WELCOME

Entering its eight season, the SANFL Women's competition is now established as an essential element of the South Australian footy community.

Over 700 players have already participated in a SANFLW League game.

This guide is aimed to provide all those involved in 2024 with relevant statistics for the games ahead.

It also includes a review of the 2023 SANFLW season where Central District claimed their first Women's premiership.

Combined with the other yearly SANFLW summaries, it further seeks to record for future access, the history of this competition.

I would especially like to personally recognize the pain staking efforts of **David O'Hara** who has provided many of the key records and stats contained in this guide.

David's work has ensured that we have individual player stats and records covering every single one of the 285 SANFLW games played, thus far, even those through the interrupted 2020 Covid season.

My thanks also to SANFL (especially Paula Brinkworth & Zac Milbank) for their support in making this guide possible plus all the club officials who have provided critical information about their 2024 playing squads.

All records listed are as at January 1st 2024.

Should you have any feedback or questions please do not hesitate to contact me via email at footetimes@gmail.com.

Whatever your role with the HostPlus SANFLW League, be it player, official, family or fan, good luck with your season ahead

Regards

Phil Herden

The SANFLW development league commenced in 2022, with teams from the eight SANFL Clubs, in a seven-round competition aligned to the start of SANFLW season.

SANFL General Manager Football Matt Duldig said the Development League would fill a void for developing elite female players who were not selected in a SANFLW team, providing an opportunity to gain valuable match play during the SANFLW season.

“The female development league will provide an essential feeder competition into SANFLW, enhancing the skill level and depth of our elite female competition,” Mr Duldig said.

“Importantly, it will also benefit those players not selected in a SANFLW team to continue to develop their game in an elite training and playing environment with their SANFL Club.”

- : One went back to back (South in 2019)
 - : Two returned to the Grand Final but lost (Norwood in 2018, South in 2020)
 - : One finished third (Glenelg in 2022)

SOUTH

After winning the premiership in their first two seasons, the Panthers have finished 2nd, 4th, 4th and 2nd.

Panthers are the only club to have played finals every year they have been in the competition.

South have the best home field advantage in SANFLW with a 27-6-1 all time record.

NORWOOD

Last years First Semi Fina win over Sturt broke a six game finals losing streak stretching back to 2018.

Last year Norwood became the first SANFLW club to start a season 0-3 and recover to play finals. The Redlegs five losses during the minor round were by a total of 16 points. (2,5,2,2 & 5)

STURT

Due to the laying of a new surface at Unley their first home game at Thomas Farms Oval will not be until May 11 (Round 9). From that they will play their last four games at home.

Prior to that Sturt will play two home games at Summit Sports Park in Mt Barker.

NORTH

Came the closest so far to a Men's & Women's Premiership double in 2022 after the Women won their third flag and the Men narrowly lost their Grand Final to Norwood by one point.

North have only missed the finals twice, both the season after winning a premiership. (2021 & 2023).

EAGLES

Only club yet to both qualify for finals and play in a SANFLW Grand Final.

Until this season the Eagles were the only SANFLW club not to play at Thebarton Oval. They play there for the first time on March 17 (Round 3) v Norwood.

WEST

Zoe Venning was the leading possession getter in the competition last year with 276 which is an average of 23 a game.
