In taking over the role of President at our 2023 AGM, I was extremely proud to lead your Board through a year of significant growth, change and development. Together we have thanked and farewelled a number of key personalities at our Club, and I take this opportunity to acknowledge and thank the work and efforts of our farewelled Board members this year – John Kantilaftas and Chris Schmidt. Both have given much to the Club in various roles and we have wished them all the luck as they pursue professional opportunities. They were certainly big shoes to fill, but the Board was pleased to be able to appoint Paul Patterson to the role of Football Director, during the year. Another stalwart Westies man, Paul has come in with a clear goal - to improve football performance and culture. We have been lucky to have a dedicated Board of Directors who have worked hard all year to serve our club, and you our members. We understand the great responsibility associated with protecting and honouring our Club’s legacy to ensure a bright and long-lasting future. We commit again to working as hard as we can to make our Club, the place to be.

Whether it was Neil Kerley, Mark Mickan, Robert Day or Ryan Ferguson that first drew you to this Club, or our 1927, 1947, 1961, 1983 or 2015 Men’s Grand final wins that peaked your interest, our Club is full of history-making moments and passionate people. In 2025 we will continue to build on that history and make some more of our own. Our Senior teams, both men and women, have shown strong signs of growth and development, with a renewed focus on local, loyal talent. Our Reserves and Junior teams have also had seasons of growth – with significant learnings in leadership, resilience and positivity.

Stand-out games this year have included our well-deserved win over Port Adelaide in the Russell Ebert tribute match, where brother faced brother and family harmony was on the line; and our Womens team win for the ANZAC round. We have had highs and lows this year, but we have navigated them together. As one club, we are united in one purpose – to make our Club the destination for all football talent in South Australia. It is a lofty goal, but we are confident that we have the people and the passion to make it happen. With that in mind, 2025 emerges as an extremely exciting year for all our supporters – with players keen to get started and our coaching staff planning and preparing for bigger and better performances.

2025 will also start to realise some of the long-term plans and opportunities for the redevelopment and future growth of our Club; – work that has been continuous for a number of years behind the scenes. The Board and Executive continue to work closely with City of West Torrens Council, SANFL and private partners to traverse a positive path that will balance the requirement for our Club to modernise, with the responsibility to acknowledge and do proud our strong history.

As a Board, we have achieved well against our strategic objectives, but acknowledge that there is still a long journey ahead of us to ensure that we make our Club all that it can be. Given our recent appointments and newly developed committees, we will continue to carry some vacancies on the Board into 2025, with a view to re-assessing these as portfolios are further developed – we will continue to use our committees and engage with the membership through regular forums and communications.

Finally, it is clear that our Clubs greatest assets, in equal parts, are our players, our members, our supporters and our volunteers. Our people are vital in keeping the Club moving forwards in an ever-changing and evolving sports industry. So, we take this chance to thank you all for what, you have done in 2024. Come with us in 2025 (and beyond) – whether that be through a committee, workgroup, member forum or as a supporter; we encourage everyone to be a part of the changes happening at the Club.

We look forwards to the future, and hope to see you all as football kicks in again for season 2025.

Emma Grigson
WAFC President

2024 WAFC BOARD

PRESIDENT	FOOTBALL DIRECTOR	FINANCE DIRECTOR	FEMALE FOOTBALL DIRECTOR	MEMBER ELECTED DIRECTORS
				
<small>EMMA GRIGSON (FROM MAY 2023)</small>	<small>PAUL PATTERSON (FROM APRIL 2024)</small>	<small>CHRIS SCHMIDT (TO APRIL 2024)</small>	<small>ALISON SURIAN</small>	
		<small>ANDREW TICKLE</small>		<small>DANIEL ROSSETTO</small>

Once again, I am proud to present the CEO Report for 2024. This year has been one of significant change and progress for the Club. Notably, we welcomed Emma Grigson to the role of President, and Dr. Daniel Rossetto as Member Elect. We also saw past player Paul Patterson step into the role of Football Director following the resignation of Chris Schmidt. I want to extend my sincere thanks to the Board for their support and guidance over the past 12 months.

Football Achievements

Our football programs across all teams continue to show steady improvement. Coaches Adam Hartlett, Bruce Dawes, Michael Wakim, Russell Godson, and Jeff Sochacki have now completed two successful years in their respective roles, and we thank them for their continued commitment to our teams. We also extend our best wishes to Michael Wakim, West Adelaide's SANFLW Development Coach, as he embarks on a new opportunity. Additionally, I would like to acknowledge Shane Baldock and Ryan Anderson, who have stepped away from coaching due to family commitments.

