PRESIDENT'S REPORT

Season 2023 was certainly one of great change where we bid farewell to some and welcomed others. In May we said farewell to David Couzner after 8 years on the Board as Football and League Director. David was voted onto the SANFL Commission, meaning that all SANFL Clubs could benefit from his knowledge and expertise. On 14th June, Luke Powell announced that he would be resigning his position as CEO on 30th September, to spend more time with his 3 very energetic boys. We sincerely thank Luke for his hard work, commitment and passion for the Club both as CEO and a player and we wish Luke, Lisa, Mason, Syd and Lenny all the very best for the future. Luke has since been voted onto the SANFL Commission. His knowledge of SANFL football both from a player and administrator's perspective will be invaluable to the League.

On 1st August Jade Sheedy announced that he would be leaving his position as coach of the Men's League side at the season's end. The Club expresses its gratitude to Jade for his dedication, commitment, and professionalism in establishing and leading an exceptional football program over the past four years. Under Jade's leadership, the WWTFC achieved back-to-back SANFL Premierships in 2020 and 2021, and an impressive fourteen players have been drafted to the AFL within the last four years. The Club would also like to thank Jade's family, Kelly, Ava, Will, and Max, for their unwavering support of Jade's involvement with the WWTFC.

The end of season 2023 also saw Matt Knight leave the Club after having coached the Development Team to a Preliminary final. Thank you to Matt for his involvement in the Club in both the Men's and the Women's programs and we wish him and Stacey all the very best in their new ventures.

The vacating of these positions provided opportunities to welcome others into these very important roles. On 27th July, David Couzner took up the position of CEO. David clearly understands the WWTFC football community, the SANFL landscape and the vision and strategic direction of the Club. This, together with his strong commercial and corporate governance, marketing and sponsorship knowledge, community and social engagement, and local, state and federal government relations ensure that David 'hit the ground running'. Since rejoining the team David has been instrumental and driven the signing of players (both men's and women's), secured employment and housing where necessary, the appointment of a new League coach, worked with the football department to secure the services of all other coaches, been a constant driver to get the changerooms completed prior to season 2024, purchased the Trophy Cabinet in the foyer, upgrades throughout the administration area and the function room, installation of the new carpet in the Eagles Function Room and Eastern Parade function room, liaised with the City of Port Adelaide Enfield Council for further upgrades to Eastern Parade, and secured the upgrade of the Percy Fox away changerooms commencing July 2024 which is being fully funded by the City of Charles Sturt Council. This is in addition to the normal running of the Club and liaising with SANFL and the SANFL Commission. As a Club, we are extremely fortunate to have David at the helm of the Club. His commitment, passion and engagement of everyone involved in the Club is outstanding and appreciated by all.

On 5th October Sam Jacobs was announced as the new Men's Senior Coach along with Gavin Colville as an Assistant Senior Coach. A massive thank you to the Coaching Selection Committee for their hard work and we welcome Sam, his wife Isabella, and their 3 girls, Imogen, Alba and Willow. It is wonderful to welcome both Sam and Gavin back to the Club and we look forward to see what the future holds under their leadership.

Congratulations to Narelle Smith on her reappointment as coach of the WWTFC women's program. Although the results may not always be visible, those involved in the program would have observed Narelle's positive influence on the young women and their personal development and football skills. The Club is thrilled to have retained Narelle and looks forward to a successful 2024 SANFLW season.

The WWTFC Wheelchair team again secured a spot in the Grand Final against Sturt. Unfortunately Sturt were too good on the night but we are looking forward to what season 2024 will bring for these very talented athletes.

A sincere thank you to all the WWTFC and Eagles staff. We are a small but a very talented and professional team of people completely committed to ensuring the Club continues to grow and thrive and be the best Club in the SANFL. A special thank you to Kelli Pearce, Sam Conlon and the game-day staff and volunteers who operated all year under less than ideal conditions with the renovations.

PRESIDENT'S REPORT (Cont'd)

Thank you also to my fellow Board members always striving to ensure the Club is the best it can be both on and off field.

