OF PLAY FOR US TO DOMINATE ON THE FIELD
- / WE HAVE BECOME THE BENCHMARK IN TERMS OF RUNNING
THE BUSINESS SMOOTHLY AND EFFICIENTLY,
WITH STATE OF THE ART FACILITIES AND AMPLE
INTERNAL RESOURCES
- / STAFF, MANAGEMENT AND BOARD ARE ACCESSIBLE
AND WILLING TO BE CHALLENGED

President's Report

BY NICK CHIGWIDDEN
President

The 2018 season was one that gained momentum as the year progressed. The pre-season was not ideal with us unable to appoint our new coach Mark Stone until December, which meant Mark didn't really start working with the player group until January. The program and game plan that Mark wanted to enforce did take the group some time to embrace and implement, which resulted in us having a poor first half of the season. Once the team gained a thorough understanding of Mark's game plan and showed the discipline to enforce it we started playing some excellent football going on to win our last six games in a row, three of those against top 5 teams. Unfortunately, the run was too late though and we were unsuccessful in making the Finals, which was a major disappointment.

The excellent work Mark and the Football Department have done in developing the team over the last twelve months, combined with some strong recruiting provides us with a sense of optimism for the 2019 season. A core group of players have now played 50 plus games together and their bodies have matured and strengthened allowing us to match it with the successful teams in the SANFL.

The return of Corey Gregson from Geelong and Luke Partington recruited from the West Coast Eagles will add some class and pace around the football. Liam McBean and Brad Agnew also re-join the team after a year travelling overseas, which will help strengthen both our forward and back ends.

After a long hard pre-season the players are ready for the year ahead and are focused on continual improvement and developing as a team into a respected and feared outfit that is ruthless in its pursuit for success.

We had another positive result financially for 2018 recording a consolidated net profit of \$247,549. This is the 3rd year in a row that we have achieved a profit providing a stable financial position for the club. Whilst it is an excellent result, we remain in a very challenging environment for SANFL clubs. Crowd numbers are declining and membership and sponsorship revenue is difficult to find. Positive on field performances will certainly help maintain and grow these areas and with the promising signs of improvement for 2019 we believe we can increase both sponsorship and membership revenue this year.

The venue continues to provide outstanding service and value to patrons, which has allowed the meals to increase 12% on last year and at the same time build an excellent reputation. Gaming revenue continued to decline, however we have reinvested back into this area, with the view to reverse the trend by installing some new machines, freshening the room up and implementing the Jackpot Club loyalty program. This investment has seen some positive early results which is encouraging.

Our major challenge continues to be the level of debt we have and whilst we decreased this again by \$275,000 last year, through the land divestment funds it is an area the board continues to focus on and work with the City of Holdfast Bay Council to look at strategies to decrease and ultimate remove this debt. I must thank the council for their ongoing support in providing interest relief on the loan, as without this support the club would be in a very challenging financial position.

We have provided a financial executive summary in the annual report that succinctly details our current financial position for you, rather than me expanding on it here.

ACH Group has settled in as an excellent tenant upstairs and has proven to be a real positive for

the club providing consistent rent and the ability to leverage their members to utilise our bistro facilities.

The other half of the area upstairs, in what was the function centre has been converted into an outstanding gym for our playing group to access. This facility would be the best in the league and has an extensive range of equipment thanks to a sponsorship with Fitness Warehouse and is a wonderful asset for Mark and the team.

ACH Group has also partnered with the Football Club taking over the naming rights of the complex, which is now known as ACH Group Stadium. This is after Gliderol relinquished the naming rights after 10 years, which has been a wonderful partnership with the Glenelg Football Club over that time. I must thank Ben Lumbers and Tom Ainscough for their support over all these years and it is fantastic to see Gliderol will remain as our guernsey sponsor for 2019 and 2020.

I would like to congratulate our CEO, Glenn Elliott and his team on the commitment and passion they have shown, and the improvements they have made over the last twelve months. It is an exciting time ahead both on and off the field and they remain focused on continual improvement and striving for success in all areas of club.

A list of acknowledgements is printed later in the report thanking everyone who has been involved last season, so I will not repeat that. However, I must thank my fellow board members for the support they have provided me and their hard work across the year. To all our sponsors at every level thank you for your continued association with the Glenelg Football Club, without your support we could not survive.

To all the volunteers, members, past players and supporters, thank you for remaining loyal to the Tigers and we will be doing everything in our power to ensure 2019 will be a year to enjoy and remember.

2019 is a year of anticipation and excitement and one that with a lot of hard work will deliver the rewards and success we are striving for both on and off the field.

Thank you again for your continued support and please join up as a member, as you are a critical part of the Clubs future success.

Glenelg Football Club Inc & Glenelg Footballers' Club Inc.

Financial Summary for the 31 October 2018 Financial Statements:

The Consolidated Statutory Net Profit for the year ended 31 October 2018 for the Glenelg Footballers' Club (Venue) and the Glenelg Football Club (Football) was \$247,549. Whilst this appears to be a substantial decrease from the previous financial year results of \$681,739, you need to bear in mind the one off extraordinary items that were included in the 2017 results. As explained last year the following need to be adjusted for the year ended 31 October 2017 to get a fair comparison:

- Payroll Tax Refund of \$163,025;
- The forgiveness of interest on the City of Holdfast Bay loan of \$123,598; and
- The additional SANFL Land Divestment Distribution of \$137,000.

Please see below table to show our adjusted Net Profit results:

Glenelg Football Club Consolidated Results			
For the Year Ended 31 October 2018			
Summary of Profit & Loss Statement			
	2018	2017	2016
Footballers' Club (Venue) Net Profit	272,610	341,318	250,495
Football Club (Football) Net Profit	(25,061)	340,421	(236,217)
Consolidated Net Profit	247,549	681,739	14,278
Less: Extraordinary Items:			
Forgiveness Interest On Council Loan		123,598	
Payroll Tax Refund		163,025	
SANFL Land Distribution	275,000	412,000	88,000
	275,000	698,623	88,000
Adjusted Net Profit:	(27,451)	(16,884)	(73,722)
Cash Net Profit:			
Depreciation - Footballers' Club	67,573	69,131	81,065
Depreciation - Football Club	41,670	60,347	65,073
Loss on Revaluation of Change Rooms	75,382		
	184,625	129,478	146,138
Consolidated Cash Net Profit:	157,174	112,594	72,416

As can be seen from the above table if you adjust for the extraordinary items and the SANFL Land Divestment distribution then our results this financial year are on par to last year and indicate financial stability within the Clubs. It also should be noted that our 2017 financial results included the business interruption insurance proceeds we received of \$177,221 for the closure of the function centre as a result of the collapse of the roof on the HY Sparks Grandstand. Further to this in 2018 an adjustment of \$75,382 was recorded as a Loss on Revaluation of the Change Rooms in the Glenelg Football Club to enable the change rooms to be recorded as nil in our Balance Sheet. If you add back depreciation and the Loss on Revaluation of the Change Rooms then the Consolidated Cash Net Profit for 2018 was \$157,174 compared to \$112,594 for the year ended 2017.

