PRESIDENT'S REPORT

BY PETER CAREY

Well 2020 was a year like no other in our Club's history. Having to contend with the coronavirus and all it threw at us was very challenging for everyone at the football club. With all staff stood down, except the CEO, and players signing a contract for \$1 a game, it was a very different year for us. JobKeeper was a lifesaver for us and all our employees, including players. Without this support, I'm not sure our Club would have survived financially.

Our newly appointed CEO, Nathan Godfrey, commenced at the club in late January 2020 and left in June 2020. We thank Nathan for his efforts during this difficult time and wish him and his family all the success in the future. Justin Scripps was appointed as Interim CEO in June, and became our permanent CEO in September 2020. Justin has settled into the role really well after a number of years on the Board. He has done a wonderful job guiding us through what has been one of the toughest periods in our history. His passion and commitment to the Club is unquestionable, and I look forward to working with Justin as we continue to strive to be a high performing organisation both on and off the field.

Post season, to add to the already difficult year, our coach Mark Stone received an offer from the Brisbane Lions that was too good to refuse. Mark made an incredible contribution to our Club in the three years he was with us. I believe the influence he had on changing the culture of our Club ranks with what Neil Kerley was able to achieve when he came to the Club in 1967. The role of Strategy Coach in Brisbane is a perfect position for Mark. I would like to wish Mark, Kerry, Lila and Lenny all the best in their new adventure in Queensland and thank them for their commitment to the Glenelg Football Club.

The positive side to Mark leaving the Club late in the year was that Brett Hand became available to coach the Club after departing Greater Western Sydney. Brett has a wealth of experience in the AFL system, including five years as Head Coach of their NEAFL and also coaching St Marys in the NTFL to two premierships. He came out of self-isolation on January 19th and flew to Darwin on January 20th. The five days in Darwin gave him a great opportunity to spend time with the players. He has settled into his role really well and we are all looking forward to him leading a successful Glenelg team in season 2021. We also welcome Brett Exelby to the Club as League Assistant Coach and Joel Tucker as our Reserves Coach.

Our performances on the field weren't as impressive as in 2019, but I felt, given the turnover of players, we finished around where we deserved to. We have recruited well, and have Chris Curran returning from medical studies in Renmark to be with us full-time, and Aaron Joseph returning from retirement, so I am expecting a bold showing this year.

Our Women's side fielded a lot of new players last year and we can expect an improved showing from the 5th position this year. Jason Fairall has done a great job as Senior Coach.

A huge thankyou to all the coaches and support teams working with all our football grades, your efforts were certainly outstanding.

I must acknowledge some exceptional individual performances in 2020, with Liam McBean again winning the Ken Farmer Medal for the leading goal kicker, and Mathew Snook the John H Ellers Award as the Club's Best & Fairest player for 2020.

LIAM MCBEAN | FIRST SEMI FINAL V SOUTH ADELAIDE
PHOTOGRAPHER: GORDON ANDERSON

The financial result was also extremely positive with the Club achieving a \$555,889 consolidated net profit. This is the fifth year in a row that we have written a profit, which enables the Club the opportunity to reinvest into our football resources and facilities for our members, supporters and local community. Our debt position remains our biggest challenge and a major focus of the Board. The excellent relationship we have with the City of Holdfast Bay Council (COHFB) continues, and we are working through these financial challenges with them. Thanks to Amanda Wilson (Mayor), Roberto Bria (CEO of COHFB) and the COHFB elected members for their continued support. We have provided a financial executive summary in the annual report that succinctly details our current financial position for you, rather than me expanding on it here.

I would like to thank the Board in particular that have worked extremely hard to drive success and a strong culture at the Club, thank you for your support and commitment. To Justin Scripps, Kristin Jeffery, Paul Sandercock, Mark Stone, Emma Ross and Damien Owens, the effort you all put in during 2020 has been outstanding, and your passion for the Club and the hard work and genuine care you and your teams show ensure we continue to improve both on and off the field.

A list of acknowledgements is printed later in the report thanking everyone who was involved last season, so I will not repeat that. However, to all our sponsors at every level, thank you for your continued association with the Glenelg Football Club. Without your support we could not survive.

To all the volunteers, members, past players and supporters, thank you for remaining loyal to the Tigers. As a Club we will be doing everything in our power to ensure 2021 will be another year to enjoy and remember.

