PRESIDENT'S REPORT

BY NICK CHIGWIDEN

It is with a great feeling of pride and satisfaction I compile the 2019 Presidents report. The results the club achieved both on and off the field across the year were simply exceptional and a wonderful reward for the huge number of people that have worked tirelessly through times of extreme adversity without ever losing faith and belief that we could achieve the ultimate goal of winning the Premiership. On Grand Final day/evening, to be able to witness the sheer excitement and joy on the faces of not just the players, but our extremely loyal and long suffering members and supporters was something I will never forget. The day made even more special by beating our arch-rival Port Adelaide.

Congratulations to Mark Stone and the playing group on what was a magnificent performance not only on Grand Final Day but across the year. As supporters we were confident that each week the team would give 100%, which is all we can ask for as a club. Paul Sandercock in his role as Football Manager has done an excellent job over recent years to formulate a squad of players with strong character and skills for Mark and the coaches to work with. It is exciting news that Mark has extended his contract with Glenelg for another 3 years, enabling the club to continue to build on this culture and hunger for sustained success.

Glenelg Football Club was awarded the Stanley H Lewis Cup for the most successful club across all grades in the SANFL. The under 16's won the Premiership and the under 18's and reserves played off in the Finals. This was a remarkable effort when you take into consideration how young our reserves team was throughout the year and especially in the finals, which in turn puts pressure on the under 18's. The GFCW team also played some great football and continued to develop and improve as the season progressed, making the SANFLW Finals. Congratulations to all the coaches and support teams working with these grades, your efforts were certainly outstanding.

I must acknowledge some exceptional individual performances in 2019 with Luke Partington winning the Magarey Medal, Liam McBean the Ken Farmer Medal for the leading goal kicker, Mathew Snook the Jack Oatey Medal for best afield on Grand Final Day and Jesse White being awarded the John H Ellers Award as the club's Best & Fairest player across the season.

It was simply an outstanding result by everyone involved in the football department and a massive thankyou to all of you, especially the volunteers for the countless hours you put in across the year to enable our teams to have the best chance of success.

The financial result was also extremely positive, with the club achieving a \$447,050 consolidated net profit. This is the fourth year in a row that we have written a profit, which enables the club the opportunity to reinvest into our football resources and facilities for our members, supporters and local community.

It was also positive to see our debt reduce by \$320k in 2019. Whilst our debt position continues to improve, high debt levels continue to remain our biggest challenge and a major focus of the Board.

The excellent relationship we have with the council continued and we are working through these financial challenges with them. We thank Amanda Wilson (Mayor), Roberto Bria (CEO of COHFB) and the COHFB elected members for their continued support.

We have provided a financial executive summary in the annual report that succinctly details our current financial position for you, rather than me expanding on it here.

There have been some significant announcements recently in regards to leadership changes at the Glenelg Football Club for 2020. Glenn Elliott, who has been CEO of the club for the last 4 years, has retired to spend more time with his wife, Lois, and their family. Glenn has done an excellent job, after coming into Glenelg Football Club at an extremely vulnerable and difficult time. He must be congratulated on the leadership and direction he provided his team over his time at GFC. The Premiership and the current financial position are a testament to Glenn's efforts and he deserves considerable recognition for this transformation. On behalf of everyone at Glenelg Football Club, I would like to thank Glenn for his outstanding service and wish him, Lois and his family all the best for the future.

Nathan Godfrey has been appointed as CEO, starting in late January 2020. Nathan has an outstanding background, including experience working across multiple codes such as AFL, A-League, and Rugby Union.

Peter Carey also replaced me as President at our October board meeting. As most people were aware this was planned at the start of 2019, and it is a real coup for the club to have someone with Peter's credentials and passion for GFC to take on the Presidents role. I believe one of the most important roles of a President is to ensure there is a strong succession plan and I could not be more confident of Glenelg's future with Peter stepping into the position.

I have really enjoyed my time as President of the Glenelg Football Club and feel honoured to have been given the privilege to have this role for the last 5 years. I would like to thank everyone involved with the club for their support, even when at times I know the decisions that we made were not universally agreed on. To the Board in-particular that have worked extremely hard to drive success and a strong culture at the club, thank you for your support and commitment, it is much appreciated. To Glenn, Kristin Jeffrey, Paul Sandercock, Mark Stone, Emma Ross and Damien Owens, I have enjoyed working closely with you and appreciate your passion for the club and the hard work and genuine care you and your teams show to ensure we continue to improve on and off the field.