This past season saw solid progress, with the Senior Men's team finishing 8th on the ladder. Notable highlights included our victory at the Russell Ebert Match in Waikerie, where we took home the Russell Ebert Trophy for the first time. The game at Adelaide Oval, where we had the honour of playing the Crows, provided our players a prestigious opportunity to run out on this iconic venue. Furthermore, we celebrated the drafting of Lauren Young to the Port Adelaide Football Club. We also acknowledge the retirements of Kaiden Brand, Josh Ryan, and Sam May, and wish them all the best in their future endeavours.

Community and Behind-the-Scenes Support

While players often take centre stage, it is important to recognize the immense contribution of our behind-the-scenes staff and volunteers. From game days to training sessions and special events, these individuals are truly the heartbeat of our Club. Their dedication and hard work ensure that everything runs smoothly and continues to elevate our Club's reputation.

In 2024, we were proud to host the AFL Community Series Game, featuring the Adelaide Crows and West Coast Eagles, as well as the Amateur League Finals. Approximately 5,000 people attended the AFL Community Series match, and almost 3,000 attended the Amateur League games. These events played a crucial role in bringing our community together while also generating much needed income for the Club.

Thank You to Our Partners and Members

I would like to express my heartfelt gratitude to our partners and members who make the Club what it is. Your unwavering support enables us to continue striving for success. In particular, we are grateful to our major sponsors, including Tony and Lyn Grantham from Adelaide Galvanising Industries, David Shipway from BL Shipway, Copyworld, Darren Geddie from Acelt Transport Solutions, and Michael Tait and Nino Williamson from HT Capital. Your generosity ensures that we have every opportunity to thrive.

Our second Celebration of Football lunch, held during Gather Round, was a standout event. A sell-out success, the afternoon was filled with camaraderie, laughter, and hospitality. Similarly, our Senior Men's and Women's Best and Fairest nights were celebrated in true style, recognising the hard work and dedication of our players, coaches, and training staff.

Bar & Bistro and Community Engagement

2024 also saw exciting developments at the Bar & Bistro, including the return of Bingo to the Club. This has been an incredible success, not only in generating new income but also in creating a welcoming space for our community to come together. It's a place where new friendships are made, and where everyone, regardless of background, can feel included.

Throughout the year, we have continued to host a wide variety of functions and events, from the three-day Gear'd Festival to parties, workplace training sessions, and local community group meetings. Our Melbourne Cup lunch and Poker tournaments have also been well-attended, creating more opportunities for engagement and connection.

Conclusion

As we move forward into 2025, I am filled with optimism for what lies ahead. Together, with the support of our dedicated members, partners, and volunteers, we will continue to build on the foundation laid this year, ensuring that West Adelaide remains a proud, inclusive, and successful Club.

Conny Wilson
Chief Executive Officer

The 2024 financial year replicated our on-field performance. We enjoyed some highs, rode some lows, didn't finish where we would have liked but with still plenty of room to improve. Our consolidated result improved to a loss of \$254,164 compared to \$360,397 in the 2023 year. Whilst the recording of any loss is rarely pleasing, the improvement year on year should be acknowledged.

The improved consolidated result is predominately down to our licensed club performance. We have experienced another year of revenue growth which has been driven by a full year of bingo sessions. We expanded from one to two sessions part way through the year to continue to grow this revenue stream. These revenues were classified as other income in the previous year but have been moved within functions given their significance. Our gaming started the year very strongly, operating at nearly 20% up on the prior year but flagged towards the end of the year.

On the cost side of the venue, we have made significant improvement to our stock management which has seen our margins approach industry standards. We have reclassified costs this year, removing the administration category and including an occupancy costs category. This incorporates the costs of keeping the venue operating together with the rental charge from the Football Club.

Our challenge in the venue is the wage cost. We have endeavored to run the Club as leanly as possible, whilst trying to meet legal and service standards. The increase this year is reflective of the increase in the base rate that we are required to pass on, together with some additional wage costs required to deliver the bingo program.

It is becoming increasingly clear that the venue is not capable of generating the sufficient revenue to justify the current level or structure of operations. The relocation of our gaming machines will be a significant priority for the 2025 year. This relocation will have some flow on impact onto how and when our venue operates which will mean change for our members and community. In implementing any change, we will be focused on balancing issues like opening hours/operating times with the need to be financially sustainable.

The Football Club operations continue to be generally stable. Cost control and management is the most significant area in which we can improve, and we have set a budget that intends to capture these.

Thank you to our members and sponsors for your continuing support, whether that be directly contributing to the Football Club program, frequenting the venue or getting along on game day. We continue to work hard to secure our Club's future.

Finally, I'd like to acknowledge the work of our staff, whether directly related to the finance sphere or in the broader team your dedication and effort to the Club. It has been a challenging year, particularly with the unexpected and tragic loss of Sean Nicholas. A special note of thanks to CEO, Conny Wilson, I value your energy and drive to move our Club forward.

