# PRESIDENT'S REPORT

Paul Di Iulio

Richard Douglas swarmed by his teammates after kicking a goal against South Adelaide at Noarlunga. Photo - SANFL

As season 2021 approached there was enormous excitement with the recruits that had been brought into the club and the opening of our new home, the Wolf Blass Community Centre. Although we continued to be affected throughout the year by the impacts of the global pandemic there were significant strides made on and off the field to ensure the long-term success of our great club.

## FORTIS IN PROCELLA

As reported last year, there was no doubt that the success of the Fortis in Procella campaign significantly assisted the club through the darkest times of COVID-19. The support, passion and care from so many members and supporters was truly amazing and something the Norwood Football Club was very proud of and always indebted too. Although later than initially expected we had the opportunity of recognising all the wonderful contributors with the Fortis in Procella Army March which turned into the longest guard of honour ever witnessed by a football team running out to play. The scenes that day at Norwood Oval were reminiscent of the glory days

of the 1970's and 1980's when we had crowds of more than 15,000 at The Parade. The march clearly showed what the club means to so many people and talking to the coaching staff and players after the match they were 'blown away' by the support, passion and love that so many people have for our great club. The day was capped off with a fantastic last round win against the Adelaide Crows and then 100s (felt like 1000s) of supporters joined each other in the clubrooms to watch the end of Sturt/North game with the result going our way, propelling us into the third spot and another finals campaign.

## SENIOR FOOTBALL

With the arrival of Jade Rawlings as our new Senior Coach, Rob Harding as the new Football Services Manager and a host of new recruits all was set for a fantastic year. The season could not have started any better with our home game win against our arch-rival Port Adelaide in front of a COVID-19 capacity crowd of 5,000, although it felt like there was 10,000 people at the oval that night. The hope and excitement around the new players recruited into the club, on the back of the continued

development of the younger players had everyone dreaming of how far we could progress in September. Throughout the year we played some amazing football which brought pride back to The Parade. We were once again one of the powerhouse teams of the competition, one that other teams had to start taking notice of. Obviously, the season didn't end the way we had hoped with two losses in the finals series, which wasn't helped by injuries to key players and losing Jackson Callow in the AFL mid-season draft. Overall, the season was a success in terms of improvement and competitiveness of the team and was a great step forward for the players development and continuous improvement. There is no doubt we will be better in 2022 because of the progress made under Jade's leadership in 2021. We look forward to Jade taking us to another level in 2022.

## WOMEN'S FOOTBALL

Another great season by our women's team under the guidance of new coach Mat Creeper, and the on-field leadership of Ali Ferrall. The team was outstanding all year claiming the minor premiership and being a serious contender to win the premiership, unfortunately, we were narrowly defeated in both finals games. I would like to congratulate all the players in the way they embraced this season and represented our club in such a positive way. The club took significant steps with its commitment to women's football with the original 1929 changerooms and lockers, beneath the Sir Edwin Smith Pavilion, being dedicated for use by the women players. I would also like to congratulate Sophie Armstead on winning her second straight Women's Best & Fairest Award in 2021 and all the players together with Mat Creeper who were selected in the SANFLW Team of the Year. I would also like to congratulate Leah Cutting on being drafted to the St Kilda Football Club and wish her all the best in her AFLW journey while hoping one day she might come back and continue her amazing career with the Norwood Football Club.

## WHEELCHAIR FOOTBALL

I was very excited when Norwood was selected as one of the four clubs to participate in the inaugural Wheelchair Football Competition. This was a fantastic new initiative that the SANFL introduced, and it completely aligns with one of our key values of being inclusive. The team started slowly, however, as the season progressed and the competitiveness started to kick in, the team continued to excel under captain/coach Grant Leonard leading to a Grand Final appearance. Although losing the Grand Final, it was an amazing achievement to see this team continually grow each game and represent the club with so much pride and passion. Who will ever forget the celebration of Simon Hingston after scoring a goal in the Grand Final! It was also great to watch five-time Paralympian David Gould being able to play with his two daughters, Ashlee and Holly, and what a fantastic moment for the Gould family.

This team clearly lived our club motto of Fortis in Procella (Strength in Adversity) and we could not have been any prouder in the way they represented the Norwood Football Club.

## MICHAEL TAYLOR MEDAL

I would like to congratulate Nik Rokahr on winning the 2021 Michael Taylor Medal. Nik had an outstanding season and his move to spending more time on the ball had an immediate impact and saw him become one of the stars of the competition. There is no doubt that Nik epitomised Michael 'Kingo' Taylor traits throughout the year with this commitment and consistency. Well done and congratulations to Nik on a fantastic season.

## RETIREMENTS

Well it's time to farewell several club greats who have served the club with distinction and pride over many years. The list of retirements reads as a who's who of SANFL football and I would like to take this opportunity to thank and congratulate the following players - Mitch Grigg, Paul Puopolo, Richard Douglas, Cameron Shenton, Brad McKenzie, Michael Knoll, Michael Talia, Peter Bampton, Emmanuel Irra, and Zac Richards who all represented our club with pride and passion. The contribution of these players over many years has been outstanding. On behalf of the club, I would like to congratulate and sincerely thank all these players on their magnificent careers. We all have fond memories of their contributions, and I am sure we all have our own highlights etched in our minds of them playing in the Red and Blue. Their farewell speeches were a testament to their character and passion for the club. On behalf of the Norwood Football Club, we thank you and wish you all the best in your retirement.

## WOLF BLASS COMMUNITY CENTRE

The Wolf Blass Community Centre has just completed its first full year of operation, with the club holding several events and all our pre-match functions in the new facility. The completion of this facility has been exciting as it has provided us with a venue to call home and an opportunity to continue to grow the fabric of our club. This building would not have been possible without the generous contribution of so many donors and on behalf of the Board and future generations of the Norwood Football Club, I would like to thank everyone involved, especially Wolf Blass, who has contributed to this fantastic facility, as it will ensure the club can continue to grow and remain the premier club in the SANFL.