The Club was extremely fortunate in being bequeathed a sum of money by our long time supporter and member Barbara Stephens. Her generosity and thoughtfulness has enabled us to undertake the additions and renovations to the administrative and function areas. A special thanks goes to Ben Ielasi and Anthony Marafioti who have been feverishly working on the renovations in the Administration area and the Champions Bar.

Lastly, and most importantly thank you to are amazing sponsors, members, volunteers and supporters. You are the backbone of our Club and we value your continued support.

I hope everyone has a wonderful and a safe Christmas and New Year and we look forward to season 2024 for all of our teams. I cannot wait to see what other milestones we can achieve in the coming season.

Go the Eagles!!!!

MEMBERSHIP & PAST PLAYERS REPORT

After 4 years at the helm, we bid a sad farewell to Jade Sheedy who has stepped down from his role as Senior Coach. We wish him well in his future endeavours and thank him for 2 wonderful Premierships in his time at the Club.

Congratulations to our Reserves and Under 18's who flew the flag for our Club in this year's finals series. The Under 18's bowed out in their first final with the Reserves making it through to the Preliminary Final, unfortunately losing to Sturt. These results show the great depth we have with the young players coming through the ranks and holds the Club in good stead for the future.

Our Women's team continues to be well supported with many of our members paying \$20 on top of their existing Club membership fees to help assist with the running costs associated with putting the team on the field each week. Senior Coach Narelle Smith has continued to see a vast improvement across all areas and we look forward to seeing the teams continue to develop.

This year we offered an extra incentive for our Vice Presidents Group, with members going in the draw to win 2 tickets to the Magarey Medal night at Adelaide Oval. This was won by 1st time VP Chris Carter, who took his wife along for a special night out. Chris informed us they had a wonderful time and were grateful for the opportunity to experience the SANFL night of nights. This will be an ongoing item offered in future, which is another great reason to upgrade to being a VP, besides the wonderful value this membership package already offers.

Our Past Players functions continue to be well attended with the group watching one game from upstairs in the Eagles Function Centre, another where all PPO members were invited to a home match luncheon prior to the main game and the final show was held in the Woodville Cricket Club. All functions are free of charge for current PPO members, with food and drinks provided throughout the game, so you can appreciate the excellent value this membership category offers to PPO members. I would like to take this opportunity to thank our PPO Golden Eagle fundraising group for their ongoing generous contributions, which go towards helping our Junior Player Development Programs. The Past Players & Officials Group also sponsor a trophy at the Club Champion night. Also, a big thank you to Chook Barratt and Chris Parker, who continue to assist me with running the PPO shows on the day.

For the second year running the Club played host to the "Old Eagles" group run by John Graham and Peter Jeffery, where a group of Past Players, Officials and supporters of the old West Torrens get together 3 times a year for lunch and listen to some wonderful guest speakers. Each luncheon is very well attended by around 150-200 people and we are very grateful to be able to continue building on this relationship.

We managed to finish Season 2023 with 2292 members with 152 of these being new members and sponsors. This is a good result but we would like to continue to build on this number each year and especially try to introduce more junior members to the Club.

In closing, I would like to encourage everyone to get behind the Mighty Eagles in 2024 and renew/take out a membership as we strive to get back to the top of the ladder. Thank you for your continued and loyal support, as Membership is a vital part of our Club's financial stability.

BUSINESS DEVELOPMENT & MARKETING REPORT

The 2023 season had a different look for our football programs, with the start of the renovations of the change rooms impacting the fixture throughout the season. This did not stop us continuing to offer meaningful match day experiences such as the 1993 Premiership reunion and the Eagles ladies' day. Both events were hugely successful and well attended.