A list of acknowledgements is printed later in the report thanking everyone who has been involved last season, so I will not repeat that. However, to all our sponsors at every level, thank you for your continued association with the Glenelg Football Club, without your support we could not survive.

To all the volunteers, members, past players and supporters, thank you for remaining loyal to the Tigers and I am so happy we could put a smile on your face in 2019. As a club we will be doing everything in our power to ensure 2020 will be another year to enjoy and remember.

2020 brings new challenges that we have not faced for many years. They are the weight of expectations, which requires discipline, focus and an unwavering belief that if we stick to our trade marks we will continue to be successful. What a great position to be in, and under the new leadership of Peter and Nathan, I know we are in very good hands.

Thank you again for your support during my term as President and please join up as a member, as without you it is not possible for the Club to achieve sustained success.

Nick Chigwidden
Past President

BY PETER CAREY

I would like to reiterate all of Nick's comments above. What an outstanding year and certainly a long time coming. To all the people involved, you should be extremely proud of what we have achieved over the last few years.

I would also like to recognize the efforts of our President over the last 5 years. He took over the club when we were challenged to keep our doors open. He has worked tirelessly to help get the club back on track.

I was so pleased when he was recognised as a Great of Glenelg at our best and fairest awards. He thoroughly deserves this recognition. He has left the President's role in great shape and I'm looking forward to 2020 to building on his significant achievements.

Peter Carey
Incumbent President

Whilst the financial results show stability, we still need to maintain improvements in our financial results to assist us in reducing our debt and reinvesting back in the Clubs. We appreciate the ongoing support we have received from the City of Holdfast Bay. Our main source of income in Gaming Revenue has improved following re/branding and investment in new gaming machines and promotions. We acknowledge the social responsibilities around gaming, but respect that this is a major revenue line for the for many SANFL Clubs, with returns largely linked to each Club's geographical location. We continue to focus on our Bar and Kitchen sales, with both portfolios returning sound results. Both are areas of continuous improvement and daily delivery of both quality and variety meal offerings and customer service. Over the past two years we have developed a cost-efficient business model.

On the football side, the premiership led to improved results in most portfolios, including membership, merchandise and sponsorship. The pleasing thing is that our Sponsorship remains one of the highest in the SANFL, which credit needs to be given to the Commercial team. Our football expenses declined in 2019, but we continue to review our football department expenditure to ensure that we operate efficient yet highly competitive football operations.

Based on the original SANFL Land Divestment Distribution projected of \$2m, which we are still due to receive \$1,225,000 by October 2022, we are projecting our debt to the ANZ Bank to be \$227,666 and the City of Holdfast Bay to be \$1,029,589 at the end of October 2022. Based on financial outcomes we will not extinguish the balance of our debt of \$1,257,589 by October 2022 and therefore the Board are still looking for strategies to clear the balance of debt by the time we receive the final SANFL Land Divestment distribution in October 2022.

We look forward to a successful 2020 football year which would go a long way to sustaining our improved financial results.

CEO REPORT

BY GLENN ELLIOT

Finally – after 33 years, Tiger supporters got to hear the Club song ‘We’re from Tigerland’ played out repeatedly through the Adelaide Oval PA as the last footy Club song played in 2019. It was so rewarding to see and feel the sheer joy of our supporters who have remained loyal after such a long premiership drought.

The Club has not deviated from our pursuit of the two key challenges necessary to achieve third party respect within the SANFL – winning football matches and financial sustainability. Our Club has now earned that respect, with ongoing performances the only way to maintain same. The key outcomes for 2019 are that we:

- Won the 2019 SANFL premiership
- Recorded our fourth year of consecutive profits
- Continued to engage our members, Council and the broader community
- Pursued continuous improvement for our business footprint

Glenelg Club

We are now a competitive venue within the local market. Profitability is non-negotiable as it is the only means by which we can continue to finance our extensive football programs and to invest in infrastructure. Our aim is to be a venue of choice within the market, which is more than just being a football club which provides a hospitality service – there is a clear point of difference. The support from the broader community has grown significantly.

Sponsorship

Glenelg again achieved a strong outcome underpinned by ACH Group as Stadium Naming Rights Partner and Gliderol continuing their involvement as our front of guernsey sponsor.