## CEO

I would like to acknowledge and thank James Fantasia for the monumental amount of work he undertakes in pursuit of making the Norwood Football Club as successful as it can be. Whether it's involvement in on-field matters, the Nor-East

Findex's Michael Wilkins and wife Sandy pictured with Senior Coach, Jade Rawlings. Photo - John Emery

or the development of the Wolf Blass Community Centre, his tireless efforts ensure that we always get the best possible outcome. There is no doubt, this has been a very tough year for James personally, however, he has always risen to the occasion and ensured the club was always a priority.

### LIFE MEMBERS

In 2021 there were two wonderful people awarded Life Membership of the Norwood Football Club, Michael Coligan and Alby Menzel. I would like to sincerely thank and acknowledge them both for the enormous contribution they have made to the club over many years. Their contribution has been amazing, Michael as a player and volunteer and Alby as a player, coach, and volunteer. It was very fitting that the contribution of these two wonderful individuals has been recognised with them being awarded Life Membership.

### SPONSORS

I would like to acknowledge and thank all our Sponsors who were an integral part of our club during 2021 and although there are far too many sponsors to mention them all here, I would like to make special mention of the following major sponsors, whose support of our great club never ceases to amaze me.

Firstly, I would like to acknowledge and thank Apelle for their contribution as our new major sponsor for 2021. Apelle Pty Ltd is a newly formed apparel company and it was great they trusted to grow their company with the Norwood Football Club. Their sponsorship and commitment to the club has been fantastic and will only continue to assist us become stronger over the next few years. I would personally like to thank Adrian Rivish, Ross Parisi, Ben Fusco and Tim Clark who have showed faith in the club by choosing to invest in our future.

I would like to acknowledge and thank Integrated Waste Services for their contribution as a major sponsor for 2021. Their sponsorship and commitment to the club has been fantastic and continues to grow every year. I would personally like to thank Joe Borrelli for his continued support for the club in so many ways and nothing is ever too much trouble.

I would like to thank Coopers Brewery whose current long term sponsorship agreement will take their association with the club to 76 years which is an extraordinary partnership. Coopers continued on-going commitment to the Norwood Football Club has truly been amazing and there is nothing that is too difficult for them when supporting the club.

I would like to extend a very big thank you to Paradise Mazda for their amazing support and commitment to the club for

over 10 years, which continues to grow and get stronger every year. I would like to acknowledge and thank Trent and Jess Burge for their sponsorship through Barossa Boy Wines, ensuring that the Burge family connection with the club will continue for many years to come. I would like to sincerely thank Michael and Sandy Wilkins from Findex for their continued support which is getting stronger every year. Finally, I would like to thank People's Choice for their continued support, although a relatively new sponsorship, its continuing to grow in strength as they truly are 'Banking on the Redlegs'.

### **NORWOOD, PAYNEHAM & ST. PETERS COUNCIL**

I would like to acknowledge and thank Mayor Rob Bria, his fellow Councillors, CEO Mario Barone and the staff of the Council for their support throughout the year. As a club we look forward to working with them to revitalise the western end of The Parade, attract more events to Coopers Stadium now that the Wolf Blass Community Centre is complete and generally enhance the match day experience at home games.

### **PATRON**

I would like to acknowledge and thank Club Patron, Joe Tripodi OAM for his words of wisdom and unwavering support. The contribution that Joe has made is amazing and we are very lucky to have him as a one-eyed Norwood supporter.

### **MEMBERS**

On behalf of the Board I would like to say thank you to our wonderful members and supporters who continually support our great club through the good times and in bad times. We have been fortunate over the years to have far more good times than bad, however, there is no doubt the continued support that our members provide is a significant factor in helping us be successful. Your support and unwavering commitment to the club, especially in a year that continued to be impacted by the global pandemic, has been simply amazing and very much appreciated.

### **STAFF**

To all the staff of the Norwood Football Club thank you for everything you do for this club on a day-to-day basis, and the effort and continued commitment of this group of people is very much appreciated. Their efforts through 2021, especially with all the uncertainty, was simply amazing and highlighted that the club is much more than a job, it's family. Our staff make an enormous impact and without their tireless efforts and endless enthusiasm we would not have been able to achieve what we do. On behalf of the Board and myself I would really like to say a very big thank you to each one of them.

### **VOLUNTEERS**

I would like to acknowledge and thank all the wonderful volunteers that help the Norwood Football Club. I think every year it becomes more challenging and demanding and your efforts and continued support is simply amazing. There are way too many to volunteers to mention individually, however, on behalf of the Board and myself, I would like to say thank you for everything you do, as without your contribution it would not be possible for us to be the club we are. I honestly think we have the best volunteers in the League and what amazes me more than anything about our volunteers is their continued selfless acts, putting Norwood first and the enjoyment they all get from helping our club. I would like to especially thank the 2021 Volunteer of the Year, Peter Nanotti for his enormous contribution to our club. For everyone who was present at last year's Michael Taylor Medal presentation, when this announcement was made, would have seen what a humble man Peter is and how much this club means to him. Thanks once again to all our volunteers, you are the best!

### **BOARD**

Lastly and not least, I would like to thank my fellow Board Members - Ben Seekamp, Justin Staritski, Rick Neagle, Steve Arblaster, Marie Logan and James McEwen for their support and ongoing commitment to the club. Their determination and drive to continually want to make the Norwood Football Club the best it can has been amazing. This passionate group of people have been working tirelessly to ensure that we continue to deliver on our vision of being the leader in the SANFL both on and off the field.