Whilst the financial results show stability unfortunately we still need to look for improvements in our financial results to assist us in reducing our debt and reinvesting back in the Clubs. We appreciate the ongoing support we have received from the City of Holdfast Bay as without their support of freezing interest on our debt we would be in a very difficult financial position. Our main source of income in Gaming Revenue continues to decrease with 2018 recording a 7.5% decrease. Whilst we acknowledge the social responsibilities around gaming, we need to respect that this is a major revenue line for the Club and hence we have recently changed our Loyalty programme and purchased new machines in an effort to increase this revenue stream. We continue to focus on our Bar and Kitchen sales, with our Kitchen sales showing a 12% increase which is a testament to our kitchen staff. We will continue to strive to improve the quality and variety of our meal offerings and invest in improving our customer service. Over the past two years we have managed to control our costs in the Venue but there is only so much we can cut before customer service is affected.

On the football side we have been hit with a decrease in income for memberships and attendances which we hope to arrest with improved on field results in the upcoming 2019 season. The pleasing thing is that our Sponsorship remains steady and is one of the highest in the SANFL which credit needs to be given to the Commercial team. Our football expenses increased by 7% in the 2018 year and again we continue to review our football department expenditure to ensure we minimise costs without affecting on field performances.

Based on the original SANFL Land Divestment Distribution projected of \$2m which we are still due to receive \$1,225,000 by October 2022 we are projecting our debt to the ANZ Bank to be \$227,666 and the City of Holdfast Bay to be \$1,029,922 at the end of October 2022. As can be seen by our recent trading results we will struggle to extinguish the balance of our debt of \$1,257,589 solely from our trading results by October 2022 and therefore the Board are still looking for strategies to clear the balance of debt by the time we receive the final SANFL Land Divestment distribution in October 2022.

We look forward to a successful 2019 football year which would go a long way to helping improve our financial results.

CEO Report

BY GLENN ELLIOTT

Chief Executive Officer

The Club has not deviated from pursuit of the two key challenges necessary to achieve respect within the SANFL – winning football matches and financial sustainability. The key outcomes for 2018 are that we again met the SANFL mandated trading result and further reduced debt for the third successive year. The Club remains committed to our Three -Year Strategic Plan which includes:

- Purpose: to win premierships and engage our members and community
- Vision: be the leading SANFL Club on and off the field

Members shall receive a briefing of the above at the AGM.

Glenelg Club

We compete against some of SA's largest hotels which all specialize in bistro, gaming, and bar services – but they don't play football. We are now a competitive venue within the local market. Profitability is non-negotiable as it is the only means by which we can continue to finance our extensive football programs and to invest in infrastructure. Our aim is to be a venue of choice within the market which is more than just being a football club that provides a hospitality service – there is a clear point of difference.

Sponsorship

Glenelg again achieved a strong outcome

underpinned by Gliderol as major sponsor and stadium naming rights partner for a tenth consecutive year. In the changed sporting landscape within South Australia, Gliderol will continue with the Club as Guernsey Partner. In an exciting announcement we welcome ACH Group as Stadium Naming Rights Partner.

Membership

Resilient is the apt word to describe our members with most joining because 'Glenelg is my Club'. We all seek on field success culminating in finals participation. The results towards the latter end of the season, six wins in succession, provide an outstanding launch pad for the 2019 season. We shall provide all the latest information to keep Tiger fans up to date with all happenings within the Club. To all true believers, thank you for your non-conditional support of the Club.

Football

Football is our business, or more particularly successful football results must be our business. Every Club craves third party respect which can only come about through winning matches and finals participation. Mark Stone's resilience and courage to remain true to his coaching values was tested in the first nine games last year only to be rewarded in the latter half of the season. Going forward our players understand the methodology, commitment and passion required for success.

Brighton Road Footprint

It is now some time since the roof came off the Sparks Grandstand in December 2016. Whilst traumatic at the time and challenging since, we have now consolidated the footprint at Brighton Road.

We are all proud of what the Club now presents for the members, players and public.

Features include:

- Players Gymnasium
Now one of the best facilities in the SANFL
- ACH Group Health Studio
Provides an invaluable community facility focusing on healthy lifestyles
- Football Foyer: All things Glenelg for past and present male and female players.
The Wall of Fame for player representation is the envy of many other SANFL Clubs
- Bistro now includes the Oval room which provides private dining and workshop facilities
- Refurbished Gaming Facility including Jackpot Club
- Alfresco Area: Now features ever popular benches for outdoor dining

2017 AGM General Business Action Items

GFC ACTION ITEM	ACTION COMPLETED TO DATE
Tiger branding to be placed on the club building	Completed. The Tiger logo is above the entrance to the Football Foyer and is highly visible
Membership advertising on the LED screen – Brighton Road	Was placed on the screen leading into last season and if the LED is available will so again leading into the 2019 Season
Board Member attendance on Members Night	It is a geographical challenge for some, but most have attended at different times
Website attention: spelling	Club has addressed the matter however it does require ongoing attention
Sponsorship follow-up	Club is committed to acting in good faith for all sponsorship introductions and is appreciative of any assistance from members.

Football Report

PAUL SANDERCOCK

Head of Football

The beginning of pre-season 2018 saw the club begin the search for a new coach. The search led to the club appointing former Fremantle Assistant Coach, Mark Stone. Mark joined the Glenelg FC after a fourteen year career in the AFL which saw him involved with West Coast, Sydney and Fremantle. A new coach brings new ideas and a new game plan which Mark rolled out in the New Year. The start to the season was challenging with the players needing to adopt to a new message and a new coaching style. Chris Curran joined Andrew Bradley as Co-Captain of the GFC for the year, Andrew was coming off a season which saw him suffer a second serious shoulder injury. The addition of Chris enabled Andrew to concentrate on his rehabilitation without the full impact of being Captain of the club. Marlon Motlop, Matt Snook, Aaron Joseph, Jesse White and Max Proud rounded out the 2018 leadership group.

Several new recruits joined the club at the beginning of pre-season. Jesse White (ex-Collingwood), Luke Reynolds and Marlon Motlop (ex-North Adelaide) were three key recruits brought to the club to fill the void left by Liam McBean and Brad Agnew (overseas). Zac Hawkins, Tom Feely, Sean Davidson, Tom Corcoran, Neil Vea Vea, Daniel Weetra, Nick Amato, Tim Mackenzie and Derrick Wanganeen also signed on to play in season 2018.

In the early rounds of the season, supporters saw glimpses of the style Mark was imparting on the playing group. It wasn't until late in the year that things began to fall into place. A more consistent effort and solid leadership on the field saw the playing group hold each other accountable for their actions. Six wins in the final six games was a pleasing finish to the year and saw the side finish the season with nine wins nine losses. A slight improvement from the previous year. Congratulations to

Max Proud on winning the John H Ellers Best and Fairest award. An outstanding result given Max's struggle with injury over the years.

Several players made their debut in the black and yellow. Jesse White, Marlon Motlop, Derrick Wanganeen, Nick Amato, Tim Mackenzie, Jack Yates, Tobin Cox, Brad McCarthy, Brad Close, Luke Reynolds, Neil Vea Vea, Zac Hawkins, Sam Walker and Tom Feely. The emergence of McCarthy, Walker, Close and Cox from our junior ranks and country zone was very pleasing.

A number of players have decided to leave the GFC since the end of season 2018. The club would like to thank the following players for their commitment to the Glenelg Football Club: Terry Milera, Neil Vea Vea, Tim Mackenzie, Sean Davidson, Tim Sullivan, Damon Robinson, Brad Noble, Sam Walker Congratulations to Tobin Cox (Port Adelaide) on his selection in the 2018 AFL National Rookie Draft.