The Woodville West Torrens Football Club continues to seek new corporate initiatives to attract new commercial partners and continues to create a corporate environment that businesses want to be part of. This year the WWTFC launched a new corporate brand called Eagles Corporate Connect (ECC). The Eagles Corporate Connect is specifically designed to allow businesses the opportunity to connect with other ECC members and Corporate Partners within the Woodville West Torrens Football Club network and develop meaningful relationships that will assist their business objectives. Eagles Radio continued in 2023 and is now in its third year. Eagles Radio is a partnership in collaboration with aligned Commercial Partners who are existing Eagles Partners and runs for the full SANFL minor round season. This opportunity enables our Club to connect with our members, fans and supporters keeping them updated with Eagles footy news, with entertaining and informative guests from all the Club programs, including past players. Another exciting initiative that was launched during the year was Eagles Rewards – members benefits. This rewards program is very beneficial for our members and the club's commercial partners.

Our social media exposure continues to grow as we look to engage fans and grow our Clubs profile, capturing diverse demographics, whilst also growing our commercial exposure in the business community. Initiatives like the Eagles Rewards – members benefits program also offers our partners an opportunity to reach our members and supporters offering great deals, this is something also we acknowledge is of great value to our members and also saving them money when shopping online.

I am pleased to say that our club continues to provide meaningful functions to our members, and Corporate Partners through our home match lunches. Our Commercial Partners continue to be strong and I'm pleased to say that we manage to continue to have our major partners want to continue their support, and now have partners such as Barry Stoodley PTY LTD, Maughan Thiem KIA and incredible Smiles as a partner for over 10 years. It is also very pleasing that we have also attracted new partners to our club that have included some businesses committed to our Eagles Wheelchair team, men's and women's programs. We are focused to continually provide meaningful networking events through the year that sees on average 35 businesses attend.

Once again, the Eagles family day carnival was a great success with over 3,800 people attending through the gate, with over 58 junior teams participating in the carnival and over 15 partner exhibitors which were all well received by the families attending. This year we also had the SANFL Super Round which created more activities for the families that attended. Once again, the carnival was concluded by the Adelaide Crows V WWTFC game. Our Family area during the year was for the first time supported by the Hospital Research Foundation with dedicated kids match day activities and programs throughout the SANFL season.

I would urge all members and supporters to support the commercial partners who support your Club. Additionally, if your organisation would like to join our corporate community, please contact the Club and we can tailor a package that will be mutually beneficial to both parties.

Once again, a big thankyou to our corporate partners in 2023 for their terrific support throughout the year. To our members and supporters, thank you for your continued support throughout the season, I look forward to seeing you all cheering on the mighty Eagles again in 2024.

WOMEN'S SENIOR COACH'S REPORT

The WWTFC Women's program kicked off in October 2022 for the SANFLW 2023 Season. We set our sights on pushing up the ladder and the preparation left no stone unturned. The Eagles SANFLW athletes worked incredibly hard to build the athletic profile of the squad and the results were evident as we embarked on our season.

Our season opened against Centrals (the eventual premiers) where we kicked off with a 13 point loss, played some good football and came away not buoyed but not deflated. Round 2 saw us let one get away with an 8 point loss to Glenelg. Round 3 saw a lapse of concentration for a quarter and a half and saw North pile on 8 goals to give us our worse loss for the year.

Going into the break we were 0-3 and we would suffer another loss in Round 4 against an AFLW topped up Norwood. Our first win came in Round 5 against West the eventual wooden spooners and we finally got some offensive connection which was pleasing. Round 6 saw us return to Oval Avenue and get blown off the park by a rampaging Sturt and suffered our second 10 goal loss. This was the last of our inconsistent play and from this half way point of the season we certainly settled and competed with all the teams and played better football. The hard cold fact is when you start the season 1-5 it is a hard road to have any chance to play finals. As a program we re-assessed our season goals and fell back to the old football cliché of one week at a time.

Round 7 saw us play against South at Oval Avenue on Easter Thursday and the conditions were horrendous which saw our lowest score for the season. We led all night until a lapse in concentration saw us give away a 25m penalty to give the opposition a 2 point lead. Then some creative game delays by the opposition saw the game slip away and we were left feeling flat with a game that got away. South went on to play in a Grand Final showing we can compete with the top teams.

Round 8 marks the blue print of how the Eagles SANFLW teams want to play. Coming up against the Bays it was evident from the first bounce we had come to play. Playing a 4 quarter game of high level football we won by a convincing 23 points.

