange and can be interchanged back on to the field at any stage.
- Before the next quarter break, the Team Manager of the team with injured players advises the Ground Marshall of the new on field playing numbers.
- At the next quarter break, the Ground Marshall notifies the Umpire(s) of the new on field playing numbers.

Disputes

In the event of a team not taking players from the field, the following procedure should be followed:

- The Team Manager of the team with injured players notifies the Ground Marshall;
- The Ground Marshall notifies the umpires as soon as practicable;
- The Umpire instructs the Coach to take players from the field.

Penalties

If the team without injured players fails to comply:

- The Umpire will report the breach and the Coach will face disciplinary action for breach of Code of Conduct;
- SANFL Juniors will carry out an investigation which could result in possible loss of premiership points.

WEATHER POLICY

This policy is intended for use only by clubs responsible for the conduct of football programs.

As a responsible organisation, the SANFL recognizes that on occasion it will be necessary to modify training and/or playing conditions to minimise the risk of heat related stress or illness.

The following recommendations have been adapted from Sports Medicine Australia Guidelines. They are not binding, but the SANFL reminds all parties that they must act responsibly. A common sense approach is encouraged, in conjunction with utilising the most accurate and up to date information available when making decisions to protect the well-being of participants and officials.

Community Club – Junior and Youth Training (5 – 18 years)

Clubs and/or participating parties shall check the forecast temperature on the day prior to training session. Information should be obtained from the Australian Bureau of Meteorology. In the instance of conflicting information, information obtained directly from www.bom.gov.au will be considered the most accurate.

Based on the forecast temperatures, the following action is recommended.

Ambient Temperature	Risk of Heat Illness	Recommended Action
26 degrees – 30 degrees Celsius	Moderate	Modify early pre-season training. Reduce intensity and duration of session. Increase frequency and length of breaks. Ensure adequate water supplies are available.
31 degrees – 35 degrees Celsius	High – Very High	Limit intensity. Maximum duration of 60 minutes. Increase frequency and length of breaks. Ensure adequate water supplies are available.
36 degrees Celsius and above	Extreme	Postpone until conditions cool. Cancel if necessary.

On the day, the coach or organiser may obtain more recent information from www.bom.gov.au and modify the session accordingly.

Example:

A Coach checks the forecast 24hrs prior to a 4:30pm training session and sees a predicted temperature of 38 degrees Celsius, with a cool change expected in the afternoon/evening.

On the day of training, the Coach checks www.bom.gov.au at 3:30pm and temperature has dropped to 32 degrees Celsius. The training session may take place, modified in accordance with the table above.

If no information is available to indicate that the temperature has decreased from the forecasted 38 degrees Celsius, the training session should be postponed until further information is obtained or cancelled.

WEATHER POLICY

Additional Notes

- Young children are especially at risk in the heat
- Although children can acclimatize to exercise in the heat, they take longer to do so than adults.
- Coaches should be aware of this and limit training for non-acclimatised children during exposure to hot environments.

- Children will tend to have a more 'common sense' approach to heat illness than adults. They 'listen to their bodies' more and will usually slow down or stop playing if they feel distressed or unwell.
- On no account should children be forced to continue if they appear distressed or unwell.

Community Club – Junior and Youth Matches (5 – 18 years)

Matches, including pre-season trial matches, shall be cancelled if the temperature on the Bureau of Meteorology website www.bom.gov.au is 34 degrees Celsius or greater one hour before training is proposed to occur or the match is proposed to be played.

Coaches and Team Managers shall provide additional drinks breaks during trial matches and minor round matches and actively encourage junior players to remain hydrated when the temperature is forecast above 25 degrees Celsius.

If in the opinion of the field umpire(s) that the temperature and humidity conditions have become unsafe for the players, they shall advise both Team Managers that they consider the conditions unsuitable for play and shall terminate the match.

Inclement weather requirements include:

The field umpire(s) shall stop the match and order the players from the field if inclement weather conditions, which they consider poses a safety risk to players and officials, develop during the match. Inclement weather is defined in the SANFL Juniors Rules & Regulations as *unstable weather characterised by lightning in the vicinity of the playing surface, hail storm(s), extreme winds and the like.*

The match shall restart when the field umpire(s) deem conditions to be safe to do so. The match shall be shortened to comply with the SANFL Juniors Rules & Regulations section 8.15 Game Times (refer to Abandonment of Matches 8.13).

UMPIRE COMMUNICATIONS FRAMEWORK

Only the Team Manager from the participating SANFL Juniors teams can talk to an Umpire at a quarter break. An Umpire can be approached for the following reasons:

SECTION 1 – Who can talk to an Umpire and why?

- **Clarification of Match Conditions** – Enquiry when there is a consistent change/failure to follow the prescribe Match Conditions. **NOT** to query an umpiring decision or interpretation.

- **Clarification of Send Off/Reported Player** – Seeking clarification of the details surrounding a send-off or reported player (i.e., what the sanction was for) and when the player can return to the field. **NOT** to argue or debate the decision of the umpire.

SECTION 2 – The process of communicating with an umpire

Step #1: Team Manager is to approach to opposing Team Manager and advise them of intended communication with umpire.

Both Team Manager's are **not** permitted to approach the Umpire together.

Step #2: Team Manager is to approach the Umpire and introduce themselves using one of the statements from Section 3.

Step #3: Team Manager is to address their concern/query using the below statements in Section 3 (please have Match Conditions on hand with if applicable).

Step #4: Once addressed their concern/query, the Team Manager is to direct any further communications to their club delegate to refer to the SANFL Juniors Umpiring department.

Please Note:- If there is a SANFL Juniors Umpiring Coach present and speaking with the officiating umpires, then Team Managers are not permitted to approach umpires to allow for the umpires to receive necessary coaching.

SECTION 3- Applicable Statements to communicate to an umpire which are to be strictly adhered to.