The GFCW entered 2018 with a completely different side after rule changes enforced by the SANFL to assist new teams South and Sturt and several players drafted into the AFLW competition, decimated the team of 2017. A new coach, Aleks Bojanic took over from Narelle Smith who was appointed Reserves Coach. Aleks struggled to unite the group and a change was made mid-year. Jason Fairall (Morphettville Park Women's Coach) took on the role. He set about focusing on improving the basic skills of the team and empowering the playing group to have input. The team finished with one win for the year. Cass Hartley again set the example for her team mates to follow. Tamsyn Morriss and Madi Freeman were given their opportunity at Senior level and are players to watch in the future. Ellie Kellock was fearless in her attack on the ball and Ang Moritz worked hard at the stoppages. Lexia Edwards retired at the end of her

second season with the club. Lex has embraced the GFC from the moment she became part of the team. Her ability to play under duress and help lift her team mates was great to watch. Fortunately, Lex won't be lost to the club. She has taken up an assistant coaching role alongside Jason. Thanks, Lex for the commitment and passion you displayed for the club. Tammy Scott is the quiet achiever of the coaching panel. Tammy is reliable, trustworthy and avid about football. Her respectful approach to all has endeared her to everyone associated with the GFCW team.

The club would like to thank Layne Trembath for his time and effort in coaching the Under 18 team in season 2018. Congratulations to Kieron Hicks, his assistant coaches and the players for winning the Under 16 Premiership. Kieron showed great poise and an ability to educate players which reflected in the professional manner the boys played the game. Well done to all involved.

The loss of Senior Assistants Michael McFadyen and Nathan McDowall in the early stages of the season threw more pressure on Senior Coach Mark Stone. Narelle Smith took on the challenge of coaching the Reserves and assisting Mark for the second half of the season. Narelle was invaluable and provided great support to Mark. Chris Okely (IT- Football Department) also left midway to pursue new challenges. Chris worked tirelessly for the club over several years. He would often venture to the South-East to assist with SE Academies and spent much of the year at the club working with all departments and teams. A huge thank you to Chris for his devotion and passion for the GFC. High Performance Manager Brad Keller left the club after two seasons. Brad was offered a job with the Fremantle Football Club. A well deserved opportunity to test himself in an elite competition.

Brad added professionalism to the club previously unseen. He developed a great rapport with the players and was able to build their trust. We wish Brad all the very best as he embarks on a new challenge in the West.

I would like to take this opportunity to again congratulate the North Adelaide Football Club. Well done to Coach Josh Carr, Football Manager Darryl Wintle, Captain Max Thring and General Manager Greg Edwards on winning the 2018 Premiership.

Another season is approaching. The challenge is to begin season 2019 in the manner in which we ended 2018. North showed a climb from the bottom half of the ladder to a Premiership can be achieved. The return of McBean and Agnew and the additions of former Glenelg junior Cory Gregson and recruit Luke Partington has our list in good shape.

Football Development

Scott Uppington (SANFL Game Development Co-ordinator), Simon Krieg (Schools Football Co-ordinator, Mini-League Co-ordinator) and Steve Dirksen (Auskick & Mini-League Co-ordinator) are all involved in the participation and school programs within the Glenelg Zones.

All of these people along with school delegates, coaches and assistants have made sure the quality of our School Clinics, Tiger League, Interzone and Auskick programs continues to be of a high standard through their dedication.

Football Development

Season 2018 continued under a similar format as previous years. The squads played 4 matches against West Adelaide and South Adelaide.

/ Nigel Roberts

A big thank you to all the above coaches, along with their assistants for their commitment and enthusiasm.

Matt Bode Cup

2018 saw the continuation of the Matt Bode Cup for almost 80 Under 13 players. They played round-robin amongst 3 teams at Gliderol Stadium.

Coaches

/ Harry Miell
/ Josh Scholite
/ Glen Williams

Auskick

The boundary/zone changes did impact Auskick numbers significantly. The GFC zone still had over 950 participants however. Four centres were also able to play on Adelaide Oval during half-time of an AFL Game. Thank you to all our amazing Auskick Co-ordinators and parent helpers.

SASFA Tiger League

We had 22 teams playing at various times and dates throughout the year. Congratulations to our Lightning Carnival winners - Year 4/5 St. Mary's and Year 6/7 Woodend Primary School.

South East Academies

With the ongoing encouragement and support from the Leagues and Clubs within the South East many young quality players have been given the opportunity to represent the Glenelg Football Club in season 2018 directly due to these academies. The Glenelg Football

Club provided four academies, at Mount Gambier, Millicent, Bordertown and Naracoorte Football Clubs. We sincerely thank the local clubs for offering their facilities. Our sincere thanks to Ciaron Buckley, Andrew Nitschke, Owen Butler and Scott Carberry as coaches of these groups. This season we have over 100 players participating throughout the four centres with the emphasis on U/14 U/15, U/16 & U/17 age groups.

SANFL Game Development Co-ordinator - Glenelg Football Club

“A PROUD MOMENT”

How Max Proud rose from the canvas to become Glenelg Club Champion

BY ANDREW CAPEL

MAX Proud thought he was done.

Lying in Wakefield Hospital with his head throbbing after having four metal plates and a bunch of screws inserted into the right side of his face, the popular utility – at age 25 – didn’t think he could endure any more pain and misfortune.

“At the time that was the tipping point for me,” Proud said after he was hospitalised following a freak injury that saw his face “cave in” during his first league game of 2017 (round six) against Norwood at The Parade.

“I’d had a bad injury run in the years before that and was just back into the league team and within a couple of minutes of the first quarter I was cleaned up in a marking contest.

“I’ve come in from the side for a mark and (Norwood’s) Lewis Johnston came from the other side and I copped his knee in my face.

“I knew straight away that I was in trouble because I felt the impact and then the whole right side of my face went numb.

“I felt around my eye socket and there was a big depression there, so I knew my face had caved in.

“It was a pretty serious injury and while I was lying in hospital I thought that’s it for me, I’m done with footy, because I was sick of all the injuries.”

Proud spent three nights in hospital and had decided in his own mind to pull the pin on his league career after a succession of injuries in the previous three seasons, which had left him battered from pillar to post.

They included a broken wrist, broken finger, a badly damaged ankle and two ripped hamstrings.

They left him, on most occasions, having to fight his way back into the league team through the reserves.

But after catching up for a beer a week later with then Glenelg high performance manager Brad Keller, Proud was talked into having second thoughts.

“Brad told me not to jump to any conclusions and to rest up and see where I was at a few weeks later,” Proud recalled.

“Sure enough, once I started to feel better I was keen to get back into it.

“I went back and played (returning after just six weeks and donning a mask to protect his rebuilt face) and at the end of the year I assessed everything again and found that I just couldn’t leave the club.

“I asked myself ‘why do I keep playing’ when I’d had such a bad run with injury.

“But I couldn’t make the decision to walk away, which made me realise that I didn’t really want to go.

“If I was sure I probably would have moved on but there was too much doubt in my mind.

“I was thinking that if Glenelg starts winning games, which I was sure it was going to do, and had success then I wouldn’t be able to deal with it because I badly wanted to be a part of it.