The challenges kept presenting as we then came crashing down with a draw against West, 8 point loss against Norwood and 19 point loss against Centrals in Rounds 9, 10 and 11. During this time we played some good football but had moments where we lacked concentration and focus. Another area of growth for us is to put sides away when we get the chance which will be a major focus area for the whole of the program moving forward. Our final match against North was a fitting way to finish our season with an 8 point win and we showed that we are a side to be watched and not far off some success.

In Season 2023 the Eagles Senior Women's program had its best win record with 3 wins 1 draw. It is pleasing to report the majority of our list committed immediately following the season end which is reflective of the playing group's desire for some finals action. We thank the Club as a whole, which is overtly supportive of the women's program and can't wait to once again do the hard yards during the warmer months to best prepare to continue to flip the win / loss ratio and taste some finals.

WOMEN'S DEVELOPMENT COACH'S REPORT

The Woodville West Torrens Football Club development league season started in October alongside the league team. Training together through the entire season is a highlight of our program with players feeling included within the program to strive for opportunities in League and beyond. The ultimate goal for the season was to be the first team to win the Development League Premiership with playing in the Grand Final firmly in our sights.

The season started well with a big win over Centrals. We were playing cohesive football and capitalised on scoring opportunities. Playing against Glenelg gave us a 44 point loss and we took a lot of learnings out of this game. Confidence was shaking a little but we understood the importance of staying focused and being able to stay calm under pressure.

In round three, we bounced back with a strong win over North. We were able to apply pressure keeping North goalless with only two points for the game.

With the two wins that had us sitting high on the ladder, which gave us confidence to keep driving for the goal of finishing in the top two. With the season, only being seven rounds, it places an emphasis on each win's importance. With this in mind, we headed into the game against Norwood (eventual Grand Finalists) to have a top of the table showdown at Norwood Oval for the indigenous round. The game was a nail-biter. We didn't start as well as we would've liked and found ourselves chasing Norwood. The players found another level and chased down the lead applying pressure until the final siren, only going down by three points.

Although we were disappointed with the last week's loss, we were able to turn it around and beat West by nine points the following week. In round six against Sturt (third position), we found ourselves in a position just outside the top two and fighting to keep our season alive. Again, we lost by three points missing a few important opportunities in front of goal causing us to fall to fourth position and the Grand Final potentially out of reach.

In the final game of the season we were competitive for the first half of the game, but ultimately missed goal opportunities which proved costly with South (Premier's of the development league) using their League experience to their advantage.

In closing, in the 2023 Development League season we achieved the goals of players taking their opportunity at league level. However, we did not reach our ultimate goal of playing in the grand final and being the first Development League Premier's.

The club has been an amazing support of the Development League program. We are excited to start the 2024 season and take the next step of playing in the Grand Final.

SENIOR MEN'S COACH'S REPORT

The 2022 / 2023 pre-season looked a little different for us. We based the pre-season on hard work and trying to grow the group and create more leaders inside our footy club.

It started with having 8 Independent Development Program groups that would catch up every month and then have to present in front of the playing group.

The senior men's program was in a real transition period, and although we had recruited well, getting James Rowe, Zane Williams, Max Beattie, Josh Mawson & David Brinker Ritchie to the program, we were focused on trying to find our next premiership team and to make sure these players had some consistency playing together.

Throughout the year, the senior men's program definitely had its up and downs and at times playing a team with 12 plus players with less than 10 games of SANFL footy.

We saw Mitch Hardie get drafted mid season....what a great story from a great team man who always worked hard and had the football club at heart.

We saw our Captain Joe Sinor take the lead in the State game playing Western Australia and James Rowe take out the Fos Williams, best on ground medal. Congratulations also to Connor Ballenden and Mitch Hardie for doing the State proud.

In addition, congratulations to Joe Sinor and James Rowe for making the SANFL Team of the Year and to James Rowe for winning the Perce Johns Best and Fairest award.

We had another 11 debutants, making it around 40 in total in 4 years at our Footy Club.

Congratulations to James Rowe and Kai Pudney on reaching 50 league games.