2021 will bring new challenges that we have not faced before as our Club community learns to live with COVID. I am confident that our football team, coaches, football support staff, volunteers, Club staff, Board, sponsors and supporters will team together to overcome every adversity.

Thank you again for your support during my first year as President, and please join up as a member if you are not already, as without you it is not possible for the Club to achieve sustained success.

Peter Carey
President

EXECUTIVE FINANCIAL SUMMARY

Glenelg Football Club Inc & Glenelg Footballers' Club Inc
Financial Summary for the 31 October 2020 Financial Statements:

The consolidated Statutory Net Profit for the year ended 31 October 2020 for the Glenelg Football Club Trust (Venue) and the Glenelg Football Club (Football) was \$555,889. The leading factors in producing this was the overwhelming support from Members and Sponsors during an extremely difficult year dealing with COVID-19 and the Government Stimulus the clubs were able to access.

Please see below table to show our adjusted Net Profit results:

Glenelg Football Club Consolidated Results

For the Year Ended 31 October 2020 | Summary of Profit & Loss Statement

	2020	2019	2018	2017	2016
Footballers' Club (Venue) Net Profit	285,137	359,325	272,610	341,318	250,495

Consolidated Cash Net Profit:	224,922	310,281	157,174	112,594	72,416

2020 started on a high riding on the back of the 2019 Premiership. The results of 2019 had put the Club in an unprecedented financial situation upon which the plan for 2020 was to capitalize on the success and further add to the increasing stability of our financial future.

As concerns grew surrounding the global pandemic, focus shifted away from growth to survival. Faced with the prospect of long term shutdowns, cashflow projections and scenario what-if calculations became the normal routine for every day. These worst case projections gave a story of large losses and financial security erosion. Throughout March, April and May, careful management of the financial resources was fundamental to ensure that we were able to pay all creditors and to keep staff financial. During this time the Club faced depleting cashflows and we were focused on innovative ways to generate income. Thankfully we were able to return to trade during June, although at a reduced capacity and with higher costs associated with COVID compliance.

The Club is extremely thankful to all for their continued support when we were all facing a very uncertain future, whether it was through the merchandise sales, memberships, donations, patronage at the venue, and sponsorship, along with the conscious reduction in spending the Club was able to trade through. Supplementing all our efforts was the Federal, State and Local Government's financial support that the clubs were able to access, including State Government grants, Rent relief, Payroll Tax reductions, JobKeeper and the Cash Flow Boost.

It has been an extremely tough year for the Club, for our members, supporters, sponsors and the world in general. However despite the bleak prospect that we faced early in the lockdown of 2020, we have arrived to face 2021 with financial security and ready to continue improving our community worth.

2020 FOOTBALL RESULTS

CEO REPORT

BY JUSTIN SCRIPPS

2020 will go down in world history as the year when the Covid-19 pandemic had a significant effect on the health and economic wellbeing of our global society. No-one escaped its wrath. The sustainability of the SANFL competition and each Club needed diligent and prudent financial management to survive and it was a credit to SANFL and Club football administrators to be able to mobilise a 14-game season without disruption, something no other State League competition was able to achieve.

Having arrived at this great Club as a player in 1995, the opportunity to lead the business out of a global pandemic has been challenging and relentless but extremely rewarding. I spoke to the playing groups when I started the role in June 2020 to reinforce my commitment as CEO to provide them with not only an environment to win our 6th premiership, but to challenge for a premiership every year we play, whereby we make the right decisions for the Club, we support our key leaders to drive high standards, we walk-the-walk to building a greater 'one Club' culture, and engage our members and community on our journey to create a dynasty. As a passionate Glenelg Football Club past player and Board member, this is the foundation of every decision I make in the business.

From a Club perspective, there were several key challenges that confronted the Club during the pandemic:

1. Significant and immediate funding cuts from our SANFL distribution.
2. Covid related business shutdowns and/or patron limits that compromised our venue revenue.
3. Having to constantly undertake stringent budget and cash flow management re-forecasting.
4. Supporting our staff, coaches, players and volunteers through personal hardship and stressful working conditions.

JUSTIN SCRIPPS | ROUND 8
PHOTOGRAPHER: GORDON ANDERSON

As the year progressed, strict government health controls provided more stability for us to start generating revenue from our football and venue operations. Significantly, both State and Commonwealth Governments started to mobilise stimulus packages for the community from which our Club benefited from.