As we reflect on the season, I would once again like to congratulate the SANFL, all the SANFL clubs, our umpires, officials and of course the coaches and players for completing what can only be described as another difficult and challenging season. I would also like to acknowledge, congratulate and thank all the young men and women who have represented the Norwood Football Club across all levels in season 2021.

It takes an incredible amount of hard work and effort by an incredible amount of people to ensure a football season can run smoothly. I would like to take this opportunity to acknowledge many of these individuals and organisations who have contributed to the 2021 season and offer a sincere thank you on behalf of the entire club.

## SENIOR MEN'S FOOTBALL

The arrival of our new senior coach Jade Rawlings brought an element of excitement and expectation and despite the team fielding no fewer than eight players each week who had played less than 20 SANFL matches, this inexperienced group were able to put together some exciting performances throughout the season and play in a Semi-Final. Jade introduced several first-year players and they responded

incredibly well to the program and the expectations set. I would like to thank and congratulate Jade on what he has achieved with our playing group in his first season, and we are looking forward to his second year as senior coach.

The season also saw the arrival of Rob Harding a senior member of staff and significant contributor to the overall football program in his newly appointed position of Football Services Manager. Rob arrived with some extensive AFL experience working in football departments at Geelong, Essendon, and Adelaide. Rob's role also saw him coaching our Reserves team and I congratulate him on his contribution, support, and ongoing commitment to assisting our football department to continue to operate at its optimal level.

Our assistant coaches and football support staff play a significant role in assisting the teams and each individual player to improve and optimise their performances. I would like to acknowledge and thank assistant coaches James Saywell, Stephen Carr and Troy Clements. I would also like to thank football support staff members Nic Massacci, Ed O'Connor, Paul Gillett, Pete Sanders, Craig Icke, Peter Mansfield, Peter Borgelt, Michael Milnes, Stephen Bennetts, Jordan Story, David Kempe, Bill Woodford and Gary Vivian for their commitment and the support they have provided to our playing group. I would also like to thank Taylah Jack who was

appointed Head of High Performance in 2021. Taylah has done an incredible job and diligent in giving our players the best chance on performing week in and week out.

It would be remiss of me not to acknowledge our Team Managers and off-field support team. Marc Robinson our Senior Team Manager who plays an enormous role in ensuring every player, coach and support staff member is looked after and has what is required for them to do their part for the team. A big thank you to Marc and his team, including Al Hughes, Paul Mettner, Barry Hockley, Brian Moody, Thomas Tiver and Gavin Goodfellow for their constant support and effort.

A big thank you to our support staff who volunteer a great deal of their time to ensure their contribution is supporting and assisting in the team's performance. We are fortunate to have the experienced Dr Andrew MacDonald assisted on game days by Dr Simon Vanlint as our Medical Officers and on behalf of the entire coaching staff, playing group and the Norwood Football Club we are grateful and thankful for your continued support. Kirsty Fendt has been with the club as a trainer and head trainer for 16 years and I want to offer my sincere appreciation for the incredible amount of time, commitment and quality of service Kirsty has contributed to our football team. Kirsty will be missed in season 2022 and we are hopeful of seeing her return to the club in the not-too-distant future. Like Kirsty her team of trainers have been exceptional in their commitment to the players and the team. I would like to thank Daniel Garuccio, Shayne Faulkner, Martin Faulkner, Steve Fendt, Donna Rhook, Annabelle Pyke, James Peter, Tammy Gough, Cooper Matheson, Sri Ram Charan Gamini and a special thank you to Brian Bullock who has been committed to the club for many years.

I would like to congratulate and thank all our players for their uncompromising commitment to their training and match days to represent our club at senior level. While they did not win a premiership in 2021, we are grateful and thankful for the continued effort everyone has made and proud of many of the teams' performances in 2021.

As a club our focus is about team, but I would like to take this opportunity to thank and acknowledge a few individual players for their contribution. Congratulations to first time Club Champion and Michael Taylor Medallist Nik Rokahr for an outstanding season. I congratulate Matt Nunn on his captaincy and he and Michael Knoll for representing South Australia in the state team.

To all our retirees, Mitch Grigg, Paul Puopolo, Richard Douglas, Cameron Shenton, Brad McKenzie, Michael Knoll, Michael Talia, Peter Bampton, Emmanuel Irra, and Zac Richards. I would like to take this opportunity to thank and congratulate you on your contribution to our great club, knowing you will always be welcomed and honoured by all at Norwood for the role you have played in our club's history.

## WOMEN'S FOOTBALL

The women's team continued to show their improvement from last season and finished the minor round top of the ladder. Unfortunately, our team lost both finals and missed playing off in the Grand Final, however, they should be extremely proud of their efforts throughout the year. Mat Creeper continues to provide our young women with all the fundamentals required to be successful at this level and we are grateful for his continued commitment and the commitment of his entire support staff.

The program is well supported by our People, Culture and Pathways Manager Rick Shrowder. Rick has taken on considerably more responsibility for programs across the Senior Men and Senior Women Teams as well as our Wheelchair Team, Underage and Development Programs. Rick has provided another level of support to all these programs, and I am extremely grateful for his commitment to assisting all our people to grow and become better individuals for the experience. Rick is well supported by Ashleigh Young the Team Manager and together with her team of support staff provide our women with exceptional care and support. I thank you all for your amazing commitment to our young women and to the club. Special congratulations to captain Ali Ferrall, to the best and fairest winner Sophie Armitstead on winning her second trophy and Leah Cutting who was the first women's player to have played a milestone 50 SANFLW matches and for being drafted to St Kilda in the AFL.

## UNDERAGE TEAMS

Coming off a premiership year, we witnessed several players from this team progress to senior football and making way for a relative new squad in 2021. While the team did not reach the successes of the season before, we are delighted with the progress of many of these young men and will see a number of these players joining the senior squad in 2022.