RUSSELL GODSON (TALENT MANAGER CENTRE OF EXCELLENCE PROGRAM & U18 HEAD COACH)

The start of 2024 saw us head to Woodville and then Waikerie followed by Port Lincoln in various marquee matches to open the year. We thank those who were able to make it to one or more of those games. What a sight it was to have a fiercely loyal group of Bloods supporters behind the goals in Port Lincoln.

We welcomed several new faces to the group for the 2024 season. This year we had 9 players make their league debut for the club. All players equipped themselves well and showed they were more than capable at the level. Amongst these was Brady Searle, who had played league football at Glenelg, and put together a terrific season which was recognised with finishing 3rd in the Neil Kerley Medal.

We also saw some change to the coaching panel across both league and reserves level. Nick Homburg was appointed as our defensive coach, Shane Baldock was appointed our reserves coach along with a new team of reserves assistants consisting of Jack Evans, Heath Colebatch and Ben Hardy.

A 4-4 start to the year didn't eventuate where we wanted it to. The group showed enormous resilience and growth through extreme adversity. These experiences were invaluable and, will add to the solid foundation required to foster sustained success in the future. We know that football club is full of quality people, and this year has highlighted that on numerous occasions everyone played their role in us living the club motto of being Stronger Together.

The Neil Kerley medal saw a thrilling finish with an eventual tie between Sam Frost and Kobe Ryan. To have two quality, young men like this share the award is terrific recognition for their outstanding seasons.

Five players reached their 50 game SANFL milestones, which is a significant achievement. Congratulations to Isaac Johnson, Tom Morrish, Joel Stevens, Josh Gore and Lucas Meline.

In 2024 the Russell Ebert tribute match moved to Waikerie. Special thankyou to everyone involved in the organisation of the game, especially those involved at the Waikerie Football Club and Waikerie Hotel. We were thrilled to bring the trophy home after a narrow win courtesy of a final quarter surge. We were able to play this year's Neil Kerley tribute match at Adelaide Oval which was a good experience for the players as we look to play there in the coming years.

Unfortunately the end of any season brings player movement. We thank and acknowledge the impact that all departing players have had on the club and wish them all the best for whatever comes next. We also acknowledge the retirements of Kaiden Brand, Josh Ryan and Sam May. All of these men have dedicated a large part of their lives to the club. We look forward to their continued involvement at the club in various capacities.

