BY NICK CHIGWIDDEN  
*President*

The 2017 season was a roller coaster with some high moments, especially the early season form that saw us have some excellent wins at Gliderol Stadium and the very evident improvement in the team's performance. In contrast we had some disappointing results when playing away from home and the unacceptable capitulation in the last three rounds of the minor round that resulted in us missing the finals, which was absolutely a missed opportunity.

This disappointing finish and lack of consistency resulted in the Football Committee and Board reviewing all aspects of the season to ensure we leave no stone unturned to rectify the situation and create an environment that is hungry for success and has the required resources, systems and processes in place to drive consistent winning performances.

We were quite advanced in implementing the recommended changes with the senior coach Matt Lokan when the Port Adelaide Football Club offered him a position as an assistant coach in early November, the day before our pre-season started. We were extremely disappointed in the manner Port Adelaide managed this situation waiting until November to make the appointment, showing an absolute lack of respect on the impact this has on an SANFL Club. Whilst disappointed, as a Club we understand Matt's decision to further his career at an AFL Club and thank him for his effort during his time at GFC and wish Matt, Bec and their family all the best in the future.

Immediately we embarked on an intense search for a replacement and interviewed some outstanding candidates over the following weeks. However, there was one standout in-regards to his football experience, knowledge and maturity, that possessed the characteristics we believe were necessary to get the best out of our senior playing group and clearly communicate the brand of football that will be implemented across all grades within the club. That was Mark Stone, who we appointed as senior coach in early December, successfully luring him over from Western Australia after having five years with Fremantle under Ross Lyon and prior to that ten years split between Sydney and West Coast.

Mark certainly had to hit the ground running and has been very impressive already in what he has implemented and is working on with the playing group. I would like to welcome Mark, his partner Kerry and their children Lila and Lenny to the Glenelg Football Club and look forward to working hard with Mark to ultimately achieve the highest level of success at the Bay again.

Mark's positive appointment has been backed up with some excellent recruiting from the Football Department, signing quality players such as Jessie White, Luke Reynolds, Marlon Motlop and Nick Amato to name a few. This fresh injection of talent into the team combined with the continued development and improvement of our current list under the direction of an experienced and extremely structured coaching group provides us with great optimism that we will achieve our expectation of competing in the major round in 2018.

Our long time Junior Development Manager Brenton Hole left his position late in the season. I would like to thank Brenton for his loyalty and commitment to the club over his ten years in the role and congratulate him on not only what he achieved with our under-age success at Glenelg, but also his involvement with numerous juniors from our zone that have gone on to be drafted and forged successful AFL careers. I hope you enjoy spending a bit more time on the golf course Brenton.

We had a very positive result financially for the 2017 year ending 31 October, reporting a consolidated profit of \$681,739 compared to \$14,278 in 2016. Whilst this is an excellent result for the Club it must

be highlighted that this profit is made up of some extraordinary items such as a payroll tax refund and the SANFL land distribution from the sale of AAMI stadium. We have provided a financial executive summary in the annual report that succinctly details our current financial position for you, rather than me expanding on it here.

The vast majority of this cash profit was used to reduce our liabilities, predominately the long term debt to the ANZ by \$209,833 and the council \$274,666 and reduce our creditor liabilities by \$362,406.

It is an outstanding achievement to reduce our liabilities throughout the year by \$846,905, which has allowed us to manage our creditors more strategically and not reactively. However, our cash in bank position remains very challenging and without the ongoing support of the City of Holdfast Bay with the interest relief on our loan and the reduction they provided on our lease, we would be in an extremely precarious position. I must acknowledge and thank the City of Holdfast Bay for their ongoing support and reinforce the positive impact that this is having on the Glenelg Football Club and our local community.

In this challenging hospitality climate, especially the uncertainty around gaming and the impact of the changing SANFL environment, we must continue to reinvent ourselves as an organisation and look at strategies that will allow us to survive in the future. In January 2018 we welcomed the ACH group into the upstairs venue area to provide their treatment rooms and exercise class services. This will provide a consistent and guaranteed rental income for the Club. The ACH fit out is outstanding and we will be working hard to attract their clients into other areas of our facility which will ultimately help grow our business. We continue to strive to provide an excellent value for money offering in our bar and bistro area and have seen some excellent improvements and results.

The redevelopment of the Sparks grandstand to grass terraces covered by sails, will provide an excellent area for families to watch the football from in 2018. This is scheduled to be finished before our first home game and continues the realisation of our goal to provide the best facilities for our players and our members.

I would like to congratulate Glenn Elliott and his team on the commitment and passion they have shown, and the improvements they have made over the last twelve months. It is an exciting time ahead both on and off the field and they remain focused on continual improvement and striving for success in all areas of club.

A list of acknowledgements is printed later in the report thanking everyone who has been involved last season, so I will not repeat that. However, I must thank my fellow board members for the support they have provided me and their hard work across the year. To Gliderol our naming rights and major sponsor and all our sponsors at every level thank you for your continued association with the Glenelg Football Club.

Thank you to all the volunteers, members, past players and supporters for remaining loyal to the Tigers and we will be doing everything in our power to ensure 2018 will be a year to enjoy and remember.

A mountain of work has been done over the previous two to three years, by many people, across all areas of the club to build a strong foundation for the Glenelg Football Club to build from. 2018 is the year the building must take shape, with the people we have in place and the resources at our disposal there is no excuse.

Please continue your support and join as a member, you are a critical part of that foundation.

## Executive Summary for the 31 October 2017 Financial Statements

## Glenelg Footballers' Club (Venue)

- The Net Profit for the year ended 31 October 2017 was \$341,318 compared to the Net Profit of \$250,495 reported for the year ended 31 October 2016 which represents a 36% increase in Net Profit.
- Whilst this appears to be a significant improvement there are two factors that need to be taken into account:
  - We received \$177,221 from our insurance company for a Business Interruption Claim. The consequent closure of the Function Centre will be felt by the Club, however we have already restructured to replace this lost income stream. We have secured ACH for a 10-year sublease utilising 50% of the first-floor space. Sourcing new, profitable and reliable revenue streams remains a priority.
  - The support of the City of the Holdfast Bay to provide us with interest free facilities for 2 years and the waiving of the outstanding interest charges resulted in a saving of \$188,685 for the Club. Without the continued support of the Council the long term sustainability of the Club would be jeopardised.
- After adding back depreciation of \$69,131 the Cash Net Profit was \$410,449 for the year ended 31 October 2017.
- Bar Sales & Kitchen Sales for the 12 months were down from the previous year by \$569,388 or 24%. However, this decrease is largely attributable to the reduction in sales from the closure of the Function Centre which contributed \$541,124 of this reduction. It is important to note that Function Centre income was subject to high service costs and general overheads.
- Whilst we have been able to increase bistro food sales due to the high quality of our food unfortunately this was eroded by the reduction in bar & bistro beverage sales of \$104,573. Unfortunately this seems to be an industry norm at the moment given drink driving, liquor costs, entertaining at home etc.
- The other area of concern is the ongoing decline of Gaming Revenue which decreased by \$56,712 from the previous year. Whilst we are aware of the social impacts of gaming on the Community this reduction and the uncertainty of the impact that Nick Xenophon's party will have at the State Election is a major concern for the survival of our Club and other Clubs as a whole.
- We continue to review and ensure we have a tight rein on our expenditure with wages being the largest expense being reduced by \$178,357.

## Executive Summary for the 31 October 2017 Financial Statements

## Glenelg Football Club (Football)

- The Net Profit for the year ended 31 October 2017 was \$340,421 compared to the Net Loss of (\$236,617) reported for the year ended 31 October 2016.
- The following extraordinary items were included in the 31 October 2017 Net Profit amount:
  - **Payroll Tax Refund \$163,025**
  - **SANFL Land Divestment Fund \$412,000**
- After adjusting for the above extraordinary items the Net Loss was \$234,604 for the year ended 31 October 2017 compared to the adjusted Net Loss of \$324,217 for the year ended 31 October 2016 an improvement of \$89,613 or 27%.
- After adding back depreciation of \$60,347 to the Net Profit of \$340,421 the Cash Net Profit was \$400,768 for the year ended 31 October 2017.
- The improvement in the above result was largely attributable to the ongoing review and reduction in our expenditure. The Football Club reduced its total expenditure from \$1,903,545 in 2016 to \$1,736,895 in 2017 being a reduction of \$166,650.
- It needs to be noted that income streams in the Club from memberships & sponsorships continue to be difficult to maintain and are reliant on the direction of the SANFL and identifying where the SANFL sit in the current football landscape.

