

# Mount Barker Football Club

## Senior Women's Coach - Season 2025

---

The Mount Barker Football Club competes within the Hills Football League and is one of the largest clubs in the competition, fielding teams across all grades within the Division 1 Men's and Women's competitions.

The Barkeroos are a founding club within the HFL Senior Women's competition and are seeking an experienced Senior Women's Coach who will build, develop and lead our women's football program including successful transition of junior players to senior football.

The successful applicant will oversee all aspects of coaching including player development and team strategy, have high standards and leadership skills, focussing on developing the current playing group and future recruits. They will be responsible for planning and implementing a women's football program that supports the future of our football club. They should build strong relationships with players, support staff, and work closely with the Football Director to establish the best practice of club values and policies.

We are seeking a coach who:

- Communicates clearly and consistently a strong message of accountability and opportunity.
- Is strong in fundamental skill development.
- Is adaptable and can work with players with a range of different skills and abilities.
- Has a passion for team and player development.
- Will implement behavioural strategies to enhance the club's values & culture.
- Will foster leadership growth and culture building within the women's program.
- Works well with, and willing to support other coaches at our football club.
- Is committed to creating a positive club environment and a connection between all teams at the football club.
- Ideally holds a Level 2 AFL Coaching Accreditation (minimum Level 1 required)
- Has experience at SANFLW level (but not essential)

*\* Remuneration available to suitably qualified candidate*
