SUPPORT OUR  VISION

JOIN THE CHEER SQUAD

The Central District Football Club plays a huge part in the local community. When you support the Club you are also supporting our local community ties, initiatives, junior development and the sport of Aussie Rules in our area.

CENTRAL DISTRICT YOUR CLUB

The Central District Football Club has always held a special place in the hearts of people north of Adelaide.

The Club's name was derived to represent a district, bringing together people from the fast growing and passionate football areas of Salisbury, Elizabeth, Gawler, Adelaide Plains, Barossa Valley and the Mid-North. The Club gave our entire area a team to follow in the SANFL competition.

Today, the Club represents and draws its local players from an area of Adelaide's north. Spanning from Salisbury and Golden Grove in suburbia, through to the Barossa Valley and the Kapunda & Light regions. Each season, our players represent this area of over 250,000+ residents with pride, on a state wide stage, and give their all for the reputation of "our patch".

Our passionate member base has always been the cornerstone of our Club culture.

SANFL IS REAL FOOTY

Played by real footballers that treat it as a game and passion – not as a job!

SANFL is the highest standard in SA other than the two professional AFL football teams. At SANFL footy you can stand with your mates, have a cheer and a beer, and kick the footy out on the oval with the kids.

SANFL footy also provides a great family friendly atmosphere. Set up a picnic, bring your deck chair, then sit back and enjoy with the family!

BEQUESTS

Increasingly, Sporting Clubs around Australia are setting up a means by which to facilitate those who want to make a bequest to the Club from his or her Estate.

A bequest (also known as a legacy) is a gift of money or property that you leave to your Football Club. This is achieved through the inclusion of the Central District Football Club as a beneficiary in the last Will and Testament ("Will") of the person making the bequest.

Without exception, a person with property and/or family should have a Will to ensure that their affairs are dealt with properly.

By having a properly drafted Will, one can avoid the confusion and unintended consequences that often arises over estate administration.

It's a surprising statistic that less than two-thirds of the Australian adult population have a valid Will.

Making a Will is easy and contributes positively to one's peace of mind because you'll know that your wishes will be honoured. It's your way of taking care of your family and others who are important to you.

Once you have ensured that you have taken care of your family, friends and loved ones you can also choose to benefit the Central District Football Club ("the Club").

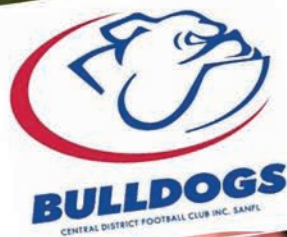

Your bequest to the Club can take a number of different forms:

- A percentage of the value of your Estate (to ensure other beneficiaries are not disadvantaged should circumstances change,
- The whole or part of the residue / balance of the Estate after you've made provision for family and other beneficiaries,
- A specified amount of money or property whether real or personal (please note that a specified amount of money will not appreciate over time.

To ensure that your wishes are clearly stated so as to be enforceable, you may wish to consider consulting a Solicitor or Trustee Company to prepare or amend your Will to insert a clause which provides for the Club.

The Club is not qualified or authorised to provide legal advice however if it assists, Club Solicitor, Steven M Clark of Steven M Clark lawyers at Gawler South will be happy to discuss your wishes and circumstances and to prepare your Will at no cost to you providing you benefit the Club in your Will.

If you wish to enquire about making a bequest to the Club, please feel free to contact Steven M Clark on (08) 8522 6025/0411 622 133 or by email to smclark@stevenmclark.com.au