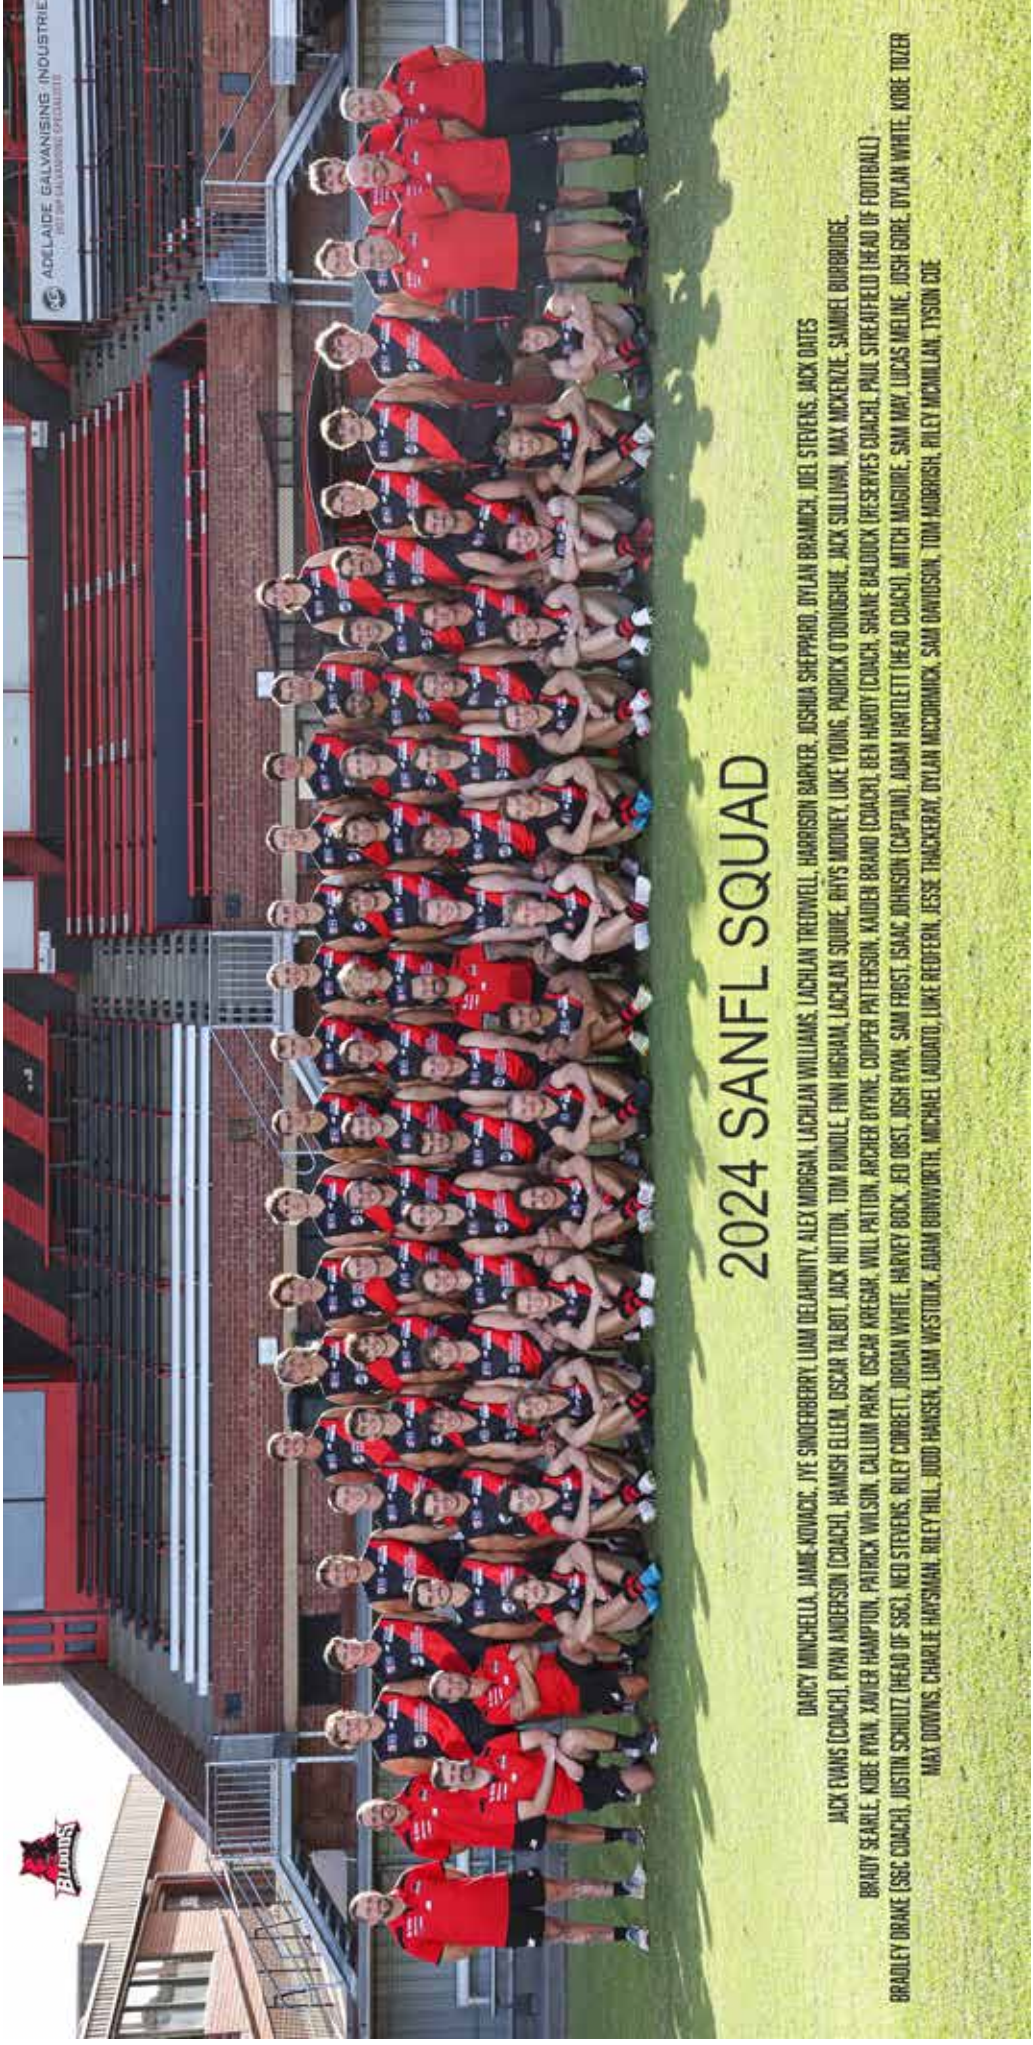

Again we thank everyone for their support of the team and club in general. We make no secret that we have high ambition and hope. We genuinely feel there are exciting times ahead and look forward to you being there alongside us as you always are. See you in 2025!

The team arrived well-prepared for preseason training, thanks to the strength and conditioning program designed by Joel Dunstan, during the off-season. Many players achieved personal bests in our 1.6km time trials, with Olivia Smith leading the pack—a fantastic outcome. We welcomed 21 new players from the 2023 season, which meant a lot of effort was required to bring them up to speed with our game plans and structures. Additionally, we saw the return of several players recovering from injuries, including four coming off ACL surgeries.