Congratulations to Matt Knight and the Development Team on making the preliminary final, this shows what great young kids we have coming through and during the finals series we had up to 20 local kids playing in the Development Team.

Also to Shane Reardon for the tireless work he has done with the juniors at our Club. Shane is always there to help the kids develop and has also been great for a lot of our senior coaches in helping them to further develop their craft.

On a personal note, a big thank you to everyone involved in this great club, myself and my young family have loved every step of the journey.

We now look forward to watching this young group come through and have sustained success in the coming years.

Forever an Eagle

Love Sheeds

RESERVES COACH'S REPORT 2023

What a fantastic season for our development group, with most of our squad being aged 18-20 years. It was great to see the boys coming in to do their first preseason or returning for their second preseason putting up their best times, with all of our young boys running personal best times by the end of the strong preseason block. The season started with a tough loss against Norwood going down by under a goal. This was a sign of things to come with us playing in many close scoring games by season's end. It was exciting to see players get rewarded and earn league games throughout the season with strong performances in the development which is exciting for the Club's future.

Also, exciting for the Club's future was the number of under 18's players who made their senior debut this year. Unfortunately, due to a number of long-term injuries we did have to bring players up from the under 18's and I thank Shane Reardon for his support with this and the last minute phone calls to replace a late out. These boys all came up and played extremely well with players like Brody Mair and Patrick Weckert playing the majority of the season with us in the development squad with Patrick also playing League football. In our preliminary final team we featured 7 under 18's players who all had great moments throughout the day.

We managed to scrape into the finals on percentage and thanks to a Patrick Weckert point which he head butted through in the dying seconds of our first final victory over South Adelaide we were able to reach a preliminary final where we played an extremely strong Sturt. The group were fantastic and gave it everything they had but unfortunately we couldn't get the job done after a brilliant first quarter. This finals campaign was a great experience for this young group and is going to hold them in good stead moving forward next year with the ability to push for a Grand Final berth as well as seeing more of these boys make their league debuts.

I would like to congratulate Jade Sheedy on an outstanding tenure at the Football Club, he is someone who always sees the best in people and I can't be more thankful for the opportunities he and the Club have provided me since coming over 3 years ago. I would also like to thank my assistant coaches and support staff Todd Lamont, Clay Whenan, Shane Hancock, Ryleigh Craig, Ned Heath and all our support crew that help out behind the scenes for their support and friendship over the years.

I have loved my time at the Eagles and look forward to being able to watch the group from the other side of the fence. I would like to thank Luke Powell, Chrstine Williams, David Couzner and the board for the opportunity to coach our development squad and work at the Football Club I have had the time of my life, and I wish Sam Jacobs and Shane Hancock and everyone involved all the best for season 2024.

COACH'S REPORT – UNDER 18's

The Under 18s had another strong season, finishing 3rd on the premiership table after 18 minor rounds and then losing our first semi-final to one of the eventual grand finalists Sturt. We won 11 games in an incredibly even competition, missing out on top spot by just 1 game - in fact we played off for top spot in Round 18, losing by just 4 points.

The Centre of Excellence continued to fulfill its charter by developing players and preparing them to play senior footy. A few of our highlights included:

- Pat Weckert continuing his League career after debuting last year and Kade Herbert debuting in League football Rd 14 and playing the last 5 games
- Fifteen players playing Reserves football –Pat Weckert, Callum Fairall, Brody Mair, Pat Toole, Jake Andrews, Archie Charles, Darcy Hudson, Seb Menta as under 18s and Under 17s Isaac Edwards, Jett Hasting, Tate Delmenico, Kade Herbert, Harry Dodd, Tyler Welsh and Charlie West.
- Six players from the Under 18s played for the SA Under 18 team –Pat Weckert, Callum Fairall, Pat Toole, Kade Herbert, Tyler Welsh and Tom Luck. Rome Burgoyne was selected in the final squad but was unable to play due to injury.
- Pat Weckert was invited to the SA AFL Combine
- Tyler Welsh, Tom Luck and Rome Burgoyne were selected to play in the AFL Futures match on AFL Grand Final Day at the MCG
- Rome Burgoyne, Tate Delmenico, Jett Hasting, Harry Dodd, Tyler Welsh, Kade Herbert, Tom Luck and Charlie West have all been selected to be part of the SA Under 18 Academy for 2024.
- Pat Toole (Rd 1) Kade Herbert (Rd 5) and Darcy Hudson (Rd 15) were selected as the Torrens University MVP for their performances in those rounds.
- 48 players got the opportunity to play in the Under 18s team during the year and congratulations to all our trophy winners for the 2023 year.