## Consolidated:

- Consolidated Net Profit for the year ended 31 October 2017 was \$681,739 compared to \$14,278 for the year ended 31 October 2016.
- When adding back the depreciation for the combined Venue and Football Club of \$129,478 for 2017 and \$146,138 for 2016 the Consolidated Net Cash Profit was \$811,217 for 2017 and \$160,416 for 2016.
- After adjusting for the extraordinary items of the SANFL Land Distribution and Payroll Tax Refund the Adjusted Net Cash Profit was \$236,192 for 2017 compared to \$72,416 for 2016. Please refer to below calculations.

Please note the Net Cash Profit does not represent the amount that is reflected in our bank accounts as the Net Cash Profit is simply the difference between Revenue and Expenditure and does not take into account the reduction in liabilities or the increase in assets. The Net Cash Profit has been used to reduce various liabilities predominantly the long term debt to the ANZ by \$209,833 and the Council debt by \$274,666 a combined reduction of \$484,499. The balance of Net Cash Profit was used to reduce our Creditor Liabilities by \$362,406 to ensure that we have improved our Working Capital position to enable us to continue to trade.

Unfortunately, whilst we work on retiring debt we do not have any surplus cash to invest back into the Club to improve and freshen up our facilities. We must do so to compete with Hotels who continue to invest large amounts on capital improvements.

## JH ELLERS CLUB CHAMPION **MATTHEW SNOOK**

The hardworking inside Mid had a consistent 2017 season which saw him become a dual JH Ellers Best & Fairest Winner. Matt Snook is a leader of our midfield group and definitely sets the pace for the rest of the competition.

Courtney Gum

Matthew Snook

Brad Agnew

## RE CAMPBELL BEST TEAM MAN **BRAD AGNEW**

The versatile defender that has not only earned the respect of his team mates but opposition players as well. After a solid season, Brad has put his name among the best defenders in the SANFL.

## WOMEN'S BEST & FAIREST **COURTNEY GUM**

The ball winning machine had a stellar season in the inaugural 2017 State-wide Super Women's League claiming the leagues best and fairest. We wish Courtney all the best at GWS Giants in the 2018 AFLW.

## OSSIE AIMES LEAGUE MOST IMPROVED **JONTY SCHARENBERG**

The highly skilled 19 year old found his feet at league level in 2017, becoming one of the first picked when fit. We look forward to Jonty running out in the black and gold for many years to come.

## U16 ER CURNOW AWARD **RILEY DAVIS**

## U18 ER CURNOW AWARD **BRAD POTTER**

## RESERVES ER CURNOW AWARD **JACK YATES**

## LEAGUE ER CURNOW AWARD **JAMES SELLAR**

## LEAGUE LEADING GOAL KICKER **LIAM MCBEAN** 38 GOALS

## ELSIE GLEGHORN PLAYERS' PLAYER **WARRICK MCGINTY**

## SNOUTS LOUTS' PERPETUAL SHIELD **MATTHEW SNOOK**

## RESERVES BEST & FAIREST **JAY BOYLE**

## UNDER 18 BEST & FAIREST **BRAD NOBLE**

## UNDER 16 BEST & FAIREST **LUKE EDWARDS**

## WOMEN'S CLUB CHAMPION **COURTNEY GUM**

## WOMEN'S BEST TEAM MAN **CASS HARTLEY**

## 2017 BEST & FAIREST LEADERBOARD

- 1 / MATT SNOOK (150)
- 2 / JONTY SCHARENBERG (103)

RD 7 - GLENELG V WEST ADELAIDE  
 PICTURE: DEB CURTIS PHOTOGRAPHY

BY GLENN ELLIOTT  
*Chief Executive Officer*

We have continued to address the financial challenges first communicated to members at the 2015 AGM. The Club remains committed to our mission statement, visions and subsequent action lists and has done so over the last year to build success on and off the field. The key outcomes for 2017 are that we again traded in profit and reduced debt – see Executive Financial Analysis.

### Glenelg Club

The Glenelg Club operates within a most competitive hospitality postcode within the State. Some of SA's largest hotels are in our immediate vicinity all specializing in bistro, gaming, and bar services. Within that market we are regarded as a competitor and as such do not receive any support from them. The fundamental difference between a hotel and a club is that GFC is a not for profit membership - based entity which plays sport and provides a community service by doing so. Profitability for GFC is non- negotiable as it the only means by which we can continue our extensive football programs and to invest in infrastructure. This is a factual representation of our local market and in no way excuses performance. The Glenelg Club is committed to being a fierce competitor in an open hospitality market as opposed to just being a football club which provides a hospitality service – there is a clear point of difference. The majority of SANFL Club Licensed Operations now operate offsite away from their sporting base. Legislation now prevents such a move. That said the Club again achieved sound outcomes and will continue to do so next year.

### Sponsorship

Our 2017 Sponsorship results were underpinned by Gliderol as major sponsor and stadium naming rights partner for a tenth consecutive year. In the ever - changing sporting landscape in South Australia, their support shines like a beacon. We welcomed Flinders Private last year and they embraced the Club in the best possible manner.

### Membership

Our membership is resilient and for that we extend the Club's appreciation. The Tigers are still ranked 3rd for home match attendances which is commendable. Again, we implored the SANFL to

respect the integrity of the competition, its fans and players when finalizing the 2018 Match Program. The member survey indicated a clear preference for Saturday afternoon football, we have seven games such fixtures this year. We communicated our disappointment to the SANFL for implementing four byes to the program this year. We have launched clear, affordable and flexible membership options for the 2018 season.

### Football

Football is our business, or more particularly successful football results must be our business and our reason for being. Off season changes in personnel have produced an air of expectation. We know that a successful season will impact favorably on the key income portfolios of membership, sponsorship, attendances and match day catering. 'Winning' is the only way forward. Narrowing the gap between potential and performance will bring about the results which Tiger fans crave.

### Business Footprint

Whilst it has been a period of change which can be unpalatable, it has produced some exciting outcomes. Outside the traditional football incomes of membership, sponsorship and match days, the business footprint of the Glenelg Club building is now settled with 100% use made of available space. It includes:

#### First Floor

*Football Club administration  
 Presidents Room: Bingo and home match day functions  
 High Performance Centre  
 ACH Health Studio*

#### Ground Floor

*Club History and Memorabilia Foyer  
 Bistro  
 Gaming  
 Reception  
 Alfresco facility [Planned]*

#### Key 2017 highlights for Glenelg Football Club

*Adjusted Net Cash Profit of \$236,192 [ Refer Summary]  
 Debt Reduction \$484,499  
 Football facility development: Changerooms  
 High Performance Centre  
 New lease and financial agreement with Council*

# High Performance Centre and Health Studio

## The Vision

Some will remember the stated aim last year was to create a state of art High Performance Centre and sports rehabilitation complex at Glenelg Football Club. We have seen significant progress in that direction with the provision of first class facilities for player development. Without same we would not be competitive with many other SANFL Clubs, no longer can that be said.

Best Facilities – a key pillar of football success

## High Performance Centre

Glenelg now provides ultra- competitive facilities for our players. Consider the following:

- New changerooms

An outstanding improvement at the oval complete with medical, coaches, property and changeroom facilities. Past players would view same with great envy

- New gymnasium

Utilizing half the former function room, it provides direct access to the oval and change-rooms, it must maintain on going investment for equipment to become a state of art facility

- Coaching expertise through Mark Stone – senior coach and High-Performance Manager Brad Keller
- Outstanding pre-season venue in Thebarton Oval. To have access to a full oval for training is invaluable and hasn't been the case for as long as many can remember

- Great home match ground at Gliderol Stadium

It is one of the very best venues in the SANFL, great surface which is full credit to the curator and Council.

Members will be able access the High-Performance Centre accessing appointed Personal Trainers for programs. The facility will be available outside the hours quarantined for our male and female players.

Once finalised, members will receive the relevant details.

## ACH – Health Studio 50+

The ACH Group have a 10-year lease with the Club for a tenancy which occupies half the first-floor area. Focusing on healthy lifestyles for the 50 plus age group, their demographics are imminently suited to our Club with clients expected to utilize our bistro facilities. We welcome ACH as a partner as many of the strength and rehabilitation services can be utilized by both parties

Who can access the High-Performance Centre/Health Studio?

The ACH facility can be accessed by all those who qualify by age. Be assured that their collective level of expertise is first class complemented by state of art equipment which provides personalized programs.

PHOTO: DEB CURITIS PHOTOGRAPHY

**PAUL SANDERCOCK**  
*Head of Football Development*

Season 2017 saw the Tigers start with an aggressive approach and a promising start with wins over Port Adelaide and Sturt in the opening two rounds. However, we failed to achieve our goal of playing finals football with a disappointing and unacceptable performance in our last month of football. The season highlighted our best football was more than competitive. It also showed we were a team that needed to have 21 contributors each week to achieve a positive result. While this is an obvious comment to make, it shows we are not a team who can rely on 6-7 players each week to get us over the line.