The season began on a high note with three consecutive wins, including an exhilarating after-the-siren goal by Emma Kilpatrick to secure a narrow victory over South Adelaide, the eventual premiers. During these initial rounds, we also introduced three new league players to the club: Brooke Smith from the Adelaide Crows, Emily Mableson from our junior program, and Jemma Ellis, who joined us from South Adelaide. All three proved to be valuable additions.

The subsequent three games included a solid win against North Adelaide at Prospect, followed by two narrow losses: one to Glenelg at the Bay, where we started strong but couldn't maintain the lead, and another close six-point defeat to Central Districts at home, which could have gone either way.

With our finals hopes still within reach, we faced South Adelaide at Noarlunga, losing by just one point to the eventual premiers, and then fell to Sturt by two points in a crucial game the following week. To keep our finals chances alive, we needed to win our last two games. We achieved a convincing win against the Eagles, featuring the debut from a patient Nicola Biagi. With favourable results elsewhere, a win against Norwood in the final round would have secured a finals spot. Unfortunately, we suffered our fifth defeat by six points or less of the season, missing out on the finals by just one game.

Overall, the season marked a significant improvement from last year. We had a strong contingent of young players who showed great development, with five girls—Lucy Boyd, Asha Dufour, Ruby Ballard, Emma Kilpatrick, and Chloe Tonkin—selected for the state under-18 program. Additionally, five juniors from the West Adelaide Football Club made the State U16 team. Some other individual successes we were able to celebrate as a team were the selection of Zoe Venning and Hannah Button in the first State Women's team that defeated a Western Australian team in Perth. We also had 5 girls who made the State Under 23 team that won against the State 18 girls, they included Zoe Venning, Olivia Smith, Tess Huxtable, Georgie Pater and Jemma Ellis.

2024 LEADERSHIP GROUP

**Paige Allan, Lucy Boyd, Ilish Ross,
Georgie Pater (VC), Madi Russell (C), Milli Gentle (VC)**

Throughout the season, we played some exciting, fast-paced football that created many scoring opportunities, though scoring consistently remained our Achilles' heel. While we defended well, we struggled to convert chances into high scores. This is an area we will focus on improving for the 2025 season. I would also like to congratulate Bec Hansen, Astrid Powell and Zoe Greer who have chosen to retire, they have been outstanding contributors to our team over many years.

I want to extend my gratitude to several key supporters: the parent group for their unwavering presence and efforts, our trainers and S&C team for their crucial support, and my coaching staff—Damien Venning, Michael Sweatman, and Phil Marks—for our continuous growth and collaboration. Thanks also to the development coaches—Michael Wakim, Dan Smith, and Allani Dawes—for their invaluable contributions, and to Raymond Billing for his innovative thinking. Haydn Ward for his ongoing time into the program and support for the players. Most importantly, I want to thank the players who, since last October, have committed wholeheartedly to the program, continually improving their football and making West Adelaide Football Club a wonderful place to be.

Although it's disappointing not to have reached the finals in 2024, I am confident that we are well-positioned to contend for finals in 2025 and achieve long-term success.

James Wood	Strenth & Conditioning Coach
Astrid Powell	Wellness and Welfare Manager

The Under 16 season kicked off with a significant change during the off-season as Jeff Sochacki was appointed as the new head coach. Jeff, known for his strong leadership, quickly began shaping the newly formed squad alongside his assistant coaches. They focused heavily on player development, both individually and as a team.

Throughout the season, the team showed considerable progress in their skills and understanding of the game, despite the fact that match day results didn't always reflect their hard work. The boys consistently demonstrated a strong application to training and match preparation.

The Under 18 season marked a significant improvement in stability and cohesion compared to the previous year. This progress was largely due to the continuity in leadership, with two of the three assistant coaches returning to the program. Their familiarity with the club's culture and the players' needs created a strong foundation for success. This consistency enabled the team to build deeper relationships among players and staff, fostering an environment of trust and accountability.

The benefits of this stability were evident in various aspects of the team's development. Training sessions were characterized by higher intensity and focus. On match days, the team demonstrated a growing maturity, resilience, and ability to execute game plans effectively, leading to progressively stronger performances which were reflected on the scoreboard in the second half of the season.

Beyond on-field achievements, the season was a testament to the players' and coaches commitment to growth. The players not only honed their technical and physical skills but also embraced the values and responsibilities of being part of a football club. Leadership qualities emerged within the group, with players stepping up to support teammates and drive team culture. These experiences will undoubtedly equip them with the tools to excel in their future endeavours, both within football and beyond.

In 2024, we were once again thrilled to engage with our local zones (metro and three country areas) and football communities throughout the year. Our Under 18 squad participated in a two-day camp in the Riverland, and we extend a big thank you to Loxton North Football Club for hosting us and ensuring we had everything we needed. Meanwhile, our Under 16 squad held their two-day camp in Murray Bridge, and we are equally grateful to the Ramblers Football Club for their hospitality and support.