Membership

An extract from last year’s report: “Resilient is the apt word to describe our members with most joining because ‘Glenelg is my Club’. We all crave on field success culminating in finals participation. The results towards the latter end of the season, six wins in succession, provide an outstanding launch pad for the 2019 season”

The premiership was the ultimate reward for all those who chose to renew or join the Club for the 2019 season, we look forward to 2020 with high expectations, please stay with us

Football

The premiership was the ultimate reward for consistent philosophies and strategies. Led by Coach Mark Stone, the playing group remained true to its agreed trademarks in every match played throughout the year. No accolade is too big in recognizing their achievement, culminating in the longest victory lap seen at Adelaide Oval for some time! We are now well coached, have great facilities and playing list – the ultimate factors for football success

Acknowledgements

I would like to acknowledge the Club for providing me with the opportunity to at first start and then continue my career in football administration. We should all be grateful for our involvement in this sporting code, none of us created the game, our role is to nurture it, care for it and leave it in better shape than that which we found it – so many persons at our Club have done that over the years, long may it continue. We must all embrace the challenge to protect the integrity of the SANFL competition and ensure its sustainability

Everybody’s Welcome @ the Bay

The transformation of our business footprint on Brighton Road has continued, which is evident in the following. It forms part of our commitment to continuous improvement at levels of the Club.

FOOTBALL REPORT

BY PAUL SANDERCOCK

Season 2019 saw the Tigers end a 33-year Premiership drought with a ruthless and entertaining style of football. Foundations for such a successful year were laid at the beginning of 2018 with the appointment of Mark Stone as Senior Coach. Winning the last 6 games of the 2018 season also indicated that the club had the game plan and players to return to finals football. As a result, there was an expectation in the air.

The additions of Cory Gregson (returning to the club from Geelong) and Luke Partington (returning to Adelaide after several years at West Coast) bolstered the midfield, while the return of Brad Agnew and Liam McBean from overseas adventures gave us more flexibility and experience. Michael Virgin joined us after a year away from SANFL football, while Rulla Kelly-Mansell joined us from Tasmania.

Luke Partington had an outstanding year. He won the Magarey Medal, The R.O. Shearman Medal (Coaches votes) and the SANFL Digital Pass Player of the Year. Liam McBean won the Ken Farmer Medal (SANFL Leading Goalkicker) and Matt Snook won the Jack Oatey Medal for Best on Ground in the Grand Final. We also had Chris Curran and Max Proud as members of SA State Team. Both players made great contributions as the side beat WA on their home turf.

Two players achieved the 100-game milestone for the club this year. Chris Curran and Matt Snook were rewarded for their consistency and commitment over many years. Marlon Motlop also played his 100th SANFL match, having played a number of games with West and North before joining Glenelg. The 100-game milestone at SANFL level is a great achievement in the current football climate.

The Club has again experienced a significant turnover of players since the end of season 2019. The challenge continues to find the balance between family, work and football. Several players have left this year looking for more opportunities.

The Club would like to thank the following players for their commitment to the Glenelg Football Club: Ben Sawford (South), Josh Koster (West), Sam Davis (North), Jesse White (retired), Seb Schreiber (Country), Brad Potter, Elliot Chalmers (North) and Josh Scott (Country). Chris Curran will be returning to the club in 2021 after undertaking a country placement with his medical studies.

Congratulations to Will Gould (Sydney) and Brad Close (Geelong) on their selection in the 2019 AFL National Draft. We look forward to watching them develop at the highest level and wish them all the very best as they embark on the next phase of their footy journey.

The GFCW Team showed significant improvement in season 2019. Jason Fairall (Coach) worked tirelessly in the off-season to recruit players who were committed and willing to work hard to improve. He introduced a game style that was well received by the players and this resulted in a much better on-field performance. Jason was well supported by Lexia Edwards, Tammy Scott and Ang Moritz in providing a program that saw many of the girls improve rapidly. The emergence of Caitlin Gould, Ellen Fauser and Sam Franson saw them have an influence on game day. The continued development of Madisyn Freeman and Tamsyn Morriss was pleasing to watch, and the performances of Lucy Bellinger, Cass Hartley and Ellie Kellock all contributed to the club playing finals football for the first time. A loss to North in the Elimination Final (Grand Finalists) by 2 points was a reflection of how much ground the girls had made up from the previous season.

