- (a) This policy relates to the eligibility and selection of 19-Year-Old Players in the SANFL U18 Competition. A 19-Year-Old Player is one who is turning nineteen (19) years of age during the calendar year.
- (b) The rationale for a 19-Year-Old Player(s) in the U18 Competition (introduced in 2008) was, and still is, “to provide an additional development opportunity for later developing players or players not previously exposed in their 18th year”.
- (c) The SA Football commission approved, at its October 2017 meeting, the following amendment to the 19-Year-Old Regulation:

*5.1.3. Under 18 - each Player participating in an Under 18 team must, except as set out below, be under the age of 18 years on 31 December in the calendar year before the year in which the competition is conducted, **an Under 18 team of a League Club may include up to three Players who are under the age of 19 years on 31 December in the calendar year before the year in which the competition is conducted.***

- (d) In addition, each Club will be required to request an **exception** for any 19-Year-Old Player they wish to be available for selection in the Under 18 team.

2. Criteria

- (a) As stated above, each Club will be required to request an exemption in the form of a “SANFL 19-Year-Old Permit Application” for any player they wish to be available for selection in the U18 Competition.
- (b) The criteria relevant to a determination of an application is set out as follows:
 - (i) The player must have resided in South Australia during the ages 13 – 18. Any **interstate registered or “out of zone” player** will need extenuating circumstances to be considered.
 - (ii) If the Player is returning from a long-term injury (e.g., Knee/shoulder Reconstruction) and has missed significant parts of their 17th/18th year.
 - (iii) If the Player has specific developmental needs which justify an exemption (e.g., Tall Player)
 - (iv) If the Player (that is to be granted an exemption) will be given opportunities for exposure to Senior SANFL Competitions in the relevant year, notwithstanding

that a progression to this standard should be part of the strategy and management of these players.

- (v) If the player is involved in an AFL NGA program, who are from an underrepresented or diverse cultural background and approved by the AFL.
 - (vi) If the player is involved in an AFL Club Father/Son program and approved by the AFL.
 - (vii) If the player is regionally zoned and has been hindered by lack of development due to travel or educational commitments.
- (c) Each application will be determined at the absolute discretion of the SANFL Talent Department. Any approval is subject to review by the SANFL Talent Department.

3. **Process**

- (a) The Player, via the Club, must make an exemption application to the SANFL Talent Department in the form of a "SANFL 19-Year-Old Permit Application":
- (i) The application must address the relevant criteria.
 - (ii) The application must be lodged with the SANFL Talent Department and addressed to Brenton Phillips at brenton.phillips@sanfl.com.au.
 - (iii) The application for overage exemptions will open 1st November the previous year and close 1st March of the relevant year.
 - (iv) The SANFL Talent Department will notify Clubs within 7 days of receiving the overage application of the outcome of any such application.
 - (v) Any application after the close date (1st March) will require prior approval by the SANFL Talent Department before lodgement and the Club must provide adequate reasons for the late application.
- (b) Approved applications will be reviewed by the SANFL Talent Department at the conclusion of Rounds 3, 6 & 9 of the U18 Competition in the relevant year:
- (i) Following the reviews, an exemption may be withdrawn and will be determined at the absolute discretion of the SANFL Talent Department.

4. **Protocols**

- (a) Set out below are other relevant protocols that Clubs must adhere to:
- (i) Each application will need to address the criteria and provide a justifiable case.
 - (ii) Clubs must conduct a meeting with the 19-Year-Old Player(s) to educate and communicate the management of any exemption prior to making any such application.
 - (iii) Clubs must ensure that they complete the official "SANFL 19-Year-Old Permit Application" form and be signed by all relevant parties.
 - (iv) Clubs must not make any commitment to a 19-Year-Old Player until an exemption is granted by the SANFL Talent Department.

5. **Finals Qualification**

- (a) To qualify for the U18 Major Round, a 19-Year-Old Player:
- (i) Must play more matches in the U18 Competition than in the Reserves/League Competition in the relevant season.
 - (ii) If the player has played 5 or more matches in the Reserves/League Competition in the relevant season:
 - A. Must have played three of the last five U18 Minor Round Matches
 - B. The finals qualification will apply regardless of whether there is a team in the adjacent grade (Reserves) playing in the SANFL Major Round – a 19-Year-Old Player must meet the eligibility criteria to be able to play in the U18 Major Round.