Finance:

As highlighted above, there were many changes to revenue items in the budget highlighted by:

- A reduction in the budgeted SANFL Distribution from \$723,000 to \$306,000.
- A reduction in budgeted food and beverage sales from \$2.3M to \$1.4M.
- A reduction in net match day revenue from a budgeted \$72,000 to \$31,000.

This was, however, counteracted by:

- A net reduction in player match payments from \$450,000 to \$11,000
- A net increase in various Government stimulus packages for which the Club was eligible:
 - SA Government (financial viability fund) \$51,000
 - Commonwealth Cash Flow Boost Program \$200,000
 - Commonwealth Job Keeper Initiative Net \$214,000
 - Payroll Tax rebates \$7,000
 - TOTAL Govt stimulus funds \$472,000

The net result outcome of a year of complete financial volatility and stringent week-by-week financial management practices was a Consolidated Cash Net Profit of \$555,889. Importantly, excluding the net Government stimulus, the Club was able to produce a modest operational profit of \$83,514.

Football:

From a football perspective, we had quite a turnover of players from our 2019 premiership team, losing nine players from that team predominantly through retirement and the AFL draft. Trying to prepare a fit and healthy team during an interrupted pre-season and period of strict government social distancing regulations was difficult for our coaching staff. Our coaches, support staff, medical team and players must be commended for their determination and flexibility to adjust their program and training routines in order for the SANFL season to commence.

As the season progressed, it was clear that the teams that had sufficient depth of senior players to endure the 14-game home

and away fixture with no byes were going to give themselves every opportunity to challenge for the premiership. Our League team finished fourth, losing in the semi final to South Adelaide, who proved to be too strong on the day.

The Glenelg Club:

The Glenelg Club, like all hospitality venues, was not immune to the heavy restriction placed on licensed operators in order to support the government's efforts to minimise the spread of Covid-19. Social distancing regulations meant that the business could not operate at 100% capacity. For the most part of the year, the venue could only support 25% - 50% capacity.

From a community perspective, it was great that we could provide an avenue for our members and regular patrons to reconnect again after a period of lockdown. Our Club is like a second home for many people in our community and it was great for our staff and patrons to engage with each other again. Clearly from a financial perspective, not being able to maximise our patron capacity impacted on our ability to maximise our profitability, which is expected to be a risk for the foreseeable future during the pandemic.

Members & Sponsors:

Whilst it has been a trying time for our community, I just wanted to recognise and thank all of our loyal members and sponsors who maintained their financial contribution to the Club. At a time when many people had been stood down from their employment and many businesses had revenue streams severely reduced, we were extremely grateful for those who continued their membership and sponsorship during these hard times.

In closing, the health and economic risks of the Covid-19 pandemic is expected to be prevalent for the foreseeable future. Whilst the Club maintains a reasonably healthy cash position, we must continue to be diligent in our financial management of the business and maintain sufficient cash reserves to counteract:

- projected decreased venue and match day patronage,
- potential future venue shutdowns,
- potential reduced SANFL distribution,
- managing the ever-increasing costs of Covid compliance
- the economic vulnerability that may impact the financial contribution of our sponsors and members.

I thank all of our management team, our Board and loyal members and sponsors for your unwavering commitment and hard work. As your CEO, I feel extremely honoured to serve the Club and remain committed to building a legacy that will sustain our next 100 years.

FOOTBALL REPORT

BY PAUL SANDERCOCK

Season 2020 was like no other. As we experienced, the COVID-19 pandemic had an enormous impact on not only the SANFL but on society in general. After successfully navigating another pre-season and playing the Eagles in a trial match, the season came to a halt. Along with the interruption to the season came the realisation that SANFL clubs faced financial uncertainty. This had an immediate impact on staff, player and coaches salaries. We lost a couple of assistant coaches and some support staff, while the players were asked to play for \$1 per game. In summary, the plans put in place to defend our Premiership were thrown into disarray. There was a great deal of apprehension about whether we would play any football in the early months of the lockdown, however we were given the green light to resume training (albeit under tight guidelines and protocols) in late May. The players had maintained good fitness levels during lockdown and were eager to get stuck into training. Adam Hartlett remained in the role of Assistant Coach post lockdown, and he and Senior Coach Mark Stone adapted well to the restrictions imposed.