Cass Hartley has decided to step down from the Captaincy in season 2020. I would personally like to thank Cass for her dedication to the role, her leadership, her support of the GFC and for her willingness to get involved and represent the club in such a professional manner. Cass has set a great example for others to follow and has been an enormous contributor to the GFCW program since its inception.

The club would like to thank Kieron Hicks for coaching the Under 18 team and working so diligently as our Talent Manager. Kieron has earned the respect of all involved in the SANFL in his short time with the Club. He will continue to assist the GFC SE Academies as he returns home to Padthaway to be closer to family as he and partner Jess await the birth of their first child. I wish them both all the very best for the exciting times ahead. Kieron has been replaced by Darren Trevena. Darren brings with him a wealth of experience from a coaching and administration perspective.

Scott Uppington in his first year as Coach continued the recent success of our Under 16 team. Scott worked hard at providing the players with a well-rounded program. He had the boys playing exciting football by seasons end and victory was well deserved.

Paul Sherwood decided to end his role as Senior Assistant Coach at the end of the season. We are disappointed to lose such a valued clubman and Coach. Paul developed strong relationships with the players in his short stay back at Glenelg. He returns to Westminster OS as their Senior Coach for 2020.

Season 2020 will see Clinton Alleway, Jack Horan and Adam Hartlett join the Senior Coaching panel. They have all had successful SANFL careers and have coached their own sides in recent years. Their addition to the coaching staff will not only offer a great deal of support to Mark but also the playing group as they draw on their experiences.

Season 2020 is upon us and with that we face a different challenge. We are now the competition pacesetter in a very even competition. All clubs strive to improve in the off-season, and we are no different. While we have seen the loss of several key players, the club has recruited well to fill the void. Matt Allen and Billy Stretch have returned to the club after several years in the AFL. Jack Hannath joins us from NT Thunder and Curtis McCarthy and Jackson Edwards have also returned to the club after stints in Victoria. The development of some of our younger players such as Reid Kuller, Jordan Moore and Callum Park will be exciting to watch, as will the continued improvement of Brady Searle, Seb Kerrish, Darcy LeCornu and Finn Betterman.

PAST PLAYERS & OFFICIALS

BY KEITH KUHLMANN

GFC Past Players and Officials Association 2019 Annual Report:

The Year of the Tiger!

Congratulations to Mark Stone and the League Team on their complete domination of the SANFL competition in winning every possible individual and team award!

The PP&O have also had a successful year –

Beginning with the Season launch and the unveiling of the newly painted changerooms displaying the 100 game players and Magarey medallists. Congratulations to Luke Partington for adding his name to this list. In addition we launched the Past Players and Official awards for each home game and an end of year Home Game Award. This award was won by Matt Snook.

Drinks Van:

Our second year of running the drinks van on the scoreboard hill continued to grow successfully. Greater stock control, increased efficiencies and burgeoning support meant a significantly improved turnover.

The Past Players and Officials profit for this year totalled \$38 000. An incredible result – more than doubling that of 2018! In addition we organised bins for recycling the cans at home games and nearly \$700 was, specifically, directed to the Tiger Academy (U13, U14, U15s).

As our focus on home games has been at the drinks van, we only had 2 functions in the club this year. The home game where we hosted South Adelaide, and our Cash Lottery day (against Norwood).

The Cash Lottery Day was again hugely well supported and received. Andrew Costello was a popular and passionate speaker. Once again we sold all 150 tickets. Congratulations to Peter Carey -the \$2000 first prize winner! (and to all the other prize winners).

Special acknowledgement goes to our loyal sponsors – Reilly's wines (Justin Ardill and Brad Shiell), SA Brewing (Todd Winstanley), the Palmer group (Tony Symonds), Cove Print (Alan White) and Vilis.

Procuring a more permanent structure for our activities is on hold while the Council and Club review the masterplan for the oval and precinct.

Welcome Back:

The reunion of the 1979 U19 Premiership team on August 17th was a highlight for the PP&O. Coach Bill Heron and Captain Brad Mesecke were joined by approximately 18 others. The League team easily disposed of West Adelaide and an enjoyable day of catching up continued with most staying on for dinner at the Club. Due to the positive response, a home game each year will be nominated for this group to continue to reconnect with each other and the club.