“I also felt that I was due for a change of luck physically.”

Proud, who played most of his junior football at Sacred Heart College but won a SANFL under-18s premiership with the Tigers under Kris Massie in 2010, kept going.

And, much to his surprise, he was voted into Glenelg’s 2018 league leadership group under new coach Mark Stone.

“That was a big-time vote of confidence in me,” said Proud, now 26.

“I’d wanted to be in that group in the previous few years but I wasn’t there because I had to concentrate more on my footy and getting my body right, even though I felt I was a leader among the group.

“Stoney hadn’t seen much of me as a player but he knew I was a leader and said he viewed me that way, which gave me a lot of confidence”

Stone also played Proud, who had been used in a variety of roles by the Tigers, including as a key defender, key forward and even in the ruck, in his best position at full back.

“I’ve always liked full back, felt that it was my best and most natural spot,” Proud said.

“Prior to that I’d played a bit of everywhere, including the ruck because we didn’t have a second ruck and I’m not a ruckman, being just 190cm.

“I don’t mind being a swingman but playing in the back-lines has always been my preference.”

Proud justified his new coach’s confidence.

He played every game in a season for the first time and was so good and consistent in a side that won its last six games that he etched his name into the Glenelg history books by winning the John H Ellers Medal as club champion.

Proud, who not only silenced his opponent each week but averaged 17 disposals, was almost lost for words when his name was called out as best and fairest winner, particularly after being so close to walking away from the club.

Stone paid tribute to Proud’s “reliability and consistency”.

“When his name was put on the whiteboard each week you just knew exactly what you were going to get from him,” he said.

Proud described winning the award as “an unreal feeling”.

“It means everything to me because it was a reward for all the effort and hard work I’d put in,” he said.

“Internally I think I’ve always been valued as a club man but to be seen as the best and fairest for that year and to have your name etched in the history of the club alongside so many legends – some who I still see a fair bit of around the place – was really special.

“I get reminded of it all the time because I bump into people in the street that I haven’t seen for a while and they’ll say ‘congratulations’ and I realise again that it’s a pretty big deal.

“At the time it was a bit of a blur because it all happened very quickly but when you get time to sit back and actually think about it a bit more, well, I’m very, very proud of it.”

But not satisfied.

While a personal award is great, Proud – who also wants

to become a 100-game player for the club (he currently sits on 77) – covets team success.

And Glenelg is the last of the 10 SANFL clubs to have played finals, not featuring in September since 2011.

“I want to help take the club out of a pretty dull period and create a culture that becomes a winning culture and win a flag,” said Proud, who works as a project manager for Partek Constructions.

“To be able to say at the end of my career that I was there when we turned the culture around, with the core group and leaders that we have now, and take us in the direction that we want to go would be something that I would really cherish.

“We are developing a trademark as a playing group, what we live and stand for, like the Bloods culture at the Sydney Swans that ‘Stoney’ was a part of (as an assistant coach).

“Glenelg hasn’t had the success the club, supporters and community would like and I know what it would mean for everyone for us to start winning regularly and eventually get a flag.

“Me and (teammate) Brad Agnew, who is one of my best mates, sometimes talk about how good it would be to go back to the club after winning a premiership, to see what Jetty Road would be like.

“It’s stuff you do think about and we think we are on the right track to making it happen.”

THREE IN A ROW FOR TIGERS

Cream rises to the top as Glenelg under-16s claim three-peat

BY ANDREW CAPEL

KIERON Hicks knew he had a talented team.

And when it mattered most, the cream rose to the top.

After a topsy-turvy minor round campaign where Glenelg won five of its seven matches but lost to West Adelaide by 33 points and was thumped by Woodville-West Torrens by 70, the Tigers stepped up a gear in the finals.

Two weeks after being taught a football lesson by the Eagles, Hicks' team eclipsed the Bloods by 40 points in a semi-final and then thrashed minor premier Norwood by 63 points in the grand final at Woodville to claim a rare treble of SANFL under-16 premierships.

The stunningly one-sided victory followed grand final wins against the Eagles in the previous two years.

"It's pretty special for our club to win three (flags) in a row," Hicks said.

"We had a very talented group and spread the load throughout the season, using 43 players.

"It was a very strong talent pool but no-one played as an individual.

"Everyone played their role, some in positions they weren't used to, and that was a key to our success.

"Our philosophy was for each player to know their role in the side, to focus on playing that well and then trusting your teammates to do their job.

"That enabled us to get a great team result."

Glenelg's strength was illustrated in it boasting seven State under-16 players - Luke Edwards, Kaine Baldwin, Cooper Horsnell, Will Schreiber, Kye Dean, Luke Pedlar and Hagan Wright.

Two of them, Edwards and Baldwin, made the All-Australian under-16 team after standout national championship campaigns which saw the Croweaters win the title in Queensland.

Baldwin captained the State side.

Another three Tigers - Xavier Robins, Riley Holder and Hamish McRae - were selected in SA's final 31-player squad but did not feature in the championships.

A white-hot Glenelg did not give the Redlegs a look in during the grand final.

By quarter-time the Bays were 19 points up, they extended their lead to 29 at the half and at the final change the game was all but over following a six goals to one third term that saw them career away to a 59-point lead.

Glenelg's dominance was reflected in the scoring shots, with Hicks' side boasting a 28-10 advantage.

Only Norwood's straight shooting kept it within striking distance for so long as it kicked seven goals without a miss after quarter-time.

The Tigers had 22 more inside 50 entries and 48 more disposals than the Legs.

"We went into the finals series with a more settled side than we had in the minor round and the boys went to the next level as a group," said Hicks.

"They all played their roles and got the job done, which was terrific to see on the big stage.

"Norwood had been the dominant side throughout the minor round but we were able to control the ball around the contest and use it a lot better than them.

"It wasn't a pretty game by any stretch of the imagination but our contest work was great and it was a very dominant display by the boys.

"It was a good win against a good opposition."

In the grand final, Glenelg had winners across the board.

Key forwards Schreiber and Baldwin were dominant with three goals each and taking 20 marks between them.

Edwards - the middle sibling of Crows great and dual AFL premiership player Tyson Edwards - starred in the middle of the ground with 22 disposals and two goals, captain Dean had 23 possessions and also bagged two majors and Robins had the most possessions on the ground with 26.

"Our performance showed we've got plenty of young talent coming through the club which should stand us in good stead in the years ahead," said Hicks.

Past Players & Officials

KEITH KUHLMANN
Chairman, Past Players & Officials Association

Firstly many thanks to Laurie Rosewarne (Great of Glenelg) for his skills, knowledge, work and leadership of the PPO group for many years. Fortunately he remains on the committee and continues to passionately support the Bays in as many ways as he can. I feel very privileged and honoured to be asked to follow in his footsteps.

The role of the PPO is two-fold: 1 - To raise funds to contribute to the welfare and development of players and 2 - To maintain and promote contact amongst the PPO group of the GFC. To this end we are continually updating our database with latest details of current members and next we are looking at stream-lining how we add new PPOs to our group. We continue to hold a couple of home game functions and our Cash Lottery each year.

Drinks Van

In 2018 the PPO group accepted the challenge of running the drinks van on the scoreboard hill at home games. The acquisition of Responsible Serving of Alcohol Certificates and stock management presented some issues but overall it was a very positive start. Thanks to the committee members for all chipping in and doing their bit. The South Aussie with Cosi night was a full-on warm up for the season! As the season progressed more PPOs wandered over to say hello and have a drink and a catch up. A permanent structure is being planned in place of the caravan, hopefully in time for the 2019 season.