Adam Hartlett decided to end his role as Senior Assistant Coach/Reserves Coach at the end of the season. Adam has returned to West Adelaide where he played with great distinction. We are disappointed to lose Adam. He showed great work ethic and built strong relationships with the staff and playing group.

The additions of Matthew Allen (returning to the Club from West Coast) and Billy Stretch (returning to Glenelg after several years at Melbourne) bolstered the midfield. Matt Merrett also returned after spending several seasons at the Adelaide Football Club, as well as Jackson Edwards who returned from Victoria. It is always pleasing to have past players return to the Club. Luke Parks (recruited from Sydney Swans Academy) had an immediate impact on-field and quickly established himself as a league footballer.

Matthew Snook had an outstanding year. He was runner-up in the Magarey Medal and won the R.O. Shearman Medal (Coaches votes). Liam McBean shared the Ken Farmer Medal (SANFL Leading Goalkicker) with James Rowe (Eagles).

Two players achieved the 100-game milestone for the Club this year. Max Proud and Carl Nicholson were rewarded for their commitment over many years. Andrew Bradley played his 150th SANFL match, which is a significant milestone today.

The Club has again had several players leave the Club in search of more opportunities or due to work commitments.

The Club thanks the following players for their time and effort at the Glenelg Football Club: Carl Nicholson (moving to Queensland), Seb Kerrish (Eagles), Dylan Morton (Centrals), Kaine Baldwin (Gold Coast Academy), Todd Slade (Country), Finn

Betterman (Country), Brad Thompson (Country), Riley Carter, Ricky O'Loughlin-Johncock, Josh Holyoak, Tyler McPherson (year off), Tommy Russo, Matt Merrett (Adelaide), Cory Gregson (Morphettville Park).

Congratulations to the three Lukes on their selection in the 2020 AFL National Draft. Luke Pedlar (Adelaide), Luke Edwards (West Coast) and Luke Parks (Carlton-rookie). We wish them all the best as they enter a new and exciting chapter of their football career.

I would also like to take this opportunity to congratulate Luke Powell (CEO) and Jade Sheedy (Coach) and the entire Woodville West Torrens Football Club on winning the 2020 premiership.

The GFCW Team experienced the ultimate frustration having their season postponed after round 4. Jason Fairall (Coach) and the Club had high expectations of the group after finishing the 2019 season in such strong fashion. Early indications suggested they would be competitive again, however upon their return after the enforced break they fell away and struggled to find any consistency, which saw them finish the year poorly. The loss of Lucy Bellinger (Brisbane Lions) and Ellen Fauser (family) from the previous year proved difficult to replace.

Jason was supported by Assistant Coaches Braedon Talbot, Tammy Scott, Richard Gray and Ang Moritz, all of whom dedicated themselves to helping the girls improve.

The emergence of Madi Freeman, Grace Duffy, Lucy Armitage, Brooke Tonon and Tessa Kohn indicates that we have the talent pool. Sam Franson showed further improvement and had a strong year. Caitlin Gould was a presence in the few games she played when not playing for the Crows.

Cass Hartley retired from SANFL football. Cass had an immediate impact on the GFC Women's program and epitomised the qualities of a strong leader. She will leave a void in the program that will be difficult to fill. Another original member of our Women's program, Charlotte Dawe, also stepped down in December. Charlotte had battled injuries over the past 12 months and felt it was time to take some time away. Glenelg Football Club thanks Cass and Charlotte for their commitment and passion for the Club, and we look forward to having them involved in the women's program in the years to come.

Darren Trevena oversaw an Under-18 team full of talent in 2020. They started the year well and, as is the challenge most years, found the loss of players to College football difficult to overcome. After winning their first four games of the year, they could only muster one win for the remainder of the season.

This struggle highlights the depth required to maintain a competitive team. Darren was able to give game experience to a number of South-East players throughout the year. We appreciate the time and effort they undertake to play for the Glenelg Football Club. Darren received great support in the coaches box from his assistant coaches Jared Millington, Tom Rechner, Scott Uppington, Brad Perks and Grant Wyman.

Season 2021 is upon us. We have a new Senior Coach, Brett Hand. Port Adelaide and Adelaide return to the SANFL, and at the time of writing the country is doing a fantastic job in curtail-ing the virus. This leads to a fresh outlook and renewed enthusiasm after a difficult 2020 season.