Enormous thanks to Kristin Jeffery, Matt Wald, Vanessa Vonarx, Glenn Elliott and other staff for the efforts and support of the PP&O.

Finally many thanks to our group of “grumpy old men” (ie the committee) - Tony Symonds, Geoff Tanner, Colin Scripps, Allan Bartlett, Rex Voigt, Laurie Rosewarne, Torrie Osborn, Simon Angove and Nick Chigwidden. Your time, commitment, enthusiasm and varied expertise have been outstanding. Well done!

A special mention to Chiggy on his amazing leadership as GFC president over the years.

If any past League, Reserves or Junior players, officials or volunteers are not receiving our communications please contact the club or any committee member and we will add you to our growing database.

2018 AGM MINUTES

GLENELG FOOTBALL CLUB

GLENELG FOOTBALL CLUB INC. **ANNUAL GENERAL MEETING for 2018 FINANCIAL YEAR** **Monday 25th February 2019**

1. Welcome and apologies

Meeting opened at 7.57 pm by President Nick Chigwidden. N Chigwidden welcomed all in attendance.

N Chigwidden reminded all that under clause 5.6 of the Constitution that only financial members of the club as at 31 October 2018, Life Members and Registered Club volunteers are entitled vote at an AGM. He advised that notice of the AGM was posted on 27 November 2018 in the Advertiser and that 2018 Annual Report had been made available on the club's website as from 12th February 2019, and available tonight. It was noted that no questions from members have been received prior to the AGM.

N Chigwidden noted the presence of our auditor Andrew Tickle of BDO.

2. Adoption of Minutes of February 2018 Annual General Meeting

Moved by Andrew Capel and seconded by Gary Edwards that the Minutes of the 2018 Annual General Meeting be signed as a true and correct record. CARRIED.

3. President's Address

N Chigwidden presented the Chairman's address.

- Debt had been reduced by \$484,499 and Trade Creditors by \$362,406. Our cash position remains quite tight. Key savings were made in the Licenced Club - \$178k and Football Club of \$167k
- The City of Holdfast Bay must be acknowledged for their support and the positive impact that this is having on the Glenelg Football Club
- We have welcomed the ACH Group as a tenant and partner. Their fit out is spectacular and is evidence of their commitment for the long term
- Glenelg now has first class changerooms and gymnasium facilities. Council has invested in creating a new facility at the Sparks Grandstand site
- Members and Sponsors were thanked for their continued support of the Club and acknowledged the relationship with Gliderol
- The Vice President Group led by Gary King whilst well intentioned has recorded ever declining results in recent years. As a result, it is recommended that it cease in its current form and an alternative fund-raising option be explored. Whilst disappointing for some, the VP history

will be preserved.

- On the field we did not deliver the results we anticipated and ended in frustration by not participating in finals. We reviewed football only to have the coach leave and take up a position at Port Adelaide. We conveyed our disappointment to Port Adelaide with no response. The Club wished Matt Lokan well.
- The Club appointed an experienced AFL experienced person in Mark Stone to the position of coach. Mark has impressed all at the Club since joining. His appointment along with targeted recruiting has give the Club an excellent platform for 2018
- Congratulated our U/16 team for again winning the competition. Layne Trembath has now moved up to coach the 18's
- Acknowledged 2017 Drafted players – Dom Barry, Darcy Fogarty and Jackson Edwards
- Acknowledged Brenton Hole who has now left the Club after 10 years' service, he made a massive contribution to junior football. Likewise, Trevor Wortmeyer who has been the schools' convenor for a long time and ensured its success
- Laurie Rosewornes has stepped down as Chairman of the Past Players and again has been a great servant of the Club
- Congratulate Glenn and his team for the excellent job they have done managing and implementing the day to day functions of the Glenelg Football Club and placing us in a profitable position
- Thank the board for their support and hard work across the year. If the proposed Constitution is approved by the members, Board numbers will reduce from 10 to 8. Long serving Board Members in John Kavanagh and Gary King would step down and the Club expresses its appreciation for their contribution
- We have done everything in our power to ensure a successful 2019

4. Board Nominations

N Chigwidden outlined that two nominations were received for the Board, that of Justin Scripps and Peter Carey. As there were only two vacancies and no other nominations were received, both were duly appointed for a two-year term.