PPO Cash Lottery

Our \$100 cash lottery was again hugely successful. Tony Symonds and Simon Angove again hosted the event and Terry McAuliffe was an exceptional guest speaker. Many old acquaintances were renewed or reinforced. Thanks to our sponsors for their support for all our functions – Reillys wines, Palmer Group and Michael Lunnis. Congratulations to “Twiggy”-Caldwell for winning the first prize (\$2000) and to all the other prize winners. We continue to increase the number of “fixed” numbers where people retain

the same number from year to year, and have basically sold out 3 years in a row. Due to the strength of the fixed number system, in 2019, we will no longer need to issue printed tickets.

Home Game Functions

Besides the Cash Lottery Day we held 2 functions in the Gym area. We hosted Norwood on April 14th and the Eagles on June 23rd. West Adelaide again invited us to their home game on May 4th and many GFC PPOs attended and accepted their hospitality.

We appreciate the great work and support of Kristin Jeffery, Mitch Bremner and their staff for all our activities. The PPO group made approximately \$15,500 this year for the Club. Painting of the changerooms and acknowledging significant Past players in the decor is targeted for these funds. Watch out for details of a special function for Past Players and Current Players to launch the 2019 season.

Many thanks to our growing committee. “Many hands make light work” could be our motto. Members of the committee are Tony Symonds, Geoff Tanner, Colin Scripps, Allan Bartlett, Rex Voigt, Laurie Rosewarne, Torrie Osborn, Simon Angove, Nick Chigwidden, Luke Pannozzo and Keith Kuhlmann.

Any past League, Reserves or Junior players, officials or volunteers are welcome to join the biggest and best Past Players and Officials group in the SANFL. Please contact the club or any committee member and we will add you to our growing database. We are looking forward with enthusiasm to 2019 – Seeing more of our PPO friends/colleagues and hopefully finals action for our League side.

HOW TO QUALIFY FOR LIFE MEMBERSHIP?

The Club has a criteria for the Board to follow when recommending Club Life Membership. This is done in order to protect the integrity of the achievement. The Board may confer Life Membership on any member who has in a special degree promoted the objects and interests of the Club according to the Constitution. Unless exceptional circumstances exist, a person may only be nominated for Life Membership after a total of 10 years' service to the Club. Five and Ten Year Service awards are presented upon achievement. Merit Awards may be made to a member who in the previous year has performed in an outstanding way in any area of Club operations.

Life Member Inductions

/ WARWICK LUMBERS (POSTHUMOUS)

The Club is indebted to Warwick Lumbers for his outstanding contribution. It actually began as a an Under 17 Player and later continued in overseeing an iconic sponsorship within the SANFL through Gliderol. That sponsorship continues into 2019 through the Gliderol brand name proudly displayed on our guernsey sash.

We trust that Warwick's family is proud of his contribution to sport in South Australia.

/ BRIAN ROBINSON

"LOYAL TIGERS HONOURED"

BY PETER CORNWALL

Glenelg Football Club's Hall of Fame has swelled to 47 members after two versatile and powerful former stars were inducted at the Bay in June.

Their league careers were separated by a quarter-of-a-century but there were plenty of similarities between great clubmen Kevin Abley and Allan Bartlett, who were proud and emotional as they accepted their honour at the sold-out clubrooms.

Abley was outstanding at either end of the ground in an 11-year career, winning the club's leading goalkicker award in 1957 (with 41) but mostly being remembered as a top-shelf, miserly full back. And Bartlett was a hard-working player who adapted to stints in the key attacking and defensive positions over his 11 years of league footy at the Bay. Both played one State game. But, despite their selfless, team-oriented football and loyalty to and passion for Glenelg, neither played in a league premiership. Abley, though, in 1967 coached the reserves to the flag - the club's first senior premiership since 1934.

Abley played 174 games and kicked 96 goals between 1954-64, while former Crow Bartlett played 201 games and kicked 92 goals between 1989-99. In Abley's era of the 1950s and '60s, versatility wasn't common but he played in every position apart from the wing and rover. If a Glenelg coach had a position that needed filling, Kevin would fill it. And he had seven coaches in his 11 years at the

club! Kevin's brother John has always been highly rated - as you would expect, considering he played in seven Port Adelaide premierships and was selected in three All-Australian teams. But over the three seasons Kevin played at full back he conceded less goals per game on average than John. And as a full forward Kevin played on his brother - and bagged five goals in one game on him.

In many ways Bartlett was a modern-day Kevin Abley. He also would go wherever the coach would send him - often to a key position on a tall and dangerous opponent - and give everything he had. Like Abley, he was physical and his opponent had to earn every kick.

"It's a fantastic honour to be inducted but it's only for doing something you've loved over the years," Bartlett said.

"I have been involved here since under-10s right through all the squads and you wouldn't change that for anything. We didn't have the ultimate success but a footy club is about the people - I have made some great friends over the years and I really look forward to kicking on with them."

Abley also paid tribute to the many friends he had made as he gave "probably 20 of the best years of my life" to the Tigers, highlighting players, trainers, club officials and vice-presidents.

"I'm very, very proud. When Laurie (long-time friend, former Tiger great and Hall of Fame selection committee member Laurie Rosewarne) rang to tell me I was a bit emotional."

“LOYAL TIGERS HONOURED”

Continued from page 40

There were plenty of great memories as the 1973 premiership triumph - now 45 years ago was revisited by host Peter Marker, the captain of that star-studded team. He interviewed a candid Kerry Hamilton - the Tigers' best-and-fairest winner of the famous premiership year - in another highlight on a memorable night. Glenelg Football Club's Hall of Fame was inaugurated in 2001 and now has 47 members.

1921-1939: Mel Brock, Jim Handby, George Johnston, Arthur Link, Jack Owens, Len Sallis.

1940-1960: Kevin Abley, Marcus Boyall, Colin Churchett, Allan Crabb, Neil Davies, Don Hewett, Ray Hunt, Ted Robjent.

1961-1976: Neville Caldwell, Brian Colbey, Graham Cornes, Kerry Hamilton, Neil Kerley, Harry Kernahan, Doug Long, Peter Marker, Fred Phillis, Wayne Phillis, Colin Richens, Laurie Rosewarne, Rex Voigt.

1977-2011: Allan Bartlett, Peter Carey, Nick Chigwidden, Stephen Copping, Chris Duthy, Ross Gibbs, Tony Hall, Simon Hele, Kym Hodgeman, David Holst, Stephen Kernahan, John MacFarlane, David Marshall, Peter Maynard, Chris McDermott, Tony McGuinness, Scott Salisbury, John Seeborn, Tony Symonds, Paul Weston

“A WHOLE NEW WORLD”

Peter Cornwall takes you on a tour of state-of-the-art ACH Group Stadium

PHOTO: Glenelg star Andrew Bradley with his dad, former Tiger David Bradley, and the Tigers' Wall of Fame. Photo: Peter Argent

There's suddenly a spring in everyone's step at the Bay.

Glenelg Chief Executive Glenn Elliott says whenever he walks into the newly-upgraded players' gym overlooking the stunning playing arena it's with a smile on his face, while skipper Andrew Bradley says it "lifts your mood and it makes you more excited to be here".

