GRANDSTAND Seating

The following will now apply:

- The Western Stand will remain a General Admission system with access into the stand available for members who have the necessary entry pass. Once admitted, members can sit in any seat (unless marked reserved for match day purposes).
- In 2024, those members who purchase either:
 - Fortis Club
 - Premier's Club
 - Home Match Plus
 - Home and Away Plus

will receive a Western Stand Ticket as part of their membership and therefore can gain access into the stand for any game and are able to sit anywhere they like. If the Western Stand is at capacity, those holding a grandstand ticket will be ushered into the Southern Stand.

- Attendance at the pre-match function will provide Western Stand access to those that wish to use it for that match only.
- Matchday staff and coaches from both clubs requiring seats to undertake their roles will be provided Western Stand access for each game.
- Corporate Box holders will be provided Western Stand access for each game
- Media and SANFL matchday operations staff will be provided Western Stand access for each game
- Legends Club membership will have priority to Western Stand Seats at every home game
- Elderly Members with special needs that require extra assistance, can contact the Norwood office prior to a home matchday.

Do I need to be an existing Fortis Club, Premier's Club or plus member to gain access to the Western Stand?

In 2024, you do NOT need to be an existing Fortis, Premier's or plus member to gain seating the Western Stand. If you are new to the club and purchase one of the above memberships, then you will receive a general admission seat in the Western Stand.

What happens if the Western Stand is full on gameday?

In the event the Western Stand is full on a matchday, the club will have a reserved bay in the Southern Stand available to watch the game as per the case in season 2024. We encourage those Western Stand members though to arrive early to guarantee their seat for each game.

Fortis Club Seating:

Fortis Club membership will provide Western Stand access for each game no matter the scenario.

Your FIP Coin Card (Fortis in Procella) is a Debit Card that can be used at Coopers Stadium at the Wolf Blass Community Centre, Premiers Bar, Kiosk, and Bar Outlets.

How does it operate:

- An initial amount will be credited to your card by the NFC – depending on membership type.
- This can be used at the above outlets.
- After your purchase, your card will be swiped and debited the amount spent.
- Any promotions or incentives will be recognised and awarded to your card during the transaction.
- You can replenish the card at any of the above outlets and by going online at the NFC Web site.

Advantages:

- Utilise discounts and promotions offered by the NFC on matchdays and other events.
- No need to carry cash or use your credit card.
- Become part of the NFC loyalty programme.
- Opportunity through discounts at NFC sponsors.
- Look out for more promotions in 2024.

Redlegs Health and Wellbeing powered by CU Health

Virtual healthcare at your fingertips

Norwood Football Club has partnered with [cu]health, Australia's first virtual healthcare practice, to offer Redlegs members exclusive access to a collaborative care team of psychologists, GPs, dietitians, and health coaches (registered nurses), plus personalised resources to improve your health and wellbeing.

This is an industry-first partnership that aligns with Norwood's vision: to bring innovative solutions that support total health and wellbeing.

When you sign up for a Norwood Football Club membership, you will have the opportunity to opt-in to a FREE trial of Redleg's Health and Wellbeing.

Scan the QR code, and from there it'll take just a few simple steps to unlock a range of on-demand healthcare services tailored to your membership type.