Our coaching staff continue to provide great support for the players and myself - Dean Kerrison, Dave Mazey, Mark Furler, Dan Conley, Zach Schwarz consistently showed their professionalism and care for the boys and their development.

The Medical and Conditioning staff at our Club are exceptional and ensure we have players who are fit in every way. We are very fortunate to have their advice and practical assistance for the players and coaches and they go out of their way to help us.

Our team manager Kym Matthew continued to do an outstanding job ensuring that match day ran smoothly. All our support staff do great jobs and make our environment a healthy and professional one.

Darren Hams as our Talent Manager shows his professionalism, diligence and work ethic in everything he does and the care he shows for the players and staff is much appreciated.

Thanks to Luke Powell for his support over many years and I wish him all the best in his business and his new role as a Commissioner. Dave Couzner has stepped up to the CEO role and continues to provide that much appreciated interest and support, Jade Sheedy and Matt Knight were great to work with during the year - Jade's support for the CoE program was very strong and it was a very enjoyable experience working closely with him this year. I wish him all the best in his future endeavours. I am looking forward to working closely with Sam Jacobs in the coming year.

My wife Sharon and my family provided fantastic support throughout the year and that support allows me to devote time to and pursue my coaching.

Finally thank you to all the players who were part of 2023 – as I said to them after the Semi Final loss, whilst I was disappointed for them, I wasn't at all disappointed with the effort they gave. I am sure they will get a lot out of all the experiences they had during this season. They were a great group to work with and some great football achievements await them I am sure.

I look forward to 2024 and continuing to play a part in ensuring the Eagles remain a successful SANFL Club.

COACH'S REPORT - UNDER 16's

With a new group of Under 16 players in 2023, they hit the training track with lots of enthusiasm at our new pre-season training venue Ocean View College at Taperoo. 59 players attended pre-season with a squad of 54 decided upon at the end of February.

51 players got the opportunity to represent the Eagles in the best Under 16 competition in the State. From those 51 players who put on the Blue, Green and Gold guernsey in 2023, 18 were from our country zone who make enormous sacrifices in travelling and 33 were from our Metropolitan Zone.

With trials against North and South on two occasions, we were looking forward to Round 1. To sum up 2023 I would say it was a good learning curb for many players as to the consistency of performance the players needed to bring on a weekly basis. Our best was good enough as, along the way, we were able to beat Centrals and Sturt who eventually played in the Under 16 Grand Final this year. Winning 8 games and with only one win outside playing finals, I feel the players have a greater understanding of the standards they need to bring in playing SANFL Football.

Players have the easy job, turning up to play the game we love. A big thank you to our Under 16 coaching group - Tony Calio – Midfield, Kym Markwick – Forwards, Wayne Prideaux – Back Line, Liam Galanti – Strength & Conditioning & Runner and Jamie Allen bench and Team Manager - who do a fantastic job in developing the players.

Congratulations to Jack Cook, Logan Hughes, Brock Jamieson, Jevan Phillipou and Lachlan Sands on making the Under 16 State Squad in 2023.

Our medical and support staff is revered throughout the competition and provides fantastic support to the players involved. Physiotherapists – Lachlan Hall & Jack Foster from Leading Edge, the care and support they give to the players is first class. Thank you to our trainers Anthony Moyle, Taylah Searle, Cooper James, Clodagh Barry, Ella Roberts and Jayson Bartolo. A special thanks to Mike Whinnen and Emma Moore for their support to our Junior Programs.