Just three years after Glenelg had announced its doors might have to be closed as it faced \$3m debts and only two-and-a-bit years since the roof was ripped from its historic grandstand in a freak storm it's a whole new world for the Tigers.

Six consecutive wins to finish the 2018 season, a high-quality coach whose message clearly is getting through to a talented line-up that has been boosted by strong and selective recruiting over the summer and facilities that have been transformed from possibly the worst in the SANFL to the upper-echelons of the league have long-suffering members and fans anticipating a bright long-term future - much sooner than anyone could have hoped for.

Glenelg's iconic oval even has a new name - ACH Group Stadium. The Bays' partnership with ACH Group has seen the establishment of Health Studio 50+, ACH Group's state-of-the-art health and wellbeing hub at the ground - and that also equates to a decent-sized boost to the club's bottom line. Located in the old function centre, it's far from the only breath of fresh air at the Bay. The Tigers' changerooms - and the opposition's - the players' gymnasium, meeting room and medical facilities are now top-shelf.

No wonder some club insiders have dubbed the cyclonic winds of December 2016 the "Perfect Storm". Initially thought to have wreaked havoc.

"I was pretty well gutted. I thought where do we go from here?" Elliott recalled - there has been an unparalleled transformation since that wild night and the Tigers now train and prepare in amenities the envy of most state league clubs.

"It's essential to give your players the right equipment to do their job," Elliott says of the ground's makeover.

"If we put someone on the staff we would give them a decent computer and a decent office but what we were doing with our players was giving them substandard conditions which hadn't changed for however long." (The HY Sparks Stand, named after the founder of Glenelg Oval, was demolished 80 years after it was built, so it wasn't exactly state of the art).

"For a club to be strong on the field, ideally it comes down to three pillars - best coaches, best list, best facilities - and if you can't tick off those, success is unlikely.

"I would say best facilities gets a tick, best coaching gets a tick and now we will see how the players perform ... I don't see an obstacle in front of us, whereas previously you could."

Elliott admits the horribly out-of-date rooms under the old Sparks Stand - particularly when showing around would-be recruits - were an embarrassment compared to other clubs.

"That will probably offend some of the past greats of Glenelg but that's all they knew at the time." Elliott said.

"We've gone from last (in the SANFL for player facilities) into the upper-echelon. I'm not going to say we're the best but we're certainly in the upper echelon.

"The Club must provide first class facilities to enable all players to maximise their performances. They are going to be well coached, they are going to have a great gym, sensational oval, great changerooms and we've got Thebarton Oval for pre-season."

PHOTO: Glenelg Players' Changerooms

"We don't expect more of the players now ... we are just really pleased from their perspective that we have given them the tools of the trade so they can be the very best they can be."

Bradley says: "It makes you strive to a higher standard when you see what is in place around you - it definitely helps."

But will it help him be better prepared?

"Yes and no," he said.

"I think preparation comes down to each individual and if you want to prepare properly you will do it whether it is in the shed at home, or whether it is here. The facilities definitely help but it always comes down to the individual wanting to get better and prepare the way they should."

That, of course, is the sort of attitude that has turned Bradley into a leader. Now he's primed to assist the Bays back into the finals.

The gym, apart from the stunning fresh paint-job with black walls featuring Glenelg logos, has been refitted with up-to-date new equipment after a deal was struck with Fitness Warehouse.

"It's fantastic," said Bradley.

"Having the open glass and being able to look out onto the oval compared to the old gym ... the equipment we had in the old gym was okay but just being the four walls and being enclosed wasn't quite the same ... it was a bit gloomy. It's awesome now, all new equipment and good flooring - it's a really good place to be."

Bradley is rapt in the gear.

"When I came to the club we had a bench that had been there for probably 20 years and was wearing down and we had the same one moved up when the function room got cleared out and the gym was put in there," he said.

"Now you don't feel like you're breathing in 20 years worth of dust. It looks so much more professional."

PHOTO: Glenelg players' new gym.

PHOTO: Graham Cornes makes himself at home at the new Cornes Gates at the Bay.

The outdated facilities under the old grandstand - that Andrew's father David used as a changeroom and gym when he dashed down the wing at the Bay in the 1970s - are quickly becoming a distant memory. Elliott, who coached West Torrens at the ground in the '80s before becoming Tigers General Manager for the first time in the '90s, now can look back with a laugh.

"I coached down here and that visiting changeroom did not change from when I first came to South Australia ... in fact I think it got smaller," Elliott said.

"Our club doctor at Torrens often recalled about coming to Glenelg that he'd have one foot in the urinal as he was trying to stitch a player up. That was our reputation out there."

Elliott knows of people slipping down the concrete stairs and in the race that led the players from the old stand onto the oval.

"When it was a wet day here, it was covered with water."

At least drowning in money worries is becoming a thing of the past - from first glance ACH Group Stadium now gives the distinct impression these are better times.

When you walk into the ground one of the first things you notice is the gates you're passing through. The Cornes Gates. They're all class, so much so Glenelg District Cricket Club put up their own in the same striking style at their entrance - the Chappell Gates. Wow, how are they for a couple of great Glenelg sporting families?

A quick turn to the left and a couple of years ago you would have walked into the Sparks Stand. Now there's a viewing area that is the Bays' rival for Norwood's Coopers Hill. The outer shell of the Sparks Stand remains, retaining the historical integrity of the oldest remains of the ground - complete with plaques from the first pavilion from 1921 and the rebuilt stand from 1937 - with a built-up grassed area that last season proved hugely popular. Elliott reckons "more people use this than ever used the stand".

And Bradley says "it feels like you are a bit closer to people on the hill there - in the grandstand they were probably another 20 metres away. It feels like you are getting a bit more interaction with the crowd."

And new coloured sails this winter provide some shelter and add to the outstanding look of the ground.

If you walk into the club through the front doors, you're taking a step back in time in the Ray Curnow Foyer - named named after a great of Glenelg who between 1929 and 1973 was player, coach committeeman and secretary. Not surprisingly, on the wall to your right, his picture hangs among the Greats of Glenelg - the 17 people who have had the biggest impact on the club's history.

Straight ahead is the Wall of Fame - every Glenelg league footballer there's been since the Tigers' first year of league footy in 1921. Andrew Bradley is player No. 984. We're up to player No. 1106 now, so that means he's been around for a while, about to enter his ninth year of league footy. Andrew's father David, who played 65 games for Glenelg from 1977-81, is No. 626. And his Uncle Phillip Bradley is player No. 635.

PHOTO: The viewing area on the western wing where the HY Sparks Stand used to be.

PHOTO: The opposition rooms

Andrew admits that's "really cool". And he says it's a nice feeling for new players to get their names up there in lights with the greats of the club.

"You can see people coming through, looking at the different names and, as a player, you walk in and have a glance at it and it makes you feel you're a part of something bigger."

The Wall of Fame for the Tigers' SANFLW side also is going up in the foyer and a photo of the women's side is accompanying the men's team.

It's a club for one and all - Glenelg was one of the four original women's teams in the SANFL two years back - and when you head around the corner, past the 47 Glenelg legends who make up the Hall of Fame, there's usually plenty of women enjoying the dining area.

"We're really proud of this area," Elliott says.

