## RESERVES COACH | 2025

The Houghton Districts Football Club is seeking applications for the position of **Men's Reserves Coach** for the 2025 season.

The Men's Reserves Coach will form a critical part of the senior coaching group and lead a young and exciting team in the Adelaide Footy League's Division 6 Reserves competition.

The successful applicant will possess the following skills and abilities:

- The ability to work under the direction of the Men's A Grade coach to implement a Club wide game plan and football program.
- Proven experience of game day coaching and the ability to balance performance with player development.
- Strong player development focus and the ability to contribute to the design and delivery of tailored development plans for our next A Grade footballers.
- Relevant past football experience and coaching accreditations.
- An ability to attend and be a key part of pre-season and in-season training sessions, coaches' meetings and club functions.
- An outstanding communicator at an individual and group level.
- A desire to help foster the continued development of the football program and a culture that builds better people for football and life.

If you fit the description above, we encourage you to apply or reach out for a confidential conversation.
