

Uraidla Districts Football Club

Expressions of Interest Senior Women's Coach 2025

The Uraidla Districts Football Club (UDFC) is seeking expressions of interest for the role of **Senior Women's Coach for season 2025**.

UDFC has fielded a senior women's side in the HFLW since the beginning of the competition in 2019. Over the past 6 seasons, our achievements include 5 finals appearances, 4 grand finals and 2 premierships, as well as several players going on to play in the SANFLW.

In addition to our senior women's team, UDFC has been strongly represented in the junior girls competition for the past 3 seasons, playing in 2 grand finals (including this year), highlighting the depth of our juniors coming through.

We are seeking applicants with previous coaching experience who will continue to build on the strength of our women's program.

Essential criteria for applicants include:

- A passion for women's football and the ongoing development of players
- The ability to work as part of a team and alongside junior coaches to ensure a strong pathway for girls coming through
- Effective and personalised communication skills
- Strong organisational and leadership skills
- A club-first approach and attitude
- Willingness to maintain and further develop the strong culture of growth, development and community within the program, in alignment with the club's vision.

UDFC is a family-friendly club with a wonderful community feel. You will have the support of our committee, other coaches and our Women's Football Director. There are resources available to further develop and assist with your execution of the program. This is a paid position.

If you think you would be a great fit for this role, please send your application to Women's Football Director, Ursula Thornquest at: womens@udfc.com.au by **Friday 8th November**.