I would like to congratulate and thank Chris O'Connor for his service to our underage programs over the past five years and while Chris will not be with us next season would like to wish him every success with his coaching career into the future. Craig Roberts commenced his role as U/16 Coach and has demonstrated a passion and commitment to teaching and developing our young men involved in his program. We have been grateful and thankful for his ongoing commitment and would like to acknowledge the many assistant coaches, support staff and volunteers who have supported our underage teams and programs.

## WHEELCHAIR FOOTBALL

We pride ourselves on living to our clubs values, being inclusive, innovative and community focussed. The opportunity to apply to the SANFL for inclusion into the newly created Wheelchair competition was important to our club and it was a great result to be included in the inaugural SANFL Wheelchair Football competition in 2021.

I would like to thank and congratulate all those players who played in the grand final and who represented our club in this significant and historic first season. I thank and congratulate Grant Leonard on being the inaugural Captain/Coach on an outstanding season and for his incredible support and commitment. I would like to also offer my congratulations to David Gould on being the inaugural Best and Fairest winner on a great season. It was particularly nice to see both David's able-bodied daughters being important members of the team with Ashlee Gould also being a member of our women's team. I would also like to acknowledge and thank Peter Stewart from Paraplegic & Quadriplegic Association of South Australia (PQSA) for their support and partnership with regards to our Wheelchair program.

## COMMERCIAL OPERATIONS

The club's commercial operations are critical to our success and ability to operate and provide quality across all areas of our operations. I would like to thank the commercial team lead by Dale Fleming, and include Joseph Marciano, Richard Kelly, Karen Ng, Daniel Azcui, Sara Neave and Brenton Klæbe. I would like to acknowledge Dale's efforts in driving the Fortis in Procella March conducted at Norwood which provided an opportunity to thank our loyal members and fans who supported the Fortis in Procella campaign in difficult times.

We are extremely fortunate to have such a high number of quality organisations and individuals prepared to partner with us, and many have been loyal partners who continue to commit to the club for which we are incredibly grateful. While many of these individuals and organisations will be acknowledged further in this Annual Report there are several key people and organisations I would like to acknowledge and thank.

Apelle Pty Ltd became the club's Major Partner for the first time in 2021 and our major apparel provide, have provided our team, members and supporters with quality, well designed on and off field apparel. We have enjoyed working with Adrian Rivish, Ross Parisi, Ben Fusco, Tim Clark and the team at Apelle and I thank them for their ongoing enthusiasm, professionalism and support.

We are extremely grateful for the ongoing partnership with Coopers Brewery, Paradise Mazda, Integrated Waste Services, and the Burge family with Barossa Boy Wines, organisations that have been extremely close to the Norwood Football - Club for many years.

The Cooper family have always taken a close interest in the Club, and we are grateful for the incredible support of the late Bill Cooper and his lovely wife Jo Cooper who's support for the redevelopment project has been incredible. We also appreciate the current and ongoing support Coopers provide the club through Dr Tim Cooper AM, Dr Melissa Cooper AM, Glenn Cooper AM, Cam Pearce and Brent Felice. Thank you to Paradise Mazda, dealer principal Jeff Neale, Rob Maiolo, Kevin Bew and all the team at Paradise Mazda. A big thank you to IWS and Joe Borelli for his ongoing and unwavering support of the club.

We are delighted to again have Barossa Boy Wines through the Burge Family, Trent and Jessica Burge, following in the footsteps of club Life Members, Grant and Helen Burge, as our wine providers. Trent and Jess have been incredibly supportive, and we are grateful for our wonderful partnership.

In recent years we have had the good fortune of seeing the emergence of new Major Partners with People's Choice and Findex not only partnering the club but being actively

involved in the club which we are so grateful for. A special thank you to Michael and Sandy Wilkins for their role in the Findex partnership and for their commitment to our Legends Club program and the business lunches relaunched in 2021.

### WOLF BLOSS COMMUNITY CENTRE

Despite the continued restrictions of the Wolf Bloss Community Centre due to COVID-19, we have completed the first full year of operation. It has been delightful to see the many new and past Norwood people utilising the facility including Mr Wolf Bloss AM himself to whom we shall be forever indebted for his incredible support and contribution in building the new facility. I would like to thank Mat Coady-Greasley for his continued hard work as Facility Manager. Mat and his team have been outstanding in ensuring all our customers are well looked after and catered for. I would also like to thank Matt Binns and Head Chef Patrice Ricourt and the team from the Robin Hood Hotel who oversee our kitchen and provide all our guests with quality service.

### NOR EAST

The Nor East continues to provide the club with a sound financial return and I would like to thank the efforts of Chris Branson for his services to the club in his role as Venue Manager. I would like to thank all the staff at the Nor East who have been exceptional in providing our customers with care and respect. We congratulate Chantel Leverett who has taken over as the Nor East Venue Manager and who has been a member of staff for several years and steps up to another level of management. I would also like to thank Ben Seekamp, Glenn Cooper, Matthew Bins, Steven Arblaster for the commitment to the advisory committee for the Nor East hotel.

### LOTTERY

The Club Lottery continues to be a significant and important fundraiser. I would sincerely like to thank every one of our members and partners who take a lottery book each year to support the club. The funds raised from the lottery go directly to supporting our junior development programs and servicing the Eyre Peninsula region. I would like to acknowledge and thank life member Rowley Pengilly who coordinates the lottery and who does an amazing and tireless job. I would also like to thank all our partners who get behind the lottery with prizes and giveaways.

### COMMITTEES

We are fortunate to have a group of quality people who volunteer their services to support the club via a committee often in an area where they utilise their own personal skill sets in support of the club. Our committees from the Board down include our Finance Committee, Governance Committee, History Committee, Player Care and Wellbeing Committee, Football Committee, Past Players and Officials Committee, a Nor East Advisory Committee, and the Horizons Committee. Again, I would like to thank all those individuals who volunteer their time and efforts for the benefit of the club.

