The following will now apply:

- On match days, the Western Stand is accessible to only these members who have purchased the eligible membership type. Once admitted, members can sit in any seat (unless marked reserved for match day purposes).
- No Match Day Western Stand General Admission Passes will be available for the public to purchase.
- The following membership types will receive Western Stand access as part of their memberships:
 - Fortis Club
 - Premiers Club
 - Home Match Plus
 - Home and Away Plus
 - Past Player and Officials Plus
 - Mini Legs Plus & Redlegs Rookie Plus
- Attendance at the pre-match function will provide Western Stand access to those that wish to use it for that match only.
- Corporate Box holders will be provided Western Stand access for each game.
- Fortis Club membership will have priority to Western Stand Seats at every home game via a reserved area.
- Elderly members with special needs that require extra assistance can contact the Norwood office prior to a home matchday.

Do I need to be an existing Fortis Club, Premiers Club or Plus member to gain access to the Western Stand?

In 2025, you do NOT need to be an existing Fortis, Premiers or Plus member to gain seating the Western Stand. If you are new to the club and purchase one of the above memberships, then you will receive admission to the Western Stand.

What happens if the Western Stand is full on gameday?

In the unlikely event the Western Stand is full on a match day, the club will have a reserved bay in the Southern Stand available to cater for members who have Western Stand access. We encourage members with Western Stand access to arrive early for each game.