"Our lunch trade has a really high proportion of female groups, smaller and larger, which says two things - one, your food (and your service) must be good and, importantly, it is a safe venue.

"The bistro is producing between 1000 and 1100 meals a week - that's more than 50,000 last year. Our average price is \$20, so there's a million dollars-plus."

Outside the dining room is an alfresco area from which you can watch the footy.

"Now people actually book benches here," Elliott says

The former kids' area has been converted into a room that is booked for workshops, conferences and private group dining. That leads through to the new history committee room. Elliott, Peter Carey, Nick Chigwidden and co, while recognising the club's proud history - there is a centenary approaching - have their sights set on future successes. For those to become reality, the club must create strong income streams.

"Some people think Glenelg Football Club offers hospi-

ality facilities ... no, we are running a hospitality venue so we can play football. There's a difference," says Elliott, adding "we're taking pokies seriously now".

Walking through to the gaming area, Elliott says "it's just got a better feel about the place".

It has a fresh look, newly-painted with less intrusive lighting and there a six striking new machines.

"Some people are uncomfortable with gaming but it is a cold hard fact of life that the best-performing clubs in the SANFL have massive gaming income. We don't."

Having again been in the lower echelon of SANFL clubs, Glenelg again is heading in the right direction.

"Since November, we have had a 20-odd per cent increase, which is actually in an industry that has declined a little bit," said Elliott.

"We need to make this room successful and we are progressing ... through joining the Jackpot Club, we're getting patrons from other venues throughout the precinct. We are competitive with these venues now - not the equal of them but we are at least competitive."

It's all about professionalism. On the field and off. And high performance manager James Wiseman reckons that's what the new gym is all about.

"It looks a lot more professional, so guys want to be in here ... and when they are in here they are getting good quality out of what they are doing," he said.

Now it's down to the Tigers' changerooms behind Snout's Hill in the south-western pocket.

"I reckon this is as good as anything there is for the players," says Elliott.

Bradley said: "There's a lot more space and a better meeting room - the old meeting room we had was quite stuffy and cramped. We've got a projector there and we can watch video footage."

"It's a fair step up. Everything is brand new - new ice baths and showers and a lot more modern feel."

If you think it's all happened in the blink of an eye, you're not the only one.

Bradley still shakes his head when he recalls how quickly the Tigers' new changerooms grew where the function centre car park had been before the 2017 season.

"When I first walked in and saw the development at the new changerooms I thought, 'gee, we're playing in six weeks time, I don't think it's going to be ready'."

Former Glenelg goalkicking great Fred Phillis further impacted the club's history by designing the rooms and,

as Bradley recalls, "True enough, you go in there for our first home match and it's all all up to scratch." Two-and-a-half hours later, Bradley remembers how "awesome" it was belting out We're from Tigerland with team-mates, the smell of fresh paint in their nostrils, having beaten the deadliest of foes Port Adelaide.

Port had been in new changerooms of their own. The Bays had been converting the old St John Ambulance and Children and Family Health building behind the scoreboard for women's footy. Visiting SANFL teams now use the rooms and "we would rate with the very best," says Elliott,

"and that's the opinion of visiting teams - they've told me that."

And it's about to get better for Glenelg's women footballers. Work is starting upstairs next to the gym - replacing the function centre kitchen - showers being built that are attached to the current female toilets, with locker room, player meeting room and facilities for trainers, doctors and physios. The women's change amenities also will be accessible to female ACH Group patrons.

Glenelg financial members will benefit from two personal trainers who will work in the gym and be available to them. It's about working with your local community. And if you don't reckon the footy club is a major player in the Glenelg area, think again.

Elliott tries to tackle what the footy club's economic worth may be to the broader community.

"We have just on 40 employees, a massive payroll ... in terms of goods, wages and the multiplier effect it's probably worth over \$20m annually," Elliott said.

And how many people will be walking through the Cornes Gates or Brian Curnow Foyer this year?

"There would be some duplication but there's 1000-odd people dining here every week - that's 50,000 to start with. ACH Group has 400 patrons per week, there's another 20,000, so you're up to 70,000. If you add 25 or 30 for footy and training nights, then there's the pokies, it's probably between 100 and 150,000."

The Save the Tiger campaign almost three years ago has helped the club learn to stand on its own two feet. So, is the Tiger safe?

"Yeah, I reckon it's pretty safe," says Elliott.

Maybe it's even better than that. Bradley feels there are exciting times ahead.

"It's the most optimistic I have been in the past six or seven years. Everyone is pretty upbeat and excited to get going."

No wonder there's a spring in everyone's step.

GENERAL
PRINTING

PH: 83766676

Monday 26th February 2018

1. Welcome and apologies

N Chigwidden opened the meeting at 7.34pm and welcomed all in attendance and introduced the board members. Reminded all that under clause 5.6 of the Constitution that only financial members of the club as at 31 October 2017 and Life Members and Registered Club volunteers are entitled to vote at an AGM. Noted that notice of the AGM advertisement was posted on 14th November 2017 in the Advertiser and the 2017 Annual Report, including the financial statements, has been available on the club's website since 14th February 2018, and available this evening. Noted that no questions from members have been received prior to the AGM.

N Chigwidden noted the presence of our auditor, Josh Carter, of BDO.

Apologies: Noted

2. Adoption of minutes of February 2016 Annual General Meeting

Moved by Kerry Donovan and seconded by Jack Hill that the minutes of the Annual General Meeting held on 17 February 2016 held at The Glenelg Club Function Centre be signed as a true and correct record. CARRIED.

3. Chairman's Address

N Chigwidden noted that the President would provide his joint club address during the AGM of the Glenelg Football Club Inc, immediately following.

4. Board Nominations

N Chigwidden confirmed that under the Club 's Constitution there is a common Board of both the Glenelg Football Club and the Glenelg Footballers Club. The elected board members of the Glenelg Football Club automatically become the Board members of the Glenelg Footballers Club. As a result, the nominations for the board positions and any required election would occur at the AGM of the Glenelg Football Club, immediately following.

5. Adoption of Annual Report and Financial Statements

Chairman introduced Glenn Elliott to present an overview of both Clubs. The keys points made during same related to the Club's ongoing commitment to Football and Financial sustainability. To do so required the Club to play finals and trade in profit.

The 2017 Annual Report and Financial Statements were moved by Brian Veale and seconded by P Jacobson, that they were true and correct. CARRIED.

5. Appointment of Auditor

Moved by Peter Jacobson and seconded by D Whelan that BDO Chartered Accountants and Business Advisors be appointed for 2018. CARRIED.

6. General Business

The Chairman advised that questions will be answered during the AGM of the Glenelg Football Club.

Meeting closed 7.47 pm

Monday 26th February 2018

1. Welcome and apologies

Meeting opened at 7.48 pm by President Nick Chigwidden. N Chigwidden welcomed all in attendance.

N Chigwidden reminded all that under clause 5.6 of the Constitution that only financial members of the club as at 31 October 2017, Life Members and Registered Club volunteers are entitled vote at an AGM. He advised that notice of the AGM was posted on 16 November 2017 in the Advertiser and that 2017 Annual Report had been made available on the club's website as from 14th February 2018, and available tonight. It was noted that no questions from members have been received prior to the AGM.

N Chigwidden noted the presence of our auditor Josh Carter of BDO.