### EYRE PENINSULA DAY

The Eyre Peninsula is an import part of the fabric of our club and as our country region has already seen several young men and women represent the club at the highest level. This year we celebrated our connection to the region with an EP Day held during a home match played at Coopers Stadium. A great way to demonstrate our commitment to the Eyre Peninsula and recognise the regions contribution to the club. The Club has given an assurance that it will pursue the opportunity to play a home and away game in Port Lincoln in 2022.

### MEMBERSHIP

I would like to acknowledge and thank our 3115 active members in season 2021 for your continued support of the

club by taking out a membership and getting behind the club financially. This season we have seen an increase in our Legends Club members who have also been actively supporting the reintroduction of the Business Lunches. Our membership levels are critical to the financial position of our club, and I once again thank each member for your loyal support and ask you to continue your support as we strive to continue to drive membership numbers.

I would also like to acknowledge and congratulate recently awarded Life Members, Michael Coligan and Gary 'Alby' Menzel for receiving this well-deserved honour. Both Gentlemen have been significant contributors both on and off the field for over twenty years.

## **VOLUNTEERS**

I have previously mentioned the incredible support we receive from a range of volunteers across the entire club. I would like to thank and congratulate Peter Nanotti on his recognition of Volunteer of the Year alongside Stephen Carr as Football Volunteer of the Year. I would like to thank each person who volunteers their time to the club, without you our club simply could not operate to the level it does today. I would also like to make special mention and thank Sue Hutchinson, Stuart Bee, Bill Drummond and Rowley Pengilly for the incredible amount of additional time and effort they bring to the club.

## **STAFF**

I would also like to thank our incredibly loyal and committed staff. The club and its administrators have been working extremely hard in what has been one of the clubs most challenging periods in its history. When the COVID-19 pandemic hit over 12 months ago an enormous amount of additional compliance responsibilities were required to ensure we could play matches at Coopers Stadium. Our staff were asked to take wage reductions the year before and have never wavered from being committed to driving the club's off-field endeavours. We are fortunate to have such a committed and loyal group of people who are selfless and driven to improve the club in all areas. Peggy Burns, Barry Solomon and Gavin Goodfellow have been long-term employees and stewards of the club. I thank them for their incredible loyalty and commitment and appreciate their continued efforts and leadership amongst our administration team. A big thank you to Angeline Solari, our Administration Manager. Angeline is the face of the club to our members and general enquiries. Her care and commitment to all our members is exceptional and we are grateful for the work Angeline provides to the club. Joseph Marciano has been with the club for the past five years as our Communications Manager and Membership Coordinator, and I would like to congratulate and thank him for the wonderful job he is doing in this area of the clubs operations. Our ground has been incredibly well presented and this would not happen without the effort and commitment of our ground managers

Barry Solomon and David Solari with support from Gavin Goodfellow and Green Clean's Michelle Dunsmore. I would also like to pay a special tribute and thank you to John Kassara for the incredible amount of time and effort he has provided and continues to provide in relation to the redevelopment and maintenance of the oval.

## **NORWOOD PAYNEHAM & ST PETERS COUNCIL**

We have enjoyed a mutually respected and productive relationship with the Norwood Payneham & St Peters Council. I would like to thank the Council and all the Councillors for their commitment to making the Norwood Precinct such a vibrant community. I would like to acknowledge and thank Mayor Robert Bria, CEO Mario Barone, Project Manager Richard Wunderlich, Keke Michalos, Lisa Mara and Paul Mercorella for their ongoing support.

## **BOARD**

In closing, I would like to acknowledge and thank President Paul Di Iulio and fellow Board Directors, Ben Seekamp, Marie Skrodzki, Steven Arblaster, Justin Staritski, Rick Neagle and James McEwen. It has been a pleasure and privilege working with such a committed selfless group of individuals whose primary aim is to ensure the Norwood Football Club has success in both the short and long term. We have been fortunate to have a stable period where our Board has been so driven and committed to seeing improvements of the club through an incredibly challenging period. On a personal level I would like to sincerely thank the board, our staff members, coaches, players and officials who have been an incredible strength for me during a difficult personal period with the loss of my beautiful wife Emma. Your support to me through this difficult period has been enormous and words cannot express my gratitude.

Thank you,

# FOOTBALL SERVICES

2021 was a year of great change for our football club, with a number of new staff and new players, and while it was a disappointing finish to the season, it was a great credit to our playing squad and our football program that we were able to finish third on the ladder and return to the finals.

Under the watchful eyes of new senior coach Jade Rawlings and new high performance manager Taylah Jack, our 2021 pre-season pushed our players to new levels when it came to their running and strength programs. A large number of players recorded personal bests in our two kilometre time trials, showcasing the running power that would be on display during the crucial winter months.

The season began on a high with a tremendous seven goal victory over arch-rival Port Adelaide in front of a bumper crowd at The Parade. The win over Port was a great way to welcome five debutants – Harry Boyd, Michael Knoll, Jacob Kennerley, Tom Wagner and Jackson Callow. A further five debutants would be unveiled during the season – Xavier Tranfa, Matt Vardanega, Tristan Binder, Sam Morris and Mitch Cotter.

The home and away season showcased an improved competitiveness and a sustainable way of playing, both hallmarks of the philosophy of the senior coach. With each

game our players gained confidence, and their belief in our way of playing led to 11 wins and earning a double chance in finals. While there were plenty of highlights over the season, wins against Port Adelaide, and a crucial victory over North Adelaide at Prospect Oval in Round 18 stood out. A close loss to eventual premiers Woodville-West Torrens in the Qualifying Final was followed by a disappointing defeat to South Adelaide in the Semi Final, however, that loss should not detract from the enormous progress and development made during the season.