The side showed improvement in our win/loss record from the previous season which would indicate success by other measures, however given the start we had, it is difficult to erase the poor finish to the year. Seven players made their debut in the black and yellow. Liam McBean, Dom Barry, Alex Martini, Ian Milera, Todd Slade, Jackson Edwards and Darcy Fogarty. The re-emergence of Dom Barry's football career was a highlight. His explosive pace and good ball use bought our supporters to their feet on many occasions. Our supporters also saw glimpses of magic from Ian Milera who burst on to the scene early in the year.

Several players achieved the 100- game milestone for the club this year. Warrick McGinty, Brad Agnew and James Sellar were rewarded for their consistency and commitment over many years. Brad didn't have much to celebrate as he was knocked out in the first 30 seconds of the game. James has since retired. We wish him all the very best for the future and know that he will be enjoying more time with his family. Brad is travelling overseas with his partner Mary for season 2018. We hope he has the passion to return to the club in 2019.

The loss of our Captain, Andrew Bradley to his second serious shoulder injury in as many years, took away some of the on-field stability. Andrew is a prolific ball winner who leads by example. He attacks the contest without fear and makes good decisions when disposing of the ball. Conversely, the form of Chris Curran in

defence was a welcome sight. Chris has been hampered by soft tissue injuries over the past few years so to see him get through the year unscathed was great reward for his preparation and desire to represent Glenelg.

The Club has again experienced significant turnover of players since the end of season 2017. The challenge for all players continues to be finding the balance between family, work and football. Some leave looking for better opportunities elsewhere.

The club would like to thank the following players for their commitment to the Glenelg Football Club: Damien Hill, Brad Merrett, Matt Merrett, Riley McFarlane, Brad Agnew, Liam McBean, Ziggy Vitkunas, Rhys O'Keeffe, James Sellar, Christian Howard, Jack Strange, Simon Wong, Harrison Cock.

Congratulations to Darcy Fogarty (Adelaide), Jackson Edwards (Adelaide) and Dom Barry (Port Adelaide) on their selection in the 2017 AFL National Draft. As supporters we look forward to watching them develop as opposition players in the SANFL.

Commencing in December 2016 with a dedicated coach, Narelle Smith and committed players led by Captain, Cassie Hartley, Glenelg unveiled the GFC Women's team which was competing in the inaugural SANFLW competition. Glenelg were one of four teams to secure a licence. What the Glenelg SANFLW side were able to achieve in such a short space of time was outstanding. The women finished the season on three wins and 3 losses, but the way in which the players competed made all at the club very proud. Courtney Gum won the Statewide Super medal for the Best and Fairest player in the competition and the GFCW Best and Fairest. Courtney was selected by the GWS Giants in the 2017 draft and is now performing well in the AFLW competition. Narelle, along with the support of Tammy Scott, worked hard at bringing the players together in a short period of time.

The club would like to thank Darren Tull for coaching the Under 18 team in season 2017. It is a difficult job managing and playing up to 75 players in a season. Darren was generous with

his time and worked hard at educating the next wave of senior players.

Congratulations to Layne Trembath, his assistant coaches and the players for winning the Under 16 Premiership this year. Layne communicates well with players and this was evident in their commitment to the cause on game day. A job well done by all involved.

The off-season has seen more changes within the football department. November saw the departure of two key people within the football club. Firstly, our Senior Coach, Matt Lokan accepted a role with the Port Adelaide Football Club and then long time Talent Manager, Brenton Hole left. Brenton has overseen a talent program that has been the envy of many clubs over the years. He worked tirelessly in the South-East and metropolitan area identifying talent and building strong relationships with the respective Country and Metro Leagues. We wish them both all the very best as they embark on new challenges and thank them for their devotion to the Glenelg Football Club. Adam Silvy and Luke Norman left their roles as League Assistant Coaches at seasons end. Luke and Adam have their own businesses and families to focus on and could no longer commit the time required to fulfil the role. Thank you for the

support and commitment you showed Matt and the players.

We welcome Senior Coach Mark Stone and Talent Manager Kieron Hicks to the Glenelg Football Club.

I would like to take this opportunity to again congratulate the Sturt Football Club. It is a great achievement winning two in a row. Well done to Coach Martin Mattner, President Jason Kilic, General Manager Business, Sue Dewing, General Manager of Football, David Oatey and Captain Zane Kirkwood on winning the 2017 Premiership.

The new season is upon us and with that come more challenges. We need to find the consistency and drive to be amongst the best teams in the competition. Sturt is the pacesetter. It is our time to return to finals football. We have worked hard to assemble a playing list that we believe can build on the seven wins from last season.

I look forward to seeing you at the football in season 2018.

## FAREWELL 'GENERAL' SELLAR

Reaching triple figures in his final game for the Bay's means Sellar has fulfilled his ambition to "belong" to a football club.

Growing up at Glenelg Primary School, Sellar used to play "scratch matches" during recess and lunchtime as a school boy before joining fellow Bays product Bryce Gibbs in attending Brighton Secondary School.

Also an accomplished volleyballer as a junior, Sellar once earned selection in an Australian Youth team before choosing to concentrate on preparing himself for the AFL Draft.

Making his Macca's League debut in Round 1 of 2006, Sellar recalled how he had four goals

to his name by half-time of the clash with Norwood at The Parade.

The versatile utility – who measures in at 195cm and 90kg, produced a moment for the memory bank when he kicked the winning goal for the Tigers against Sturt in Round 13.

We wish James, his Wife Sonia and daughter Skylar all the best for life after football. James's passion for the Tigers, leadership on and off the field and his relentless game style will be missed at Gliderol Stadium in 2018.

### SANFL U15/17 Championships

Glenelg and Norwood faced off in the Under-15 Country and Metropolitan Grand Finals held in the July school holidays at Football Park.

Norwood won the SANFL U15 Metro Championships, defeating Glenelg 16.13 (109) to 2.4 (16).

Congratulations to Glenelg on winning the SANFL U15 Country Championships, defeating Norwood 8.8 (56) to 8.7 (55).

Congratulations to Glenelg on winning the 2017 SANFL U17 Adelaide Crows Division State Championships.

### Tiger Zone

Teams from our local primary schools compete in the Tiger Zone proving to be a most successful competition coordinated by Trevor Wortmeyer. Teams in 3 age groups (Year 2/3, Year 4/5 and Year 6/7) were involved with about 500 students involved all together.

Congratulations to Stella Maris (Year 4/5) and Glenelg PS (Year 6/7) for winning the Lightning Carnival for 2017.

### Matt Bode Cup

2017 saw the continuation of the Matt Bode Cup for almost 100 Under 13 players. They played 3 rounds amongst 4 teams at Gliderol Stadium.

### Coaches

/ Tom Javor  
/ John Kelton  
/ Blake Derer  
/ Glen Williams

Our sincere thanks to Ciaron Buckley, Andrew Nitschke, Jamie Weatherald, Josh Searle, Kieron Hicks and Paul Russell as coaches of these groups. This season we have over 100 players participating throughout the four centres with the emphasis on U/15, U/16 & U/17 age groups.

With the ongoing encouragement and support from the Leagues and Clubs within the South East many young quality players have been given the opportunity to represent the Glenelg Football Club in season 2017 directly due to these academies.

The Glenelg Football Club provided four academies, at South Gambier, Millicent, Bordertown and Naracorte Football Clubs. We sincerely thank these clubs for offering their facilities.

### South East Academies

Community Program Goals

Engage with our local schools and clubs to promote Australian Football participation.

Mini League

All participants receive a football, fruit box, team poster. We also provided teams for Little League games at Adelaide Oval on five occasions in 2017.

Auskick

Under Tom Javor we achieved a State Record with 20 Auskick Centres and over 1,200 participants. Brighton PS/FC Auskick centre won the best Auskick Centre in the State – congratulations to all involved.

SASFA Tiger League

WE had 30 teams playing on various dates and times throughout the year.

Other Programs

Crow and Power appearances: About 12 of these special events were held at various Clubs and schools within our zone.

Multi-Cultural Auskick

Created from the data base register of players.

AFL Women’s Football

AFL Women’s Football has led to a spike in female interest. There was again an All Girls Auskick to capitalise on this interest.

## FROM ZERO TO HERO

### How dual club champion Matthew Snook turned his career around

BY ANDREW CAPEL

MATTHEW Snook was so disillusioned with football in 2014 he thought about walking away from the game.

In and out of the Glenelg side after debuting in 2011, the classy, left-footed midfielder was contemplating taking a year off and then joining a rival SANFL club.