During the season, Haydn Ward (Female Talent Manager) and Russell Godson (Boys Talent Manager) visited Roxby Downs to observe and participate in their junior programs. Haydn was also present for their Grand Final day, providing additional support. The 2024 Young Blood Academy proved to be a success, featuring the newly formatted boys Under 14 program, which consisted of a seven-game season from March to April, managed very well by Tom Keough. Over 150 country players and 240 city players trialed and participated in programs across Under 13–15 for boys and Under 15–17 for girls. These squads competed throughout the season, with some squads participating in the Intra-State Championships in July for the boys and October for the girls, where all teams proudly represented the club. Additionally, premierships teams and league medal winners from our country regions received awards supplied by West Adelaide, recognizing their outstanding achievements.

U14's Boys Coaching Staff Mitch Maguire (assistant), Tom Keough (Head Coach U14's), Charlie Kitto (assistant)

For the first season of the SANFL's new Under 14 competition, it was a fantastic experience for all players and coaches involved. The enthusiasm of all players was evident from the first training, setting a positive tone for the entire season. Week after week, the boys demonstrated remarkable dedication, bringing energy and eagerness to every session. This level of commitment is a true measure of success and speaks volumes about their character and love for footy.

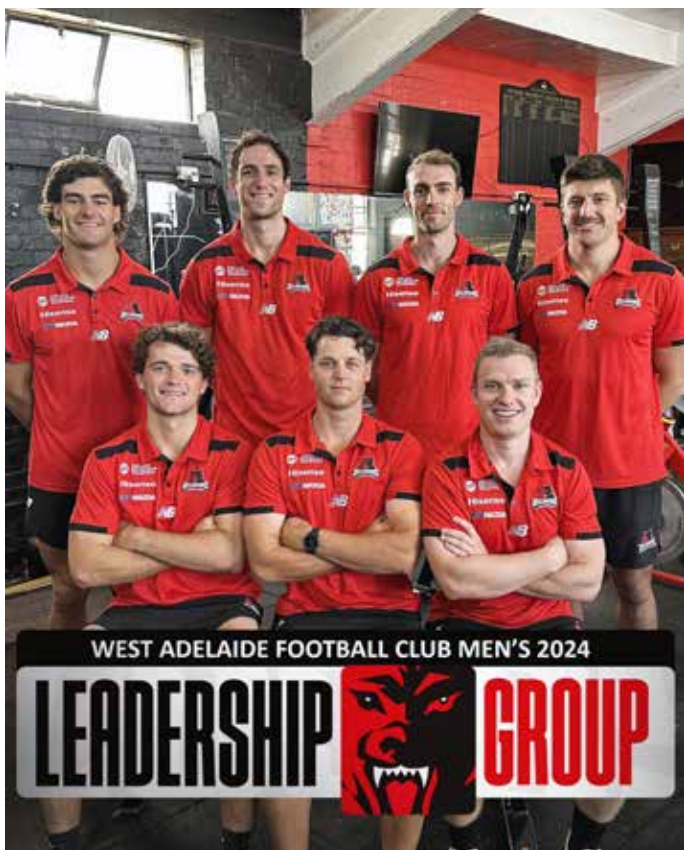

Throughout the season, the boys played in a way that aligned perfectly with the West Adelaide values. The teamwork, the sportsmanship, and the continuous drive for improvement we witnessed in each player was outstanding and made my role as coach extremely enjoyable.

I would like to extend a sincere thank you to all the players and parents whose unwavering support and understanding of our program's philosophy was crucial to its success. A special mention must also go to Charlie Kitto (Assistant Coach) and Mitch Maguire (Academies Coordinator) for their incredible support throughout the season. Their contributions were essential to our team's development and success.

As we look forward to the next season, our focus on development will continue. Reports and feedback have been sent to all players and I continue to encourage all players to take all feedback on board to help their development across their seasons at their home clubs.

Once again, I would like to thank everyone for their support, and I look forward to even greater success next season for the WAFC U14s.

Committee Members

Robbie Donaldson John Treloar
 Richard Sellers Geoff Jamieson
 Bazz Sherwell Rod Sutherland
 Hallet Shueard Lincoln Tyner

At our first home game for the season the History Group set up an exhibition in the Mound Bar and again during History Month we had a display in the front bar of the club. Largely as a result of these displays and our posts on Facebook, we have been visited by quite a number of supporters who have donated items to the club. These people are too many to list but we have been overwhelmed by their generosity. Our member badge collection and annual reports are now in a healthier state and Lincoln has spent considerable time organising them. The presence of past players Hallett and Robbie at those displays has enhanced the connection between past players and the History Group. Also at the beginning of the season, Robbie changed the Club's Adelaide Oval display giving us a 'fresh' presence at that venue.