Our young backline, led by Jack Heard, Cameron Ball and Jacob Collins, provided continuity and were ably supported by the experience of Mitch Wilkins and Declan Hamilton. Our midfield was led by first year captain Matthew Nunn, who was joined in the South Australian State Team by ruckman Michael Knoll. Jacob Kennerley, Mitch Grigg, Richard Douglas, the emerging Josh Richards and 2021 Club Champion Nik Rokahr, all played important roles as part of a strong midfield group.

The forward line was a sea of changing faces, with Jackson Callow and Harry Boyd beginning the year as focal points, however, we wished Jackson well as he joined Hawthorn in the AFL Mid-Season Draft, and Harry was deployed as a ruck at various times. This created opportunities for Tristan Binder, Tom Wagner, Lenny Pascoe and the versatile Cameron Shenton,

who went forward and finished the year as the clubs leading goalkicker.

An exciting crew of young small forwards, led by Henry Nelligan and Xavier Tranfa, were supported by the returning Paul Puopolo, who provided invaluable experience and knowledge. With a young developing squad, our Reserves Grade saw 54 players represent the club, including seven who graduated from our under 18 program to play at least one game of senior football.

While five wins was an improvement on the 2020 season, our Reserves lost seven games by 19 points or less, including a two goal loss to eventual premier Glenelg. These tough defeats provided great learning for our young players.

## FAREWELLS

At the end of the 2021 season we bid farewell to a number of our senior players. Dual Magarey Medallist and 2013 premiership player Mitch Grigg was joined by Richard Douglas, Michael Talia, Brad McKenzie, Cameron Shenton and Paul Puopolo in retirement. Michael Knoll called time on his career due to a knee injury, while experienced trio Peter Bampton, Emmanuel Irra and Zac Richards also departed The Parade. We thank each of these players for their significant contributions to the football club, and they will forever remain part of the Norwood family.

## CLUB CHAMPION

Midfielder Nik Rokahr was a worthy winner of the Michael Taylor Medal for Club Champion in 2021. Richard Douglas and the versatile Declan Hamilton rounded out the top three, while Hamilton was also named the Woods Medallist for Best Clubman.

Josh Richards was awarded the Garry McIntosh League Trademark Player award, while Henry Nelligan won the McCallum Trophy (Rising Star Award). In the Reserves, Mitch Cotter made it a double, winning both the Reserves Best and Fairest and the Reserves Trademark Player awards.

## THANK YOU

I would like to thank our players, coaches, staff, volunteers, sponsors, members and supporters for all their efforts in 2021.

It was an exciting season for our club, coming off the challenges of the 2020 season, and it will set the foundation for years to come. As we head into the 2022 season, we welcome a number of new players, including Patrick Naish (Richmond), Jay Rantall (Collingwood), Cameron Taheny and Ben Jarvis (both Geelong) from the AFL.

We also welcome Pierce Seymour (WWT), Chris Jansen (Port Melbourne VFL), Max Hodges (Adelaide SANFL), Connor McLean (Central District), Tom Condon (Glenelg), Tom Graham (Central District), Cory Stockdale (Casey VFL), Nick Lowden (Casey VFL) and Kobe Tozer (Aspley VFL). All will add high level football experience to our squad. And perhaps our biggest recruit for 2022 will be the return of Jack Oatey Medallist and 2014 Premiership player, Matthew Panos, from his knee injury.

Bring on the 2022 season!

Season 2021 saw all of the squads once again navigate their way through the challenges brought about by COVID-19. With the 'new norm' forcing everyone to be more adaptable and tolerant our coaches and staff in the underage and women's programs once again embraced the challenges and forged ahead with unwavering commitment.

Our U16s were again coached by Craig Roberts who was able to lead the squad through an entire season. Although technically finishing eighth, the final spot for the finals was still available to us during the last round but unfortunately the lads fell short. With three wins and four losses there was still much for the squad to be proud of. In such a crucial year in the development of a young footballer, it was very pleasing to see many traits and qualities in a number of players that will be striving to play senior football for the club in the very near future.

Our U18s were unable to reach the same heights on-field as the previous premiership winning season. Finishing sixth with six wins and 12 losses was a reflection of the challenges that Head Coach Chris O'Connor faced with a squad that lacked the same level of depth as the previous year. Despite this, a number of players were given a taste of senior football in the Reserves and all of the players were given plenty of opportunities to showcase their development in what

ultimately can end up being their final year of football at the club. Playing senior football at our club is an enormous challenge and privilege and one that not all of the U18s achieve. As always we hope that these players return to their community clubs as better footballers and young men and we wish them all the very best for their futures.

The end of 2021 also saw the departure of Chris O'Connor from the club after many years coaching our U15s, U16s, U18s and assisting with the Reserves. We thank Chris for the countless hours he dedicated to each of the programs and we wish him the very best for his future.

Fortunately, all of our Development Squads including our Eyre Peninsula Squads enjoyed full programs in 2021. Our U13s, U14s and U15s boys didn't see the on-field success they may have hoped for, however, it did show them the increased standard that they will continue to experience at State League level and what they should be striving for.

Our U15 and U17 Eyre Peninsula Squads did see on field success with both squads winning all three of their matches in their respective Youth Championships. This was the first time in many years that both squads won all three of their matches and did so fairly comfortably, understandably giving very good reason for the region as well as all players, staff and families to

be very proud. It also highlighted the depth of talent and ability in the region that the club will continue to proudly harness and develop.

Fortunately, we were able to bring together squads for our U14s and U16s girls this year after a break the previous year due to COVID-19. Both squads not only enjoyed coming together and learning under the coaching leadership of players and coaches from our Senior Women's program but they also showed that the future of our female football program will be very strong. A number of girls from the U16s squad were subsequently invited to join the Senior Women's pre-season program and will very likely be given opportunities in this year's newly formed Development/Reserves League.

