Player Calcutta Auction

Central District Football Club

2021 PLAYER CALCUTTA AUCTION

**HAVE SOME FUN.
GET INVOLVED.
WIN IN SEASON 2021!**

One of the Club's most popular events is the Player Calcutta where you can win cash on your favourite player's on-field performances throughout the season.

HOW IT WORKS:

The League and Reserve Squads are divided into 20 groups, each containing between three and four players.

These groups will be auctioned to the highest bidder. The winning bidder of each group will then 'own' the group for the entire 2021 Home & Away Season.

Cash prizes will then be returned to the 'owners' based on the players performances throughout the season in both League and Reserves grades.

There are 18 minor round matches in which you have a chance to **WIN!!!**

Guaranteed Payment Schedule for 2021

CDFC League Best Player = **\$500**

CDFC Reserves Best Player = **\$250**

* As chosen by the Coaches *

Groups generally sell for approx \$800 - \$2000 each.

Why not get a syndicate together?

You only need 2 x League 'best player awards' from one of your players (3 - 4 players per Calcutta group) to get your money back.

Anything above that - eg: another League Best Player (\$500) or two Reserves BP's (\$250 x 2) - is cash in your pocket!

Outside of that, any amount is seen as a donation to the Central District Football Club's fundraising efforts.

To purchase a group you must either be in attendance,
or have a bidder present on your behalf, at the
**Central District v North Home Match luncheon
on Friday 2nd April**

**The function will begin at 11:00am SHARP in the
Function Room at Grand Central.**

Tickets are just \$65 per person which includes a
2 course meal, drinks package,
Official President's address and the live auctioning of our
2021 Player Calcutta groups.

Why not come along and join in the fun!

**Can't make it to the luncheon?
Contact the Club on 8255 2555
to arrange a bidder or syndicate.**

WHO CASTS THE VOTES...?

Upon the conclusion of each Reserves and League match, the respective coaches will cast their votes as to whom they deem to be the best player afield for that particular match.

Votes are only cast for each round of the 2021 SANFL Statewide Super League Home & Away Season. Finals are not included.

League voting is determined by Paul Thomas (CDFC League Coach)

Reserves voting is determined by Mark Watts (CDFC Reserves Coach)