“When ‘Stevo’ (Nick Stevens) was coaching (in 2014) I was pretty bored with football because halfway through the season I wasn’t playing league and had been starved of opportunities,” Snook said.

“I was thinking of giving it away for a year and then changing clubs.

“But I ended up sticking it out, had a decent run in the league side and haven’t looked back since, which is crazy when you think about the position I was in.”

Fast-forward three seasons and Snook has not only consolidated his spot in the Glenelg team but joined an illustrious group of 22 men to have won multiple league club champion awards for the Tigers.

His runaway win in 2017 - with 150 votes he finished a whopping 47 ahead of runner-up Jonty Scharenberg (103) - followed his breakthrough triumph in 2015.

“It’s an absolute honour to win the award again,” Snook said.

“The first one probably didn’t sink in that much but to win a second one is really special.

“Three or four years ago I was in a position where I was just happy to get a game and to now be a two-time best and fairest winner, it’s special but also is something that probably won’t sink in until I’ve finished my career.

“Originally I was just happy to represent Glenelg at league level and hadn’t even dreamed of winning two best-and-fairests.”

Snook’s career turning point came in the second half of former Port Adelaide and Carlton AFL star Stevens’ one and only year as Glenelg coach.

Given a chance to consolidate a spot in the side

mid-season. he grasped his long-awaited opportunity with both hands, performing so well that he finished equal-second in the best-and-fairest count with Aaron Joseph behind joint winners Andrew Bradley and Craig Pitt.

“Being given an extended chance and doing okay was good for my confidence, I started to believe in myself more and away I went,” Snook said.

A dual Tigers under-18 premiership player, Snook took his game to the next level under new coach Matthew Lokan the following season to win his first club champion award and after a modest 2016 campaign he raised the bar again last season.

“I guess the big thing for me last year was my consistency,” the 25-year-old said.

“I was able to narrow the gap between my good and bad games which is what good players are able to do, so that was pleasing.”

A ball magnet and contested ball and clearance king, Snook has established himself as one of the SANFL’s premier players

But he believes he can get better - as a player and a leader.

“I want to improve my outside game, my running and ability to be more attacking and kick more goals,” said Snook, who combines football with his full-time job as a carpenter.

“I’ve had a chat to the new coach (Mark Stone) about that and we’ll work out a strategy so that I can hopefully become a better all-round player.”

A dual Tigers under-18 premiership player, Snook is craving more team success.

He has played only one league final - an elimination final loss to South Adelaide in 2011 - and was shattered that the team fell out of the top five following a final-round loss to West Adelaide last season.

“Our end to the season wasn’t good and to miss out on the finals after being in a good position took me a while to get over,” Snook said.

“We’ve recruited pretty well and have a strong core of players who have been together for quite a while so we think we can be very competitive in 2018.

“The club hasn’t won a (league) flag since 1986 and that’s what’s driving me. To win something with my teammates and break the drought for our supporters would be pretty special.”

### The Glenelg Club

The hospitality sector has and always will be one of the most challenging industries in Adelaide. The Glenelg precinct certainly leads the way for the sheer volume of outlets in our post-code. The Club performs soundly in that market and achieved a Cash Net Profit of \$410,449. The success of the licensed Club is the financial lifeline for a football club as it can allow investment in football and infrastructure.

### Bistro Operations

We strive to provide quality food at affordable prices supported by first class service. The outcome relies on the collaborative efforts of kitchen and front of house staff. Our kitchen staff led by Damien have provided meals which all staff are proud to present to customers. The ambience of the bistro has been improved by selected sign writing. Mitch Bremner continues to lead an enthusiastic front of house team which excel in personalised customer service. We accept that we will be judged by the next meal we serve, the next experience a patron receives – that is the industry. We served just over 51,000 meals in the bistro during 2016/17 an improvement of 4% on the previous year

### Gaming Operations

Whilst also covered within the CEO Report, this is the key portfolio within all SANFL Clubs.

Gaming income has the highest gross profit margin and lowest wage cost of any portfolio within the Club. We have experienced a down turn in gaming proceeds but are very diligent in our expense control. We remain committed to the key pillars for success: Best Machines, Best Service and Best Signage. Access to the gaming room direct from the car park has also been established for patrons. Gaming forms but part of our overall product mix.

### Parking

Members may have noticed that it is now easier to secure a car park immediately outside the Club. Council have installed 3 hour parking signs at the southern end of the car park. Those who require longer term parking utilize the northern or cricket club end, quite obviously many of these persons were using the southern end as it was convenient to do so, but they were not our patrons.

### Future Plans

As the market trends change so must we. Items under consideration for the future include an enhanced alfresco area and improved menu options which directly reflect our patrons. We have commitment to providing a distinct regional influence in both food and wines

# TIGER WOMEN MAKE THEIR MARK

BY PETER CORNWALL

It's not very often these days you have the chance to create footy history in the SANFL – or at Glenelg.

But Cass Hartley, Eloise Jones, Courtney Gum, Bridgette Needs and Angela Moritz are all history-makers.

In fact, Glenelg's SANFLW team of 2017 have all created history.

For the first time the Tigers fielded a female team and it was in the inaugural SANFL women's competition.

And what a start they made!

Under lights on February 17, 2017, Hartley led the new-look Tigers on to Norwood Oval to tackle West Adelaide – and they made their own slice of history by kicking off with a win.

Way back in 1921, Glenelg's first

league game also was against West Adelaide. The fledgling Bays lost at Adelaide Oval that day. But how the women made up for that at The Parade. They won by a whopping 53 points.

And how much do you reckon Hartley loved it? The boom in women's footy has given her the chance to achieve something she had previously thought impossible. "I loved it," she said of her first season with Glenelg. "I grew up a Bays supporter so to actually get out here and finally play, it's not something I ever thought would happen in my lifetime." The boom in women's footy over the past couple of years had caught her by surprise, the growth in that time exceeding anything from the previous two decades. It was hardly surprising she was "a bit emotional" when, voted the first captain of Glenelg's women's side, she was presented the skipper's jumper by Peter Carey. She posted on

Instagram: "Sometimes it's hard to describe a situation in words that will do it justice. But without doubt one of the highlights of my career occurred this week when I was presented with my Glenelg guernsey by this absolute legend of the game, Peter Carey. What an honour! I will wear this No. 5 jumper with absolute pride." Running up the players' race in the famous black-and-gold jumper at Norwood Oval on the first night of SANFL women's footy was "amazing". "When you play for a long time there are things that stay in your mind ... that will definitely be one that will stay with me forever," she said. And Hartley had the club's first kick – "I had no idea about that" – and that was the start of something special, Glenelg storming away to win 10.8 to 2.3. Hartley became a part of history but, at 42, she'd had quite a wait for her big chance. She won the Dutschke Medal as fairest and most brilliant in the SA Women's

Football League in 2009 and '12 and has tallied a staggering 11 premiership wins from 16 grand finals, the most recent last winter with Christies Beach. She appreciates the chance with Glenelg all the more because it's been so long coming. "We're all about breaking down stereotypes in women's footy," she says, when she states her age, admitting "I actually have retired a couple of times" but, being again appointed captain for the 2018 campaign, there's little sign of it actually happening. "Growing up (in Mildura), I didn't think I was going to play football at all, let alone progress and then play for Glenelg."

Female club registrations across South Australia increased by 35 per cent in 2017, while the number of junior female players grew by 154 per cent and the number of girls' teams jumped from 16 to 62. Four clubs – Glenelg, North Adelaide, Norwood and West Adelaide – made up the SANFL women's competition for its first season. They were programmed to play each other twice, then the top two sides face off in a grand final. This year Sturt and South Adelaide were added – and the season lengthened. But in 2017 Glenelg's game changers were heading into uncharted waters. Coach Narelle Smith admitted they had gone into the clash with West "with a bit of an 'unknown' feel" but she had confidence the squad had done the necessary work and was prepared to perform. "The six-week pre-season was a solid program and the players were ready to execute our desired style, described by our captain

