UMPIRING

In accordance with SACE Community Learning, SANFL has recognised Community Development programs which allow students the opportunity to achieve 10 SACE Credits at Stage 1.

Recognised programs include:

- Development Field Umpire
- Development Boundary Umpire
- Development Goal Umpire

To complete the recognised programs, students need to meet the following criteria:

- Complete the Online AFL Introductory Accreditation course and provide a certificate of completion.

- Demonstrate a commitment to umpiring by completing match-day appointments throughout the year in your chosen discipline.
- Throughout the season, attend physical training programs or seek further education opportunities through the completion of additional online AFL training courses or by receiving regular feedback from an umpiring mentor, to improve umpiring skills.
- Be observed in one match day environment and marked as competent by an approved Umpiring Coach, mentor or Coordinator in line with the Learning requirements checklist for your chosen discipline.
- Complete a Critical Thinking Reflection using the following template

Please email sanfljuniorsumpiring@sanfl.com.au with your evidence of fulfilling the above criteria. Upon submission of your evidence, you will be provided with a certificate of completion by SANFL.

Once you receive your certificate, complete a Recognition application form with your school to be submitted to the SACE board to obtain your SACE credits.

If you have any questions or need assistance arranging an assessor for your match day observation, please email sanfljuniorsumpiring@sanfl.com.au or call 8440 6934