2. Adoption of minutes of February 2017 Annual General Meeting

Moved by Peter Cornwell and seconded by John Williams that the minutes of the Annual General Meeting held on 10 February 2016 held at The Glenelg Club Function Centre be signed as a true and correct record. CARRIED.

3. President's Address

N Chigwidden presented the Chairman's address.

- Club had recorded a consolidated full year profit of \$681,739 following a profit of \$14,278 in 2016. Add back depreciation and it equates to \$811,000 compared to \$160,00 in 2016. We benefited from two extraordinary items: Payroll Tax refund of \$163,000 and an SANFL Land Divestment Fund Distribution of \$412,000
- Debt had been reduced by \$484,499 and Trade Creditors by \$362,406. Our cash position remains quite tight. Key savings were made in the Licenced Club - \$178k and Football Club of \$167k
- The City of Holdfast Bay must be acknowledged for their support and the positive impact that this is having on the Glenelg Football Club
- We have welcomed the ACH Group as a tenant and partner. Their fit out is spectacular and is evidence of their commitment for the long term
- Glenelg now has first class changerooms and gymnasium facilities. Council has invested in creating a new facility at the Sparks Grand stand site
- Members and Sponsors were thanked for their continued support of the Club and acknowledged the relationship with Gliderol
- The Vice President Group led by Gary King whilst well intentioned has recorded ever declining results in recent years. As a result, it is recommended that it cease in its current form and an alternative fund-raising option be explored. Whilst disappointing for some, the VP history will be preserved.
- On the field we did not deliver the results we anticipated and ended in frustration by not participating in finals. We reviewed football only to have the coach leave and take up a position at Port Adelaide. We conveyed our disappointment to Port Adelaide with no response. The Club wished Matt Lokan well.
- The Club appointed an experienced AFL experienced person in Mark Stone to the position of coach. Mark has impressed all at the Club since joining. His appointment along with targeted recruiting has give the Club an excellent platform for 2018
- Congratulated our U/16 team for again winning the competition. Layne Trembath has now moved up to coach the 18's
- Acknowledged 2017 Drafted players – Dom Barry, Darcy Fogarty and Jackson Edwards
- Acknowledged Brenton Hole who has now left the Club after 10 years' service, he made a massive contribution to junior football. Like wise, Trevor Wortmeyer who has been the schools' convenor for a long time and ensured its success
- Laurie Rosewarnes has stepped down as Chairman of the Past Players and again has been a great servant of the Club
- Congratulate Glenn and his team for the excellent job they have done managing and implementing the day to day functions of the Glenelg Football Club and placing us in a profitable position
- Thank the board for their support and hard work across the year. If the proposed Constitution is approved by the members, Board numbers will reduce from 10 to 8. Long serving Board Members in John Kavanagh and Gary King would step down and the Club expresses its appreciation for their contribution
- We have done everything in our power to ensure a successful 2018

4. Board Nominations

N Chigwidden outlined that two nominations were received for the Board, that of Nick Chigwidden and David Whelan both seeking re-election. As there were only two vacancies and no other nominations were received, both were duly appointed for a two-year term.

5. Adoption of the 2017 Annual Report and Financial Statements

Moved by A Capel and seconded by David Wright that the 2017 Annual Report and Financial Statements be adopted. CARRIED.

6. Presentations

President N Chigwidden invited Justin Scripps to the stage to present the following awards:

- Merit Award: Peter Cornwell
- Merit Award: Trevor Wortmeyer
- Merit Award: Terry McAuliffe [apology]
- AJ Wadham Volunteer of the Year – Rob Searles
The award had been presented on Awards Night at season end
- Ten-year service award – Kerry Donovan, Peter Dunn, Gordon Anderson and Guy Dolman.
- Five-year service award: Sarah O'Donnell, Kate Williams, Michael McFayden
- Five-year player awards – Carl Nicholson, Darcy Bailey

7. Senior Coach

The Chairman invited Mark Stone to address the AGM.

Mark indicated appreciation for GFC's professionalism in every aspect of the appointment process and re location to Adelaide. He is satisfied with both our progress to date and the players eagerness to accept every aspect of his overall football plan. He then took questions from those present.

8. Special Item of Business: Glenelg Football Club Constitution

N Chigwidden advised the meeting that the Club had retained Andersons Solicitors – Garry Palasis to oversee the process.

G Palasis informed the meeting that the process involved modernising the former Constitution with two key changes:

Board Structure: Board would now comprise 4 Directors elected by the members at the AGM and up to 4 Appointed Directors. The Appointed Directors were Board appointments for a 1 -year term. In effect Board numbers dropped from 10 to 8.

The Vice Presidents Group would not continue in 2018 and as such not have a direct Board nomination going forward

Election Voting: The proposed Constitution made it easier to vote by introducing electronic voting.

Discussion

Vice Presidents Group:

Disappointment was raised relevant to the Group not continuing having been an integral part of the Club for so long. The matter had already been explained during the President's address and at previous meetings with the Group's members. The point was made that in the interests of the demographic process, any group with such limited numbers should not expect to nominate a member of that group direct to the Board. Comments indicated that the Vice Presidents Group was in fact dying but disappointment was expressed for the lack of communication on the matter.

It was explained that the initiative of a new coterie group in 2018, the Captain's Club, was independent of any discussion regards the Constitution despite extended attempts to do so.

The Chairman then put the following motion to the Meeting:

Motion

'In respect of the proposal to alter the Constitution set out in the documents presented to the Annual General Meeting it is resolved to amend the Constitution in accordance with the amended Constitution tabled at the Meeting'.

Moved: J Kavanagh

Seconded: G Edwards

Two voting counts were conducted without resolution. Josh Carter, Auditor – BDO, was then asked to conduct same with the following result.

Voting

56 members present

- 37 for

- 5 against

- 14 abstaining

Motion carried.

9. Appointment of Auditor

Moved by D Wright, seconded by P Jacobson that BDO Chartered Accountants and Business Advisors be appointed for 2016. CARRIED.

10. General Business

Members raised the following:

- Requested that the Tiger branding be placed on the Club building itself
- Membership should be advertised on the rotating LED signs facing Brighton Road
- Match Day Format in 2018
The former Sparks stand will be an open facility with grassed mounds
Presidents Room will host pre-match functions
Bistro services will be maintained
Oval catering is under review
- Board member attendance on Members Night at the Glenelg Club: Tim Kelly
It would be beneficial for the Board to consider an attendance roster
- Sponsorship and website
Tim Kelly advised that spelling errors were noted on the Club's web site and needed attention. All available sponsorship inventory was raised as area requiring attention, especially that of the Captains' Club. Sponsorship comes to the Club in many forms, some by reference, some by direct approach, some by Club initiative. Whilst it would be much easier if sponsors simply approached the Club, that scenario is highly unlikely. All potential sponsors had or will be followed up with any assistance appreciated
- Congratulations were extended to Mel Churchett for her efforts with both the website and Annual Report
- N Chigwidden noted that the Club was always open to suggestions and would follow up the matters raised

Meeting closed 9:25pm

Attendance: 56 (as counted by the Auditor)

2018 Sponsors

Sponsorship is an integral part of the Glenelg Football Club. We thank all of our Commercial Partners for their generosity and support throughout 2018. We urge all members and supporters to use our Partners' facilities and services whenever possible to help ensure our corporate relationships continue to thrive.
