# Independent Audit Report to the members of Woodville West Torrens Football Club Inc

# Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Woodville West Torrens Football Club, which comprises the statement of financial position as at 31 October 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the statement by the members of the board.

In our opinion, the financial report gives a true and fair view of the financial position of Woodville West Torrens Football Club as of 31 October 2023, and of its financial performance and its cash flows for the year then ended in accordance with accounting policies described in Note 1 to the financial statements and the *Associations Incorporation Act (SA) 1985*.

# **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for distribution to members for the purpose of fulfilling the Board's financial reporting obligations under the *Associations Incorporation Act (SA) 1985*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

# Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act (SA) 1985*, and for such internal control as the Board and management determines is necessary to enable the

preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at <u>http://www.auasb.gov.au/Home.aspx</u>. This description forms part of our auditor's report.

DAVID FRANCIS PARTNER

Dated at Adelaide this 22<sup>nd</sup> day of December 2023.

Statement by Members of the Board

The directors of the board are responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 1985 (SA) and is appropriate to meet the needs of the members.

The board's responsibility also includes such internal controls as the board members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

At the date of this statement, there are reasonable grounds to believe that the Woodville West Torrens Football Club Inc. will be able to pay its debts as and when they fall due.

Since the end of the previous financial year, no officer or firm in which an officer is a member and no body corporate in which an officer has a substantial financial interest, has received or become entitled to receive a benefit either directly or indirectly from the Woodville West Torrens Football Club Inc. as a result of a contract between the officer, firm, or body corporate and the Woodville West Torrens Football Club Inc.

Since the end of the previous financial year, no officer of the Woodville West Torrens Football Club Inc., has received directly or indirectly from the Club any payment or other benefit of pecuniary value other than disclosed amounts shown in Note 8.

Signed in accordance with a resolution of the Board of Directors.

Dated at Woodville South, this 22<sup>nd</sup> day of December 2023.

# NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 October 2023

#### Note 1: Summary of Significant Accounting Policies

The financial statements cover the Woodville West Torrens Football Club Inc. as an individual entity. The financial statements were authorised for issue on 22<sup>nd</sup> December 2023 by the Board of Directors.

#### **Basis of Preparation**

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (SA) 1985. The committee has determined that the association (the Club) is not a reporting entity.

No Australian Accounting Standards have mandatory applicability and Australian Accounting Interpretations are also not applicable. The Club has however adopted the recognition and measurement requirements of the Australian Accounting Standards unless otherwise stated. The Club is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

## **Accounting Policies**

#### a. Income Tax

The Woodville West Torrens Football Club Inc. is a sporting association and is exempt from Income Tax by virtue of section 50 - 45 of the Income Tax Assessment Act 1997.

#### b. Inventories on Hand

Inventories held for sale are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification base and include direct costs.

Inventories held for distribution are measured at the lower of cost and current replacement cost. Inventories acquired at no cost or for nominal consideration are measured at the current replacement as at the date of acquisition.

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset.

#### c. Plant and Equipment

Plant and equipment is carried at cost or fair value as indicated less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

#### Note 1: Summary of Significant Accounting Policies (cont'd)

#### c. Property, Plant and Equipment (cont'd)

#### Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised leased assets, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is available for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Leasehold buildings	4%
Freehold Buildings	25%
Plant and equipment	10%-33%
Motor Vehicles	20%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. Leasehold improvement is depreciated on the basis of the expected lease term.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

#### d. Leases

At inception of a contract, the Club assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Club has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Club has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

#### Right-of-use asset

At the lease commencement, the Club recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Club believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

#### Note 1: Summary of Significant Accounting Policies (cont'd)

#### d. Lease (cont'd)

#### Lease liability

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then Club's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in Club's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### Adoption of short term leases or low value asset exception

The Club has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Club recognises the payments associated with these leases as an expense on a straight line basis over the lease term.

#### e. Impairment of Assets

At the end of each reporting period, the Club assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of that asset, being the higher of the asset's fair value less costs to sell and its value-in-use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is immediately recognised in profit or loss, unless the asset is carried at a revalued amount. Any impairment loss of a revalued asset is treated as a revaluation decrease.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

#### f. Employee Provisions

Provision is made for the Club's liability for annual and long service leave arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled. Long service leave is recognised after 7 years of completed service. This policy is not consistent with the measurement rules for Australian Accounting Standard AASB 119 Employee Benefits, which requires the provision for long service leave to be measured at the present value of expected future payments.

#### g. Cash and Cash Equivalents

Cash and Cash Equivalents includes cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

#### h. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members with amounts on account as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

# NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 October 2023

#### Note 1: Summary of Significant Accounting Policies (cont'd)

#### **I** Revenue and Other Income

Revenue from subscriptions from members and sponsors and the rendering of a service or the sale of goods is recognised upon the delivery of the service or receipt of goods to the customer.

Grants are recognised at fair value where there is reasonable assurance that the grant will be received and can be reliably measured. Grants that contain sufficiently specific performance obligations are recorded as liabilities on the Statement of Financial Position and the revenue is recognised as the performance obligations are met.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax.

#### j. Borrowing Costs

Borrowing costs are recognised in profit or loss in the period in which they are incurred.

#### k. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST receivable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### I. Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Club during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### m. Provisions

Provisions are recognised when the Club has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

# Note 2 Cash and Cash equivalents

#### **Reconciliation of cash**

Cash at the end of the financial year as shown in the statement of Cash flows is reconciled to items in the statement of financial position as follows:

The WWTFC owed \$50,000 to the City of Port Adelaide Enfield for the development of the Eastern Parade Facility. An agreement has been put in place with the Council that the WWTFC will pay \$5,000 in 2023 (which has occurred) and will then pay \$15,000 for the next 3 financial years. This is not included in the Balance Sheet as a liability.