Recruiting has proven to be challenging once again. Salary Cap restrictions and border closures have restricted player movement. We are excited to see the return of Lachie Hosie, Toby Pink and Aaron Joseph. Sam Durdin has joined us from North Melbourne along with Nick Minchin (Vermont), Will Chandler (Corowa Rutherglen), Dylan Landt (St.Mary's) and Brett Turner (West Adelaide). Our next tier of senior footballers comes from Reid Kuller, Brady Searle, Callum Park, Angus Weir, Jordan Moore, Riley Holder and Xavier Robins to name a few. The development of these young players is crucial to the Club's success in the future.

COVID CONSTRUCTIONS!

After an enormously successful season last year we were primed for a huge year at the Bay in 2020.

Then, as we all know, COVID took its toll and threatened to wipe out the season completely. Fortunately, this did not eventuate, but it saw a reduced home game schedule and restricted crowds were put in place.

Drinks Van:

Despite the restrictions of 2020, the Past Players and Officials were still able to make a profit from the drink's van of more than \$11,000 (this includes \$980 from recycling cans and bottles, which goes specifically to the Tiger Academy). Thanks to Geoff, Rex and Colin for their recycling efforts.

The Cash Lottery Day:

Despite not having a fixture and therefore a date for the Cash Lottery Day, the committee decided to ask people to support the lottery anyway.

Incredibly about 90 people had paid for their ticket before we had a date!!

Due to COVID compliance and inclement weather, we hired a marquee and chairs for the event and took over the southern hill for the final home game on September 19th. It was a wonderful day – with a gutsy one point win over Centrals.

We ended up selling 172 tickets and making over \$10,000 from the day.

A huge thanks to everyone who supports this major event for the PPO. In 2021 we aim to sell 200 tickets (with additional prize money).

Congratulations to Kym Eagleson, who drove all the way from Mt Gambier for the day and won the \$2000 first prize (and to all the other prize winners).

Special acknowledgement goes to our loyal sponsors – Reilly's Wines (Justin Ardill), Lion Co., The Palmer Group (Tony Symonds), Cove Print (Alan White) and Vilis.

PPO AWARDS:

The Past Players and Official awards for each home game and an end of year Home Game Award were presented for the second year. The season award was, again, won by Matt Snook. Congratulations on your consistency Matt! Matt was presented with his award at the Best and Fairest Evening at the Marion Hotel. At the same event I presented Justin Scripps with a cheque for \$21,750 from our activities for the year.

In a progressive move for technically challenged geriatrics, with Damien Gigney and Georgia's help, we now have both a PPO section on the GFC website and a PPO Facebook page. Check us out!

Enormous thanks to Kristin, Vanessa, Georgia, Justin, Jake and other staff for the efforts and support of the PPO.

Finally, many thanks to the committee - Tony Symonds, Geoff Tanner, Colin Scripps, Allan Bartlett, Rex Voigt, Laurie Rosewarne, Torrie Osborn, Simon Angove, Damien Gigney, Nick Chigwidden and Peter Carey. Your time, commitment, enthusiasm and varied expertise continue to be outstanding. Well done!

If any past League, Reserves or Junior players, officials or volunteers are not receiving our communications, please contact the Club or any committee member and we will add you to our growing database.

Keith Kuhlmann
Chairman

5 YEAR SERVICE AWARDS

The Club congratulates and thanks the following individuals for their outstanding service over the past five years: Laura Holmes (physio/trainer), Simon Kreig (match day support staff), Richard Cocking (juniors trainer), Nigel Roberts (junior coach), and Tim Kelly (mascot / property steward)

A.J WADHAM VOLUNTEER OF THE YEAR AWARD

TINA DONOVAN

Tina has dedicated years of outstanding service and support to the Glenelg Football Club, currently taking on the role as Women's Team Manager. You can always rely on Tina to organise the team and ensure everything is running smoothly at training and on game days. She is also always happy to lend a helping hand around the Club, including on the merchandise stall.

HOW TO QUALIFY FOR LIFE MEMBERSHIP?

The Club has a criteria for the Board to follow when recommending Club Life Membership. This is done in order to protect the integrity of the achievement. The Board may confer Life Membership on any member who has in a special degree promoted the objects and interests of the Club according to the Constitution. Unless exceptional circumstances exist, a person may only be nominated for Life Membership after a total of 10 years' service to the Club. Five and Ten Year Service awards are presented upon achievement. Merit Awards may be made to a member who in the previous year has performed in an outstanding way in any area of Club operations.