Once again our Women's Squad will be the first group to get their 2022 season underway and the depth of our squad has not only been bolstered by some great young talent but also some really productive recruiting from interstate. Once again, led by Head Coach - Mat Creeper, the squad will be looking to go a lot deeper into the finals than in 2021. After finishing minor premiers last season with nine wins and two losses, our women went into the finals confident but were unfortunately knocked out after having the double chance. It was clear to everyone that the squad was filled with talented young players giving a lot of hope and confidence for a period of genuine success.

A new program to the club this year was the introduction of Wheelchair Football. An exciting initiative by the SANFL with a clear focus on making the sport more accessible throughout the community. As one of four clubs to enter teams in the league, our approach was to put together a team that would not only lay a solid foundation but also be very competitive. Led by Captain and Coach Grant Leonard and Paralympian Champion David Gould they did exactly that, playing against Sturt FC in the Grand Final. Although not winning the match, we did show that we will be a force to be reckoned with in this sport and we look forward to the squad seeing more success in the future.

Reflecting the club's values of being innovative, professional and community focused, the club excitedly launched its partnership with the Duke of Edinburgh on the Eyre Peninsula in 2021 with the introduction of its Community Skills Program. This program will see young people in community football clubs using the framework of the globally successful Duke of Edinburgh program tailored and led by club staff to learn new skills, volunteer their time, stay physically active and become future leaders.

As with every year, in each program there are a number of coaches and staff that give so much of their time to develop, assist and support our players and contribute to our club being as great as it is.

I would like to thank all of the following people as well as the club staff for another great year of football.

Mathew Creeper, Simon Butler, Tim McMahon, Gregg Dearman, Brendan O'Donnell, Ashleigh Young, Denis Sella-Gianot, Bek McMahon, Raff Gallomario, Jess Mitchell, Emma Gericke, Geoff Wooldridge, John Joannou, Vicki Sproule, Ella Lyu, Ashleigh Webster, Lachie Winter, Sleiman Andary, Chris O'Connor, Will McCarthy, Tom Harvey, Liam Rippon, Craig Roberts, Michael Niedzwiecki, Darren Woolford, Dave Bartel, Steve Canala, Peter Thatcher, Colin Cairns, Paul Homann, Thomas Tiver, Mark Vincent, Nick Cubitt, Matthew Hocking, Kerry Bungey, Ray Kropinski, Gavin Goodfellow, Grace Dally, Jason Bassani, Gayl Sutton, Nathan Shrowder, Brendan Hardman, Andrew Taheny, Richard Murphy, Luke Schrapel, Michael Paech, Yohan Wagner, Roger Puckridge, Michael Curtis, Bobby Harris, Glen Dunn, Chris Coote, Kym Willis, Kerry Anne Casanova, Erin Laas, and Gail Hitch.

In season 2021 we welcomed a new partner to the Norwood Football Club in Apelle Pty Ltd who commenced a three year partnership as a Platinum sponsor alongside Coopers Brewery.

Apelle is now well and truly familiar to everyone on our playing jumper and the Platinum partnership also meant they became our supplier of on-field and off-field team apparel and member and supporter merchandise. The quality of their partnership, personally and professionally, has been first class, as has the quality of the teamwear and merchandise they provide. Thank you to Adrian Rivish, Ben Fusco, Ross Parisi, Tim Clark and the entire Apelle team for your partnership and for becoming part of the club family and community.

2021 also welcomed another Platinum partner, Integrated Waste Services, who elevated themselves from Major Partner to Platinum Partner halfway through the season. While we have always enjoyed great support from IWS, their commitment for three years now as a Platinum partner alongside Apelle and Coopers is fantastic. The IWS brand will be added to all off-field apparel and become more prominent across everything we do at the club. Thank you to Joe Borrelli and Anne Borrillo for your support and for continuing to be part of the club family and community.

When you attend a Norwood function you get to enjoy mouth-watering beer courtesy of Coopers and mouth-watering wine courtesy of Barossa Boy Wines. Both these amazing companies extended their partnership for another five years at the beginning of 2021 and their commitment to our club is first class. Barossa Boy will take its place on our guernsey in 2021 and to Trent and Jess Burge thank you for your sensational support and for continuing the Burge family tradition of being part of the club family and community.

To Glenn Cooper, Cam Pearce, Brent Felice and the entire Coopers family and team, to reach 75 years is nothing short of outstanding and our partnership longevity is the envy of other sporting organisation in the State. The Coopers name and brand is synonymous with our club, and we hope it continues for another 75 years.

At Norwood we enjoy the loyalty of so many long-term partners such as Coopers and Paradise Mazda (14 years) who continued to support the club in 2021 and extend our long-standing partnerships. Thank you to Jeff Neale and Rob Maiolo for taking our partnership into its 15th year and for your personal and professional support as a major partner. Thank you also to our more recent major partners in People's Choice, Findex, Mannix Air Conditioning, Palmerbet and the Paraplegic and Quadriplegic Association SA. Each of these Major Partners continued to sponsor our club and are vitally important in

helping us operate in these continuing challenging and unpredictable times. We go into 2022 with every Platinum and major Sponsor signing on again which is sensational for our club.

There are over another 75 Corporate and Players Sponsors I want to collectively thank for all your support and commitment to our club. Whether Platinum, Major, Corporate or a Player sponsor, every partner of the Norwood Football Club is sincerely appreciated and with you we cannot do what we do day in and day out.

It was tremendous to finally get to hold the FORTIS ARMY MARCH and to recognise all the members and supporters who committed to purchasing Fortis in Procella merchandise. It is also very pleasing that this extraordinary momentum in merchandise sales continued into 2021 with general merchandise sales up over 10%. In 2022 we will be introducing a whole new range of member and supporter merchandise and look forward to providing more high quality apparel in partnership with Apelle.