PICTURE: Glenelg Women's Team Round 1 V West Adelaide  
DEB CURTIS PHOTOGRAPHY

Cass Hartley as 'exciting,' said Smith, who had steered Morphettville Park to back-to-back SA Women's Football League premierships after a 130-game career as a centre half-back. "Ellie Kellock set the tone of the match with a bone-crunching tackle inside the first minute." The Tigers' pre-season focus had been to create a team reputation of being first to the ball and showing confidence with ball in hand. And that was exactly how it panned out as the Bays kicked four goals to none in the first quarter, the most spectacular Emily Woods' checkside snap from deep in the south-western pocket, Smith noting "the celebration was also one for the ages". The forward line was potent all night, with Eloise Jones booting three goals and Lexie Edwards two. It was Jones who booted her way into history at the four-minute-mark with the Tigers' first goal – a set shot from 15m on a 45-degree angle. It also was the first score of the game, from a free kick paid downfield. All-Australian under-18 forward Jones ended the season as the Tigers' leading goalkicker – with six from five

games – and her precocious talent saw her snared by Adelaide at pick No. 24 in the AFLW draft in October. The Crows also drafted Glenelg's All-Australian under-18 vice-captain Jess Allan, who rucked so impressively in the last five games of the Tigers' inaugural season. The sister of Crows premiership player Sarah Allan, she was picked at No. 8. Experienced Courtney Gum made an emphatic start to her standout campaign, dominating the midfield against West and impressing Smith with "her ability to find space where it seemed there was none". Very much putting on her coaching hat, Smith – who this year will be coaching the reserves as the Glenelg Footy Club continues to promote women, along with female footy and family involvement – noted "as a team we ticked off our KPIs by leading in relevant stats (total disposals, hard-ball gets, contested possession, loose-ball gets and handball receives)". Her charges were following her orders to win the ball on the inside, then move it with speed and purpose. The only downer on this exhilarating Friday night was the broken ribs suffered by

PICTURE: (L TO R) Lucy Bellinger, Eloise Jones, Elora Fisher, Cat Williams, Brianna Walling  
DEB CURTIS PHOTOGRAPHY

courageous ruck ace Bridgette Needs, who had quickly played her part in the historic occasion by winning Glenelg's first hit-out and first handball. She missed the rest of the season but will be back in the thick of it in 2018. Glenelg's second game, against eventual minor premier North Adelaide, brought the Bays crashing back to earth with a thud. Held goalless in the first half, they hit back hard before falling 11 points short. Gum again was outstanding, this time racking up 35 touches and booting a goal.

In the following two weeks the Tigers made a strong push for a grand final berth, beating Norwood and disposing of Westies for the second time in the short season, leaping to top of the table. Caitlin Williams, who finished equal fifth in the league's best-player award, dominated in the three-goal win against the

Redlegs and 14-point success against the Bloods. In a precursor to the gut-wrenching climax to the men's season, the women needed a win in either of their last two games to advance – but fell agonisingly short. North claimed a convincing 42-point win before eventual premier Norwood snatched the final grand final spot, beating the Bays by 20 points after a hard-fought first half. The Tigers, with three wins and three losses, had just missed out on making more history as a team but Gum etched her name into folklore with a landslide win in the league's fairest-and-most-brilliant award. The skilful 35-year-old polled 13 of a possible 18 votes – she was awarded the maximum three votes in four of her six matches – to finish six clear of Norwood's Sophie Li and North's Chloe Scheer. She averaged 24 disposals a game, her stunning season capped off by also being

awarded the league's coaches' award. Such was Gum's impact she was drafted in October by Greater Western Sydney at pick 25 to add some experience, inside midfield strength and ballgetting ability to a Giants side that finished bottom in the AFLW's first season.

Gum is among quite a few first-year Tigers who have moved on, the SANFLW in transition with the extra teams, leaving new coach Aleks Bojanic with plenty of challenges. But there's bound to be more history. After a first year featuring memorable wins, great new talent, a league best-and-fairest and players being drafted to the AFLW what else would you expect?

# NEVER SAY DIE

## “Never-say-die Tigers salute again”

By ANDREW CAPEL

GLENELG kept getting tested - during the minor round and in the grand final.

But when push came to shove, coach Layne Trembath’s under-16 troops always found something special.

“We had a never-say-die attitude and team-first philosophy all season that stood us in good stead,” Trembath said.

“And we needed that in the grand final.”

Chasing their second consecutive under-16s premiership, the Tigers - undefeated until the Big Dance - took on Woodville-West Torrens in the flag-decider without four key players.

Nick Crouch, Nick Jones, Will Day and Riley Carter were forced out of the Football Park encounter after late-season injuries.

And when Glenelg fell seven points behind at half-time in a tight, low-scoring match against the same club it had beaten in the grand final the previous year it was under serious pressure.

“We were in a bit of trouble,” conceded Trembath, who was in his first-year as under-16 coach after previously leading the Bays to an under-15 premiership.

“It was a super-tight game and things got pretty tense in the box.”

Glenelg lifted in the third quarter to draw within a point at the final change and when leading goal-scorer Kaine Baldwin kicked his third major and Will Gould followed up 90 seconds later the Tigers had opened up a 12-point buffer 13 minutes into the fourth term. But the Eagles refused to lie down.

With the Tigers losing ace midfielder Luke Edwards - son of Crows great Tyson Edwards - to a

broken arm in the final quarter, the Eagles found a gear.

Livewire forward Kysaiah Pickett kicked a goal and a behind to close the gap to five points, ensuring a thrilling finish where coach Darren Hams’ Eagles had their chances to steal victory from the jaws of defeat.

“We seemed to have the ascendancy and then Pickett kicked a goal and looked like he was going to get another one and it was like ‘wow’, it was see-sawing to the end,” Trembath said.

“There were a couple of terrific defensive acts, some disciplined team-first acts, late in the game, including a crucial smother, that might have proved the difference between winning and losing.

“I was glad to hear the final siren because there certainly were some anxious moments.

“But I thought our boys were terrific when the game was on the line and to get the result we did was fantastic.”

Gould was Glenelg’s leading disposal-winner with 26 while Edwards had 25, seven tackles and a goal.

Trembath said the Tigers used 43 players during the season because of school commitments and injuries but never lost their ability to play “team footy”.

“We had a fairly even group - we weren’t littered with superstars - and no matter what was thrown at us they just kept playing team footy,” he said.

“We kept rotating players all season and they stood up under pressure, which was a real credit to them.

“There was a really good team spirit and the boys deserved what they got.”

# TIGERS ON THE PROWL

BY ZAC MILBANK

Glenelg's penchant for producing draftees continues to go from strength-to-strength with the Tigers now boasting more players on an AFL list than any SANFL rival.

After having Darcy Fogarty, Dom Barry and Jackson Edwards selected at the 2017 AFL National and Rookie Drafts by the two South Australian clubs, the Bays now have a total of 19 plying their trade at elite level.

Led by genuine stars Bryce Gibbs – who has moved from Carlton to play for the Crows in 2018 – and Dockers midfield jet Lachie Neale, the Tigers' crop also includes seasoned campaigners in Jack Redden (West Coast) and Jordan Murdoch (Geelong).

Nine of the group have originated from Glenelg's talent-rich Country Zone in the south-east of SA, with the club's four talent academy hubs continuing to bear fruit.

Retired Glenelg Talent Manager Brenton Hole said having the hubs in Mount Gambier, Naracoorte, Bordertown and Millicent had played a major role in registering the impressive draft numbers.

"They are pretty strong and compelling numbers," said Hole, who worked at Brighton Road for a decade from 2007 to 2017.

"They have been really positive to the kids who got somewhere (AFL list) but also to the kids who went back to their local clubs.

"It inspired them to have a go as they started to see some kids they were in an Academy with, suddenly on an AFL list."

The steady nature of personnel heading up the south-east academies has also had a major influence, according to Hole.

"We've had a couple of long-term coaches involved – particularly Andrew Nitschke at Millicent and Jamie Weatherald at Bordertown," Hole said.

"They have been fantastic with their work and support for the club – it's just been great for developing the talented players in the area."

Two south-east products own a special place in Hole's heart after he played a role in unearthing them and watching them go on to become star AFL midfielders.

"Jack Redden, from Keith, was one of the early ones when I arrived which I remember fondly," Hole said of Redden, who is now at West Coast after being drafted by Brisbane in 2008.

"Jack put his head down and had a crack and his performances for our Under-19 premiership team ensured he went from someone who didn't look like he would get drafted to someone Brisbane got really excited about.

"He also had some trauma that year too as one of his mates was killed after being hit by a train in Keith so it was a terrible experience for the family but to see Jack get there was a great thing for them all."

Fremantle's reliable ball magnet Lachie Neale is the other player Hole recalls with a grin, with the pint-sized on-baller from Kybybolite now considered one of the Dockers' prime movers in the mid-field.

"I remember talking to one of our Under-15 coaches when Lachie first came up to school as

PICTURE: Lachie Neale before being drafted to Fremantle

a 14-year-old at St Peter's College," Hole said of Neale, who played in Glenelg's last League final in 2011 as an 18-year-old.

"The coach rang me straight away to say that kid will make it as a footballer, as I just saw him walking down Port Road on the footpath bouncing a footy. Kids just don't do that anymore. But that's what Lachie Neale was like, he just did everything in his power to get better."