Hallett has been busy interviewing past players and Rod with 'West Enders'. The list of players, administrators and supporters who live or lived in the West End continues to grow. Again we appeal to anyone who may have a connection with the West End to leave your details with the Club so that Rod or one of the History Group can speak with you.

The Westonians have provided assistance to the History Group and this year provided funds to have Neil Kerley's 1961 All Australian blazer framed along with photographs of Neil. Grant Hudson donated a 1961 Premiership Pennant resplendent with member badges sewn around the edge and red and black ribbons worn by his mother to the 1961 Grand Final. This too has been framed and is a beautiful reminder of the deep and personal connection many supporters have to their football club. Both are displayed in the Westonian Room alongside a Neil Kerley commemorative guernsey.

While we are still in the process of cataloguing and valuing items, we have found some time to record more of our history. Graeme has been transcribing seconds records from a record book kept by Barry Downs on seconds players. The process of having a photograph of teams through the years continues. More often than not, when it comes to looking for a photograph of an individual player, a team photo is all we have! Thus we appeal to supporters for team photographs they would be willing to donate to the History Group.

Many enquiries to the Group are researched by our Historian John Duggan and I thank him for that as well as the many hours spent as statistician. Richard Sellers is having a break from the Secretarial role and I thank him for his previous work in that position, Rod Sutherland for the West End Project which seems never-ending, Robbie Donaldson, Bazz Sherwell, Hallett Shueard and Lincoln Tyner for their Thursday work session efforts, Troy Abbott for keeping the books and Graeme Barton for the many additional tasks which are so important in allowing us to function effectively. Thanks also to the front office staff for their assistance, especially Lisa Dunstall for managing the many enquiries, Harry Tidmarsh, Josh Ryan and Conny Wilson.

Past Players & Officials Committee

President	Bernie Conlen	Committee	Troy Abbott
Secretary	Tony Davidson		Robert Day
Treasurer	Mike Hamilton		David Murray

“Entice as many Past Players & Officials back to the West Adelaide Football Club”. This is the leading Principal purpose of the West Adelaide Football Club Past Players & Officials. In 2024, I believe we have fulfilled that to the letter. Our first home game of the year we saw a great display of our clubs’ memorabilia. This was in association with our hard-working WAFC History Group & PP&O’s from the 70s.

May 25th, saw PP&O of the 90’s join us for our clash against North Adelaide which included Adam Richardson, Greg Mellor & 1995 Magarey Medallist Glen Kilpatrick. A special mention to Chris Barrett for his assistance in getting this group together. A total of 35 players joined us at the Presidents Luncheon & later in the Past Players room to watch the game. Sunday 23rd of June, saw PP&O from many eras attend the round 11 Presidents Lunch for our clash against Glenelg. Guest speakers were our last two Premiership Captains, Chris Schmidt and Ian Borchard. Sunday 7th of July we hosted a get together for the 30th Anniversary of our Reserve Premiership PP&O’s. It was combined with the Presidents lunch on the deck. This day would not have been possible without the great assistance we received from Craig Bennetts. All of these days that were held, go back to our principal purpose. We hope by holding these events we will give financial assistance to the club. We will continue to try to help the club by creating these days and by volunteering our time behind the PP&O’s bar.

Our second Principal Purpose:“Provide an area for those members to feel comfortable to socialise”. In this area, I believe we can improve. I promise by this time next year I can report a major improvement in all aspects of the WAFC Past Players & Officials.

In 2025, we will be celebrating the 10th Anniversary of our 2015 Premiership. On closing, I would like to thank the West Adelaide Football club, CEO Conny Wilson, President Emma Grigson, the Board and staff for their continued support. Thank you to our PP&O committee, Secretary Tony Davidson, Treasurer Mike Hamilton and committee members Troy Abbott, Robert Day and David Murray. To all the Past Players & Officials who made the time to join us throughout the year, thank You.

Bernie Conlen
Past Players & Officials President

Finance report

We have 101 financial Past Players and Officials members in 2024. This was an increase of 26 from 2023. We have made changes to our revenue streams this year. Raffles that the Past Players are involved with are now having the funds go directly to the WAFC operations. Our main revenue now is memberships and interest from our investment in the WAFC trust. We also appreciated the sponsorship of the Past Players by BL Shipway.

We made donations to WAFC operations this year of over \$6000. This did not include the volunteer labour of the Past Players assisting the club. Look forward to the new season in 2025. See you on match days.

Mike Hamilton
Honorary Treasurer

We lost some great people throughout season 2024, who have represented and served the West Adelaide Football Club so well. They will be remembered for their contribution to our great club.

The West Adelaide Football Club would like to acknowledge the passing of the following past players and officials. To all members of the West Adelaide community who have lost loved ones during the year, we extend our deepest sympathies.