Thank you to Phil Herraman, for his tireless efforts on doing duties that a lot take for granted, and to Tyler Moore for helping to run water to the players.

Congratulations to the six players who made their League Debut this year from our CoE Program. Lukas Cooke, Adam D'Aloia, Harrison Dawkins, Kade Herbert, Sam Nicholls and Jay Watson.

Thank you to Jade Sheedy for all his support over the past four years, and we wish Jade and his family all the best for the future, as we welcome Sam Jacobs in continuing to make the Club a great one. Thank you to Shane Reardon for all his dedication in preparing players to become League Footballers.

Many thanks to Luke Powell for his support over the journey, wishing Luke, Lisa and Family all the best. To Dave Couzner our incoming CEO who has hit the ground running.

To Christine Williams and the Board for all their support towards, not only our Junior Teams, but also to our Leagues within our Zone.

In closing, a huge thank you to all the parents in supporting your sons through the highs and lows, as well as transporting them many kilometres throughout the year to give them the opportunity to play SANFL Football. To all the players, hopefully you have benefited from being involved and I look forward to following your progress throughout 2024.

FOOTBALL DEVELOPMENT REPORT**MALE – U13, U14, U15 & U17**

The U13, U14 & U15 Metropolitan Squads began in April with a six week selection period. All squads were reduced to 35 players. The U13 and 14's played 6 games throughout May, June & July against South, West, Glenelg, Centrals and Norwood. All players experienced the standards required for SANFL football. Many thanks to Wayne Prideaux, Dave Mazey and Nate Remphrey who coached the Under 14's and to Josh Hunt, Michael Fenney and Darren Hams who coached the Under 13 Squad.

The Under 15 Metropolitan Squad which culminates into an U15 Carnival in July as does the Under 15 Country Squad played a Country v Metro game along with games against Centrals and Glenelg in the lead up to the Under 15 Carnival.

Whilst the Country Team didn't win a game during the Carnival, playing against Norwood, West and South they were very competitive with thanks to Darren Longbottom (Coach) and his Assistant Hayden Battle and to the Balaklava Football Club who allowed the U15 boys train on their oval in the leadup to the Carnival.

The Under 15 Metropolitan Team also played Norwood, West and South had a successful carnival winning its three games. Thanks to Simon Madden and his assistants Jake Lynch, Todd Smitham and Brad Williams. Our Country & Metropolitan Under 15 Teams form the nucleus of our Under 16 Team, therefore we look forward to following their development.

The Under 17 Youth Program gives opportunity for players to be identified for our Under 18 program. Coached by Mark Furler, Dean Kerrison and Tony Calio with games against West during April and Norwood in the July school holidays it gives the opportunity for Under 17 players to perform against other talented Under 17 players and elevate them into our Under 18 program.

FEMALE U15 & U17

Our Under 15 & 17 Female Programs began during the July School Holidays, with an 8 week selection period. 30 girls in the Under 17s and 35 for the Under 15s were selected to represent the Eagles and play in a six game program that included three consecutive games during the Carnival in the October School Holidays.

Pre-carnival games against North, West and Centrals gave Andy Hood – Under 17 Coach and Tracy Marks – Under 15 Coach the opportunity for all players to perform against other talented female footballers the same age.

The Carnival brought games against Glenelg, West and South Adelaide. The Under 15's had a win against West, a 1 point loss to Glenelg and South were too good for us down at Noarlunga winning by 4 goals. Thank you to Tracy Marks, Annalese Dunbar and Chanel Rugari, her assistants, as well as Brooklyn Kraft who helped out at training.

The Under 17 group registered two wins for the week, against West and South, Glenelg were too good on day one to win by 4 goals. Thanks to Andy Hood, Sophie Zuill, Poppy Waterford and numerous SANFLW players who supported our next generation of Female Footballers.

In closing I would like to make a special mention and thanks to Mike Whinnen and Emma Moore for their support and professionalism of our Future League Players.

PARTICIPATION REPORT

Participation plays an important role within an SANFL Club, ensuring the game remains vibrant at the grass roots level along with creating community links and promotion of the Woodville West Torrens Football Club.