We finished the 2021 season with 3115 members, slightly up on 2020 and while any growth is great, our goal is to get back to above 3500 members and the whole membership team will continue to work hard on making the Norwood membership the best in the SANFL. At the time of writing this report we are tracking 10% up on last year, so I encourage all supporters who have not taken out a membership to do so in 2022. Membership, partnerships and merchandise are all critical if we are to grow stronger and perform both on and off the field.

Looking forward to season 2022, I am confident that the club will perform well commercially and with our new facilities fully operational and delivering new revenue streams, the club should enjoy strong growth and continue to provide the best match day experience in the SANFL.

Thank you to all our loyal partners, members and supporters for your amazing support and making the Norwood Football Club family and community the best in the business.

# FINANCE REPORT

On behalf of the board and management I have great pleasure in presenting the Norwood Football Club Incorporated and controlled entities financial report for the year ending 31 October 2021.

## FINANCIAL RESULTS

The 2021 financial year result to be reported by the club is a net surplus of \$1,052,503.

This was our second season of attempting to play football, manage function centres and gaming venues whilst dealing with the challenges COVID-19 raised. To achieve another surplus is something our club should be proud of. The people of Norwood continued to provide enormous support, understanding and positivity all of which is a direct reason for the result.

Jobkeeper continued for the first part of our financial year providing important assistance in the amount of \$378,750. This was significantly lower than what was received the year before. SANFL Land Divestment returned after a one-year delay resulting in receiving \$300,000. This money does not go into general revenue but is set aside for building works. We have a further \$650,000 to receive over the next two years.

## THE NORWOOD FOOTBALL CLUB INCORPORATED

Attendances at Coopers Stadium were, as expected, well up compared to 2020 and similar to levels seen in 2019. It is so pleasing to see people able to go and enjoy the football again and it helps from a financial point of view. Membership and sponsorship numbers improved compared to 2020, a brilliant outcome considering 2020 was surprisingly strong. We are extremely grateful for the unwavering support from our membership and sponsors. They are the best in the SANFL.

Merchandise sales did not reach the lofty heights in 2020, nor did we expect them to given the huge success of the Fortis in Procella campaign in that year. Sales still almost doubled our budget reaching \$130,179. The range and quality of these items coupled with the passion our people have for this club results in excellent sales.

## THE REDLEGS CLUB INCORPORATED

The performance of our Gaming Venue was outstanding. Food, beverage and gaming revenue easily exceed budget and expenses were contained and slightly under budget. Significant investment in the gaming technology was crucial in remaining competitive with other venues as they

embraced banknote acceptors, Ticket-In Ticket-Out systems and cash exchange machines. The well planned and executed investment provides an immediate return and provides important funds to the football activities.

The sale of food and beverages at Coopers Stadium improved significantly particularly with the successful use of the new Wolf Blass Community Centre and Premiers Bar. While we unfortunately had to cancel many functions both for the club and independently booked, the revenue from both these areas far exceed expectations. It was obvious that the venue was welcomed but it was also clear that the facility met the expectations of the members. People wanted to frequent the venue, meet or bring friends there and this custom has a very positive financial impact for the club.

### **137 THE PARADE TRUST, 581 NORTH EAST TRUST AND 583 NORTH EAST TRUST**

The Net result of the Trusts was a surplus of \$324,463, similar to the previous year. Rent levels remained constant with our long standing tenants and continued low interest rates helped achieve this sound result. Being able

to maximise our return on investment is important and something we spent time on during the year. The surplus is due to the rent collected on the Nor-East and rent from the tenants at 581 North East Road less interest on commercial bills, sundry property maintenance, rates and taxes and other minor sundry items. The surplus is distributed to the Norwood Football Club.

### **SUMMARY**

The Net result of the above entities was a surplus of \$1,052,503. If we add back depreciation (\$367,731), remove the gain of the value of gaming entitlements (\$120,085) and remove the net surplus of Build the Fort activities (\$477,696), the result is a surplus of \$822,453.

## EVENTS

### Mat Coady

After another year riddled with the ever-changing COVID-19 environment the Wolf Blass Community Centre has had to endure a tough first full year of operation. However, the Norwood Football Club has begun to take full advantage of the incredible new facilities which contain both the newly designed Norwood Function Room and the Premiers Bar.

This year the Wolf Blass Community Centre has held more than 60 private events encompassing: birthdays, weddings, engagements, corporate dinners, lunches and breakfasts, corporate meetings, a Business SA Chamber event, sporting club awards nights, memorials for past members and families of the Norwood Football Club and several functions for the AFLW.

The new facilities have also proven a valuable way to give back to the community. One such way included the Norwood Function Room hosting the Clontarf Foundation employment and empowerment forum. This group focus on aiding disadvantaged rural community members and students to continue developing into positive members of our future society. It was a fantastic opportunity for the function room to be able to provide the space to aid in supporting these communities.

Our Wolf Blass Community Centre has also been home to over 60 Norwood Football Club led functions including: business lunches (held monthly), season launches and presentation nights for the club teams, sponsor nights, reverse raffle, women in sport event, Glen Rosser Lunch, Test Cricket Match Lunch, members nights held every Thursday, and our game day lunches or dinners.

With the development of our fantastic new facility, we have drastically reduced the need to head to other venues to hold functions for club members and affiliates. With our only external event this year being our Club Champion dinner held at Adelaide Oval.

Once again, we would like to mention that all of the events held by the club would not have been possible without the fantastic sponsorships and support from our key beverage partners Coopers Brewery and Barossa Boy Wines.

With the positive reputation of the Wolf Blass Community Centre continuing to build, we are looking forward to 2022 and the challenges it brings.