Tigerland has also proved to be a second-chance saloon for mature-age indigenous pair Willie Rioli (West Coast) and Barry, who was thrown a lifeline by Port Adelaide after a consistent season in 2017 netted 16 goals from 18 games.

But with the draft success does come the natural frustration for Glenelg diehards, who can only help fantasise about how strong the Bays would be if the 19 players were available to don the gold sash in 2018.

PICTURE: Bryce Gibbs before being drafted to Carlton

"It is something to be proud about but it does make it tough on the other hand," said Hole, who also maintains a close relationship with Geelong's Lincoln McCarthy, who started in Bordertown.

"You've got to hope that one day if their AFL career does finish before they are ready to retire that they will come back and play for Glenelg.

"But there's so many kids that have come through our pathway who have gone on to become better people after fighting their way through the selection process and trying to get there.

"They began to learn about what life is all about and that for me was the most important part, seeing the kids develop.

"Whether they made it to the AFL or not, it was satisfying just to see them achieve their individual goals."

## SANFL AFL-LISTED PLAYERS

South Adelaide / 4

BY GARY KING  
*Chairman of the Vice Presidents' Group*

The year of 2017 has certainly been a year of changes for our Club and also the Vice Presidents group. At the time of writing this report our Club is in the process of making necessary changes to the Club Constitution, one which will see the Vice Presidents Group being re-badged as the Captains Club. Notification will be sent from the Club explaining the new process.

It has been an honor serving as your Chairman for the past 7 years to this wonderful group of supporters and over the many years some of the Vice Presidents have gone on to be our Club Presidents.

#### Pre-Season Function

This function over the years has been held at a Members home. However this year we held it at the Club which saw a disappointing number of only 16 in attendance instead of the usual 40 plus. It was still a very enjoyable afternoon and thanks must go to Mitch and the staff in the Bar and Bistro for their excellent service

#### Race Day

Once again a very enjoyable day in the Chairmans Room at the Morphettsville Race Course, however, numbers were down slightly on previous years but still a great day was had by all.

Many thanks to Torrie Osborne for his support in this event.

#### 2017 VICE PRESIDENTS GROUP

Peter Jakobsen  
Peter Jankovic  
Colin Keith  
Gary King  
Ben Lumbers  
Darren McCormack  
Anthony Norman  
Torrie Osborn

#### Reillys Cellar Door Luncheon

This event was purchased at our Club Gala Auction for 30 paying guests to enjoy this great day. Numbers were down due to travel and illness and we only managed 24 guests. Another sensational day at Reillys Wines Cellar Door with the normal stop at Rhine Hotel on our return and the normal sing-a-long on the bus. Special thanks to Justin Ardill for his ongoing generous support.

#### Golf Day

The GFC Golf Day was played at Adelaide Shores Golf Course, another very successful day. The day was well attended by over 38 groups, the weather after an overcast day turned on a beautiful sunny day. On behalf of the GFC I would like to thank a group of men that worked tirelessly to make this day a talked about event that will remain in the 2018 events calendar – Lee Newton, David Wright and Rob Gillies. On the day thanks to the many volunteers that made it just an all-round great day, if I started to name you all, I am sure some would be missed out. Special thanks also has to go to the major sponsors of the day Brighton Foodland, Brighton Crash, Wayne Phillis Automotive, Tanti group, RJE, as well as all of the many others that donated prizes, giveaways and their time to make it a great day.

#### Closing

As this will be my last report as Chairman of the Vice Presidents Group there are people I must thank for the support they have given me. To my past Committee members Colin Keith, Peter Jacobsen, Gary Edwards, Torrie Osborne and Theresa Connaghty a big thank you.

Last but not least, thank you to my wife Keryn who has been my greatest supporter for me.

BY LAURIE ROSEWARNE  
*Chairman of the Past Players & Officials*

Due to the old grandstand being damaged and the Cricket Club taking over the Cricketer's club again we were unable to hold as many functions this year. However we once again conducted our major lottery, which was very successful along with one home match function.

#### PP&OA Cash Lottery

As mentioned above our Major Cash Lottery that was held on Saturday August 19 was a great success with a great number of tickets sold and an excellent attendance to the draw function.

This function was held in the gym area of the Function room and was hosted by Tony Symonds and Simon Angove who did a wonderful job. They introduced Chelsea Randall as our Guest speaker for the day. Chelsea was AFLW Crows co-captain of their Premiership winning team along with Erin Phillips. Chelsea spoke about her experiences in women's football and her early days in Perth playing with Fremantle. She also spoke about her trip coming up at the end of the year when she was going to walk the Kakoda trail for charity. She answered questions from Tony and Simon and from the floor and received a standing ovation for her wonderful address.

The raffle winner's prizes of \$2000, \$1000, \$500, \$300, \$100 and \$100 were handed to those winners present on the day.

Our planning for 2018 is to make this function bigger and better next year.

#### Home Match Functions

Our one home match function was held when we played West Adelaide at home in May and a very good representation of the Past Players group were in attendance and a great time was had by all. They reciprocated with an invitation to us to attend the last match of the year at Richmond Oval which was also a very good afternoon.

These functions are a very important part of our fundraising for the Club. Members of the PP&OA group are admitted free to these functions and non

members and guests pay a \$10 entry fee. These functions consist of one hour of free beer, wine and soft drink prior to the game and finger food prior to the game commencing and at half time. As in the past I wish to appeal to all our data based supporters who are not Life Members to purchase a Club membership for 2018 as we need your support to make our Club successful again on and off the field.

Both these functions were held in the part of the function centre now used as our player's gym and I wish to sincerely thank Kristin Jeffery for her excellent preparation of the room and her organisation for these functions.

I sincerely wish to thank our volunteers on these days and a very special thank you must go to Mary Hardy, who conducts our raffles on these days and supports our fundraising efforts with great enthusiasm. I also wish to thank Justin Ardill and Brad Shiell from Reillys Wines for their continued sponsorship of our group through the provision of their fantastic wine products for all our functions. It is greatly appreciated.

#### PP&OA Committee

I again wish to take this opportunity to thank the Committee members of 2018 for their time and energy spent making this year another successful fundraising effort for the Club. These gentlemen contribute significantly to our Club each year and it is very much appreciated, and I sincerely appreciate you continuing this sometimes thankless task and look forward to your continued association.

I extend many thanks to all the past players and officials who have supported us this year and I look forward to catching up with you again in 2018. In 2018 I promise you all a bigger and better entertainment programme will be put in place. I invite any past League, Reserves or Junior players, officials or volunteers to join the biggest and best Past Players and Officials group in the SANFL so please contact me via the Club and we will add you to our data base. You are all very welcome whether you were there for only one year or many more.

2017 MERIT AWARD PETER CORNWALL

Peter Cornwall has had a long time involmnet with the Glenelg Football Club starting back in 1994. In that time Peter has been a huge part of writing our club’s history from the ‘Pride of the Bay’ book, the ‘wall of fame’ featuring every Glenelg league player and the picket plaques around the oval. Peter has also been on the Hall of Fame selection panel and is currently the Chairman of the club’s history committee. Peter is a passionate and selfess volunteer of the GFC and we are extremely grateful for the hours of work he puts in to make the club a better place.

2017 MERIT AWARD TERRY MCAULIFFE

Terry has been involved with Glenelg Football Club for many years as Host and MC of our events. From Tiger Lunches to Gala Auctions and Season launches, Terry has always remained professional and one of the best in the business. We thank Terry for his years of service and congratulate him on this award.

2017 MERIT AWARD TREVOR WORTMEYER

Trevor has assisted with our Junior programs for many years as Tiger League convener. Trevor’s time and dedication to the role has been second to none. We thank him for his efforts over the years and congratulate him on this award.

HOW TO QUALIFY FOR LIFE MEMBERSHIP?

The Club has a criteria for the Board to follow when recommending Club Life Membership. This is done in order to protect the integrity of the achievement. The Board may confer Life Membership on any member who has in a special degree promoted the objects and interests of the Club according to the Constitution. Unless exceptional circumstances exist, a person may only be nominated for Life Membership after a total of 10 years’ service to the Club. Five and Ten Year Service awards are presented upon achievement. Merit Awards may be made to a member who in the previous year has performed in an outstanding way in any area of Club operations.

## 10 YEAR SERVICE AWARD KERRY DONOVAN

**Q /** How many years have you been a member? 67 years.

**Q /** What positions have you held within the club? Supporter, Property Steward, Head Property Steward, Under 18 Team Manager

**Q /** What do you enjoy most about being a GFC Volunteer? Giving back to the club I love and watching juniors coming through such as Lachy Earl, Lachie Neale and Matty Snook.