Westonian Committee

President	Matthew Matschoss
Co Vice Presidents	Tiandra Tamiaans & Kristen Demetriou
Secretary	Richard Sellars
Treasurer	Dean Withers
Committee	Graeme Barton, Brett Taylor, David Price, Troy Abbott, Tony Davidson

It gives me great pleasure to reflect on the Westonians Coterie Group year. We have again had a record number of Westonians sign up. From the ranks of the Westonians members a committee of representatives is elected and formed. From the committee the positions on the board are elected and filled. From that I have been honoured to be elected President and have been honoured to work with an enthusiastic and hard working committee.

My incredibly passionate Vice President's Kristen & Tiandra, have been the back bone of the social organisation of our events. Richard Sellars is our ever vigilant Secretary. Dean our Treasurer has organised our finances with aplomb. I would like to heartily thank each every member of the committee for their continued support and the amount of time and effort they put into to making sure that Westonians are the preeminent coterie group in the SANFL.

We kicked off our fundraising this year with something a little different holding our race day in our country zone at Murray Bridge. We had great support from our Westonian members, sponsors, staff and players. It was a fun day with a great atmosphere, even if the lights went out a little early. A special thanks to Adelaide Galvanising Industries, Stewart Steel and the group that rallied to fund the Luke Jamieson Memorial Race.

During the Men's senior preseason the Westonians provided food and entertainment at Dean Withers home. Thanks to Dean & Sue for opening their house and the entire committee for pitching in to make the players social cricket day great fun.

Our match day raffles continue to do well, plus we mixed it up a bit with our mystery wine raffles. These were great successes, particularly with some donations of very good wine by our committee. A special mention to David Price for his continued efforts.

This year it was back to the late 70's and early 80's for our Studio 54 event. We had an incredible band, great support from the players and supporters and an incredible fun crowd. West Adelaide was definitely pumping that night. A special thanks to Ace It Couriers for their sponsorship that help make sure we could put on a great show that everyone enjoyed.

We have raised a great amount of money again for the club and helped them incredibly by self-financing the costs that go to presenting the catering and drinks at each home game. We gave \$10,000 at the start of the season. \$4,000 of that being earmarked for player performance monitoring equipment, the rest to support junior and women's programs. This is together with a further funding of the player caps, debut badges, for both men and women. Milestone recognition presentations, trophy donation and support of the History group.

Matthew Matschoss
Westonian President

Thank you also for the ongoing support of the Hall of Fame and West Adelaide Trust Committees

CHAMPIONS OF AUSTRALIA

- 1908, 1911

FOXTEL CUP CHAMPIONS

- 2013

In its early years and for many years after, the heartland and spiritual home of the West Adelaide Football Club was the West End of Adelaide. Much has changed since those early days, but one thing that has remained is the enduring contribution from this Club to the great game of Australian Rules Football.

A club with a colourful history, West Adelaide was formed in 1892. After winning two 'Parklands' Premierships, it was admitted to the SA Football Association (SANFL) in 1897. Since then, it has collected nine Premierships, including four in five years from 1908 to 1912 with two 'Champions of Australia' victories amongst them. Four Advertiser Cups were added between 1955 and 1962, the last leading to the club retaining the trophy. Two SANFL Cup Premierships in 1985 and 1987, and the first SANFL club to win the National Foxtel Cup Premiership in 2013.

Adam Richardson is four times Ken Farmer leading goalkicker medalist, and Peter Phipps in 1957. Roger Luders, in 1983, was our first player to kick 100 goals in a season.

Boasting 13 Magarey Medal winners and 138 League State Players, which for the first time includes 2 of our Women State League players, the Bloods also lay claim to some of the greatest names in SA Football history. Club legends like Dick Head, dual Magarey Medalist - Bruce McGregor, Neil Kerley and Brian Faehse left their mark across the code. The club holds the honour of having the first Bronlow Medal winner from SA in Bernie Smith. This award has since been won by former club players, Adam Cooney, Mark Ricciuto and Patrick Dangerfield.

All Australian Blazers have been worn by Jack Lynch, Stan Costello, Neil Kerley, Don Roach, Robert Day, Geoff Morris and Craig Williams. Bruce Lindner (1987-88), Mark Mickan (1988) also gained All Australian honours from State of Origin Carnivals.

A lot can be written and told about our abundance of colourful characters and their contribution to the club. The Club is proud to count as their own such individuals as Doug Thomas, Jack Broadstock, Fos Williams, Grantley Fielke, Tony Modra, Mark Mickan and Shaun Rehn, to name a few.

The recent year's addition of the Women's team is positively enhancing our club and we look forward to their continuing presence and contribution to our Club history.

Of course we are powerfully appreciative of our support workers, administrators, loyal members, and supporters whose contribution make up 'The West Adelaide Football Club'.
