## Reflection and Critical Thinking Template

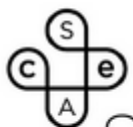

What have you learned about yourself through your umpiring?

Which skills have you developed because of your involvement in umpiring?

What sorts of things would show that you have succeeded in what you set out to achieve?

What were some of the more difficult things that you had to do?

How did you react to any advice or criticism provided by others?

# SACE Community Learning

Have the things you have learned been useful elsewhere in your life?

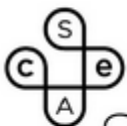

Can you give us some examples of things that went well and things that did not go well?

What advice would you give to someone your age who is considering taking up umpiring?

Do your efforts make a difference in the community?

What sorts of health and safety issues were important?