**Q /** Most memorable GFC moment? 1959 first Semi Final victory over Sturt and the 1973 Grand Final victory over North Adelaide.

**Q /** All time favourite GFC player? Neil Davies

**Q /** What does GFC mean to you? I am now 70 years of age. I have followed the GFC since I was 4 years old (a total of 66 years). The club is my life. I played for the Glenelg Primary School and our home games were played on Glenelg Oval and our coach was Chooka May the Father of Ian May who played for Glenelg and Wally May who played for Sturt.

## 2016 AJ WADHAM VOLUNTEER CLUB PERSON OF THE YEAR

### ROBERT SEARLES

*This award may be made in any year to the volunteer who has served the Club in an exemplary manner during that year in a particular area of the Club's operations involving volunteers.*

**Q /** How many years have you been a member? I received an award in 2014 for 5 years service as a volunteer at the club and I remember at the time thinking that 5 years had gone bye so quickly but I have been a life time supporter and I remember as a youngster, coming down to watch the Bays.

**Q /** What positions have you held within the club? Property Steward for the seniors side, it was by chance that a friend that I hadn't seen for a while got on the same bus to the city that I had caught and he asked if I would like to be involved with the Club, that friend was and still is Kerry Donovan, thank you Kerry.

**Q /** What do you enjoy most about being a GFC Volunteer? Simply put, the involvement and being able to spend time with quality people and seeing young players mature and achieve their goals in becoming senior players not only at Glenelg, but going on to play at an AFL club.

**Q /** Most memorable GFC moment? Personally, having my daughter Allanah tell me that she wanted to be involved at the club and going on to be one of the trainers.

I predict my most memorable GFC moment will occur in 2018.

**Q /** All time favourite GFC player? I would have to say my all time favourite player is Noel Lafsky, at player number 369 for Glenelg and also the 1953 Mail Medal winner with football club, Hatherleigh. Noel married to my Auntie on my mother's side of the family, but to be fair there are many great players at the Bay both past and present that it would be so unfair to name just one as a favourite.

**Q /** What does GFC mean to you? A great Football Club with great people.

## MERIT AWARD PETER CORNWALL

**Q /** How many years have you been involved with GFC? I was a footy writer at The News and Sunday Mail when Glenelg won back-to-back flags in 1985-86 but my close involvement with the Bays started in 1994 when I was asked to help write the club's history. I'm forever indebted to SA football historian John Wood for asking me to do it. Pride of the Bay came out in 1999 and its second version in 2003. There's another Tigers book coming, too, with help from Andrew Capel, Michael Sexton and Zac Milbank, and it's coming for the club's centenary.

**Q /** What positions have you held within the club? I have been Glenelg FC historian since 2000. I became a part of the club's first Hall of Fame selection committee in 2001 and am still a member of that committee. I also compiled the club's Wall of Fame – the list of every player who has represented the club at league level that's now in the foyer – and was on the committee for the new pickets when the players' names were displayed on those. I am chairman of the club's new history committee, which has nine other members (and they're all rippers) – Laurie Rosewarne, Tony Symonds, Andrew Capel, Zac Milbank, Mike Sexton, John Robinson, David Jenkins, Brad Shiell and Torrie Osborn.

**Q /** What do you enjoy most about being a volunteer? The people. There have not only been many champion players at this club but countless champion people as well. Everyone at the club makes you feel welcome, makes you feel part of the team and appreciates what you do. Everyone always seems to have time for a chat. They are often fighting difficult odds but their passion for the task at hand never wavers as they all strive for the thing the club needs most – a flag.

**Q /** Most memorable GFC moment? The 2001 Glenelg FC Hall of Fame dinner at Football Park was a wonderful occasion. There were so many football greats and their families, along with supporters, together in one room and 25 of the club's elite were inducted into the inaugural Hall of Fame. The fact so many great clubmen and remarkable footballers missed out that year shows the quality of those who made it. There were so many great footy stories.

**Q /** All time favourite GFC player? Stephen Kernahan and Peter Carey were absolutely unbelievable. Super! And they are legends off the field as well. Again, it gets back to the calibre of the people you meet and so many former club greats are simply outstanding human beings. You shouldn't pick favourites but goalkicking great Colin Churchett would have to be my all-time No. 1. I miss him all the time. I hugely appreciate Laurie Rosewarne's friendship, knowledge and advice. He's a legend. Ron Redford has been a long-time mate and amazing support. There's too many to name all of them but people like Graham Cornes, Ken Eustice, Neil Kerley and Tony Symonds also inspire me. And I really admire Nick Chigwidden and the way he continues to tackle his difficult job with never-ending determination. He truly deserves to be the club's next premierships president.

# HOME, SWEETER HOME

BY PETER CORNWALL

“The answer, my friend, is blowin’ in the wind.”

So wrote iconic American singer-songwriter Bob Dylan in 1962.

Back then, Glenelg Oval was state of the art, the newly-opened Edward Rix Stand and 25-year-old HY Sparks Stand standing proudly as the Tigers confidently faced the future in the days the SANFL dominated the State’s sporting landscape.

By December 2016, the Bay had a very different feel. Earlier that year Glenelg had announced its doors might have to be closed as it faced \$3m debts. The Sparks Stand – with the players’ changerooms, lockers, gym, meeting and medical rooms underneath – was decidedly dated. There had been talk about moving the weights room amid concerns about archaic facilities.

And then the wind blew.

A freak storm ripped the roof from the HY Sparks Stand, hurling sheets of metal out into the car park next to Brighton Rd. Could this be the last straw? The final siren?

Not likely. Tigers president Nick Chigwidden and chief executive Glenn Elliott have initiated a spirited fightback that has brought about a bright new look to the ground and more positive vibes about a strong, long-term outlook.

The ill-wind that caused such grave damage to the Sparks Stand has sparked a chain reaction that has given Gliderol Stadium the facelift it so desperately required and Glenelg’s players – men and women – and even the opposition top-class facilities in step with the times.

The opposition’s changerooms were also under the stands, with their coaching box and timekeepers’ room at the top of the stand. And the players’ race or tunnel came from within it. There also was the recently installed Tigers Wall of Fame, which lists every Glenelg league player in order of appearance and is a substantial five metres by two-and-a-half metres.

Just how much needed to be done would have been enough to make your head spin. But first it had to be worked out how it could be done. “It was quite confronting,” Elliott admits. “It brought everything to a standstill.”

Instead of planning how to get the Tigers back in the finals, it was all about getting them on the park. Would

Glenelg actually be able to play its home games at the Bay in the 2017 season, just three months down the track? And the Tigers’ first home game was scheduled for the opening night of the season, under lights on a Friday against Port Adelaide.

It had soon become clear there would be no new roof for the stand, which was built in 1937 and named after former Glenelg mayor Henry Yorke Sparks, who founded Glenelg Oval. It also had suffered some damage and it just wasn’t up to it any more.

There would be enough room for fans in the larger Edward Rix Stand but where would the players go?

The players’ gym was moved from the bowels of the old stand into part of the function centre facing the oval, a much better outlook for the players and obviously more enticing to potential recruits.

The function centre was built in 2002 and had become a heavy financial burden and would have required extensive renovations to be competitive anyway. The other section of the function centre has now been refurbished and is being rented by ACH Group, looking at health and fitness for the 50-plus, a new revenue stream greatly improving the club’s bottom line.

The function centre also came to the rescue in finding a place for Glenelg’s changerooms. Or at least the car park under it did. Elliott did himself out of a sheltered spot for his car but he thought the space under the centre could be enclosed and converted into his players’ rooms.

PHOTO: Construction of the new changeroom facility

There was plenty of football expertise used in the planning and building of the changerooms. Glenelg Hall of Fame goalkicking great Fred Phillis designed the new facility, while West Adelaide best and fairest Kaine Stevens and Bloods team-mate Dustin Head’s carpentry business went to work on putting it together.

There was a very strong smell of fresh paint as the players saw their rooms for the first time on the day the season opened. It was a spectacular result that had seemed highly unlikely, just like the stunning 17-point win against Port that night.

The Bays had been preparing for women’s footy with plans for changerooms in the old St John ambulance and Children and Family Health building behind the scoreboard. It was converted to accommodate visiting SANFL teams and Elliott believes the rooms “are arguably the best in the competition for that purpose”.

The opposition coaches’ box is now at the top of the Edwards Rix Stand, along with the timekeepers’ room.

“Unbelievably, the final outcome was a fantastic result for the club, the players, and dare I say, City of Holdfast Bay Council, with the improved facilities, which are state of the art,” said Elliott.