Chantelle Mitchell and Mikayla Kafi were employed by the SANFL as Development Trainees for 2023 to support Scott Biddle the SANFL's Zone Development Leader to deliver Participation Programs throughout our Metropolitan Zone for young children to engage in football.

Todd Thorne and Will Schultz promote the Eagles brand in our country zone as our Game Development Coordinators, supporting Country Clubs, Schools and Communities in football. Todd works closely with the Adelaide Plains and North Eastern Football Leagues, whilst Will works with the Yorke Peninsula Football league. Both Will and Todd do a fantastic job in ensuring football remains vibrant and the Eagles are at the forefront throughout our Country Zones.

AUSKICK

Auskick gives young children of the ages 5 to 7 a football experience before entering the playing arena with a club or school. This year in our Metropolitan area 760 participants participated in Auskick spread across 23 Centres with an 18% increase in Female attendance.

Our Country Regions don't have the population growth of the Metro area, therefore numbers seem to remain similar from year to year. On the Yorke Peninsula this year 270 children participated in the Auskick Program across the 12 Centres. This year the Yorke Peninsula Football League along with Will created an Under 9 Program for players to play at Club land, previously children were going from Auskick into Under 11's.

The Adelaide Plains and North Eastern Football League, Todd coordinated 6 Centres in the APFL with 86 participants, whilst in the North Eastern there were 7 centres with 132 children involved.

MINI LEAGUE & LITTLE LEAGUE

Mini League and Little League provide opportunities to school and club teams to play on Maughan Thiem Kia Oval and Adelaide Oval during the half time break. Anthony Howard did a great job in ensuring all the kids had a fantastic match day experience. With Six Metropolitan Clubs, the Adelaide Plains Football League and the North Eastern Football League all providing their players the opportunity to have a game on Maughan Thiem Kia Oval during the season.

The North Eastern Football league gave opportunity to its Auskickers as well as its Under 11's to have a kick on Adelaide Oval, whilst 4 Metro Clubs & 3 Metro Auskick centres were able to provide the same.

SCHOOL FOOTBALL

Six schools with 12 Football Teams participated in the Saturday morning school competition at West Beach this year.

We thank everyone who was involved in 2023, whether it be an employee or a volunteer, the work done at grass roots level to keep our game alive and well is fantastic. Therefore many thanks to all the Coaches and Volunteers who give up countless hours in ensuring we continue to provide opportunity to young people to be involved in this great game.

FINANCE REPORT

2023 has been a year that has thrown up a number of challenges for the Club, both financially and non-financially. I am very proud to report that we have met those challenges and have laid the foundation to continue to strengthen ourselves to be a stronger and more resilient Club, on and off the field, for years to come.

Our greatest challenge has undoubtedly been in relation to the development of the Barry Jarman grandstand and changeroom facilities. Unavoidable delays with the construction resulted in an impact on our regular revenue streams, which was magnified by us not hosting our first home game at Maughan Thiem Kia Oval until round 5. In addition to the impact on income, significant additional costs - such as the need for temporary away changerooms – also had an effect on the Club's financial resources.

It is therefore a tribute to our tireless and dedicated team, that the Club was able to deliver a financial result that equated to a combined operating profit of \$504,075. This is represented by a combined increase of net assets of \$504,075 (\$4,389,311 as at 31/10/23, compared to \$3,885,236 as at 31/10/22).

Following the completion of the Barry Jarman grandstand and the extensive renovations of the Eagles Function Centre and Champions Bar, the Board are intently focussed on generating a number of new income streams in 2024, as well as maximising the growth of our traditional income streams.

In addition to our facilities at Maughan Thiem Kia Oval, renovations at Seven 22 and at Eastern Parade, Ottoway, will expand the income producing potential to both existing and new customers. Several other exciting initiatives are also underway, which will not only provide financial benefits to the Club, but will build on the "One Club, One Culture" mantra established in 2023.

It has been my pleasure to act as Finance Director for this great Club in 2023 and I would like to thank the enormous support of our great team, our passionate members, our generous sponsors and my fellow Board members.

Ben Ielasi
