

CENTRAL DISTRICT FOOTBALL CLUB

2022 PLAYER CALCUTTA

HAVE SOME FUN. GET INVOLVED.
WIN IN SEASON 2022!

One of the Club's most popular events is the Player Calcutta where you can win cash on your favourite player's on-field performances throughout the season.

HOW IT WORKS:

The League and Reserve Squads are divided into 20 groups, each containing between three and four players.

These groups will be auctioned to the highest bidder. The winning bidder of each group will then 'own' the group for the entire 2022 Home & Away Season.

Cash prizes will then be returned to the 'owners' based on the players performances throughout the season in both League and Reserves grades.

There are 18 minor round matches in which you have a chance to **WIN!!!**