Like a successful football team, teamwork was critical, especially with such demanding deadlines. Elliott praised the supportive council, Elders, QBE Insurance

PHOTO: Construction of the new changeroom facility

and the builders, Pattersons, for the close co-operation that has ensured the club hasn’t missed a beat. The Wall of Fame fitted perfectly on the wall facing the entry to the Ray Curnow Foyer and fans – including opposition ones – are often found checking out the great and less-known names, recalling the good ol’ days.

Over summer the HY Sparks Stand has gradually been demolished to create a sheltered area featuring shade sails that will be ready for the Tigers’ first home game of 2018, in round two. History has been honoured by retaining a portion of the stand walls to become a retaining wall for the new viewing area.

The winds of change have come to the Bay – and things are getting better.

## GLENELG FOOTBALLERS CLUB INC.

### ANNUAL GENERAL MEETING for 2016 FINANCIAL YEAR

Monday 27th February 2017

(CEO) Glenn Elliott welcomed all present and reminded everyone that there are two clubs and this meeting represents an official meeting of both of these clubs. First being the Footballers Club, followed by Football Club. Glenn then introduced Chairman Nick Chigwidden.

#### 1. Welcome and apologies

N Chigwidden opened the meeting at 7.34pm and welcomed all in attendance, and introduced the board members.

Reminded all that under clause 5.6 of the Constitution that only financial members of the club as at 31 October 2016 and life members and Registered Club volunteers are entitled to vote at an AGM.

Noted that notice of the AGM advertisement was posted on 23rd November 2016 in the Advertiser and the 2016 Annual Report, including the financial statements, has been available on the club's website since 13th February 2016, and available this evening. Noted that no questions from members have been received prior to the AGM.

N Chigwidden noted the presence of our auditor, Andrew Tickle, of BDO.

#### 2. Adoption of minutes of February 2016 Annual General Meeting

Moved by Tim Kelly and seconded by John Williams, that the minutes of the Annual General Meeting held on 17 February 2016 held at The Glenelg Club Function Centre be signed as a true and correct record. CARRIED.

#### 3. Chairman's Address

N Chigwidden noted that the President would provide his joint club address during the AGM of the Glenelg Football Club Inc, immediately following.

#### 4. Board Nominations

N Chigwidden confirmed that under the Club's Constitution there is a common Board of both the Glenelg Football Club and the Glenelg Footballers Club. The elected board members of the Glenelg Football Club automatically become the Board members of the Glenelg Footballers Club. As a result, the nominations for the board positions and any required election would occur at the AGM of the Glenelg Football Club, immediately following.

#### 5. Adoption of Annual Report and Financial Statements

Chairman stated that the CEO's presentation and any questions from the floor be adjourned until the Football presentation.

The 2016 Annual Report and Financial Statements were moved by David Whelan and seconded by Brian Curnow, that they were true and correct. CARRIED.

#### 5. Appointment of Auditor

Moved by Peter Jankovic and seconded by Brian Curnow that BDO Chartered Accountants and Business Advisors be appointed for 2016. CARRIED.

#### 6. General Business

The Chairman advised that questions will be answered during the AGM of the Glenelg Football Club.

Meeting closed 7.40 pm

ANNUAL GENERAL MEETING for 2016 FINANCIAL YEAR

Monday 27th February 2017

1. Welcome and apologies

Meeting opened at 7.42pm by President Nick Chigwidden. N Chigwidden welcomed all in attendance.

N Chigwidden reminded all that under clause 5.6 of the Constitution that only financial members of the club as at 31 October 2016 and life members and Registered Club volunteers are entitled vote at an AGM. He noted that notice of the AGM was posted on 23 November 2016 in the Advertiser and that 2016 Annual Report had been made available on the club's website as from Monday 15th February 2017, and available tonight. It was noted that no questions from members have been received prior to the AGM.

2. Adoption of minutes of February 2016 Annual General Meeting

Moved by John Williams and seconded by Chris Bone that the minutes of the Annual General Meeting held on 10 February 2015 held at The Glenelg Club Function Centre be signed as a true and correct record. CARRIED.

3. President's Address

N Chigwidden presented the Chairman's address.

- Club had recorded a consolidated full year profit of \$14,000 following significant losses in the previous three years. This figure is after Depreciation of \$144,000 and Interest payments of \$202,000. The latter represents 'dead money' for a sporting Club as it prevents investment in the core business of football and infrastructure
- Debt had been reduced by \$320,000 due to funds received from the proceeds of AAMI Stadium and the Save the Tigers campaign
- The HY Sparks Grandstand matter was yet to be resolved, but reported that it would not be available for use in the 2017 season. Temporary facilities would be in place to ensure that the Club played football at Gliderol Stadium this season
- Fred Phillis was acknowledged for his support and effort with plans and engineering for the temporary facilities
- Visitor change rooms are being moved behind the scoreboard into the St Johns change rooms and will be completed by round 1 which will also be the home for our Women's team
- Members and Sponsors were thanked for their continued support of the Club and acknowledged relationship with Gliderol
- Acknowledged the outstanding, loyal commitment and contribution from two of the clubs long serving volunteers, late Fred Drolsbach and Alan Wilson
- On the field we did not deliver the results that we would have liked and expressed his frustration that we did not participate in finals. In saying that, there was some positive signs of development and team maturity.
- Acknowledge the outstanding season from Josh Scott, 2016 Best & Fairest and Leading goal kicker
- Congratulated the Country U15 & U17 teams who went through the Country champs undefeated
- Acknowledged 2016 Drafted players – Willie Rioli, Liam Mackie, Toby Pink Mitch Hinge
- Acknowledged the outstanding jobs that Brenton Hole, Tom Javor and the Junior development coaches do to achieve the above results
- Recognised the growing nature of AFLW and the inclusion of a Glenelg women's team in the Inaugural 2017 State-wide Super Women's league
- Congratulate Glenn and his team for the excellent job they have done managing and implementing the day to day functions of the Glenelg Football Club and placing us in a profitable position
- Thanked the board for their support and hard work across the year
- Urged members and supporters to show their support in 2017

4. Board Nominations

N Chigwidden outlined that three nominations were received for the Board, that of Justin Scripps seeking re-election, Tony Bria and Brian Veale both seeking election. There were no other nominations received.

5. CEO Report & adoption of Annual Report and Financial Statements

N Chigwidden introduced CEO G Elliott who addressed the purpose of the club, the mission statement, vision and then provided an overview of the financial statements and operational activities commensurate with the Annual Report.

Moved by Brian Curnow and seconded by Peter Jankovic that the 2016 Annual Report and Financial Statements be adopted. CARRIED.

5. Presentations

President N Chigwidden invited Justin Scripps to the stage to present the following awards:

- Merit Award – Glenn Bulley
- Merit Award – Brian Robinson
- AJ Wadham Volunteer of the year – Rob Searles
- Ten year service award – Tina Donovan
- Five year service award – Craig Goodenough, Simon Johnson, Allanah Searles, Chris Okely
- Five year player awards – Riley McFarlane, Max Proud

6. Senior Coach

The Chairman invited M Lokan to address the AGM.

M Lokan congratulated all award recipients. Recognised the improvement from the last season and reiterated our young and inexperienced playing group. Acknowledged the fantastic temporary gym. Expressed his excitement about the appointment of Brad Keller as High Performance Manager for the upcoming season. Has described the pre-season as being tough for the playing group. All data states there has been a vast improvement with their fitness, and smaller players have gained weight where appropriate. He shared his firm expectations that have been placed on the players in regards to the culture, values, success and leadership he requires. Re-iterated the importance of playing finals. Game plan will not change too much, other than a focus on midfield defence. Gave an overview on new recruits. Consistency is the aim. Questions were then welcomed from the floor.

John Hill – Q - Jake Johansen, what's the story? A – Jake was not following the direction we wanted and the players, coaches and club made a decision to let him go.

Tim Kelly – Q – Is it true the players have to pay for their Best & Fairest ticket? Do we require players to sign a contract saying they will pay for their ticket? A – It is not unreasonable for our players to pay. Whether that is B&F tickets or other tickets, it is not unreasonable.

7. Declaration of the poll

N Chigwidden noted the presence of our auditor Andrew Tickle of BDO who as returning officer conducted the election.

Justin Scripps was re-elected with 119 votes  
Brian Veale was elected with 110 votes

8. Appointment of Auditor

Moved by D Whelan, seconded by Kerry Donovan that BDO Chartered Accountants and Business Advisors be appointed for 2017. CARRIED.

9. General Business

John Williams – Q – Opposition change rooms, how are they going to access the ground? A – Facilities are better than our current rooms and access will be gained behind the scoreboard.

Chris Bone – Q – When do we start training at Gliderol Stadium? A – On the 1st of April is when we officially have the oval back from the cricket club.

Meeting closed 8:30 pm

Attendance: 92
