PRESIDENT'S REPORT

BY PETER CAREY

2022 was another exciting year. All our five teams again made finals, with the U18's winning the premiership. Whilst it was disappointing not to do better than fourth in the men's league finals, we were sitting equal top before we lost Brett Turner and Sam Durdin. This certainly had an impact on our ability to perform in the finals. On the positive side we had eight players aged 20 and under represent our club, which augurs well for the future of our side. Our women's team were again competitive finishing 4th as well.

I would like to thank Brett Hand for all his efforts in his two years at the club as head coach and wish him all the best in anything he chooses to do in the future. We welcome Darren Reeves as our new head coach and wish him every success with the playing group.

I would also like to thank Jason Fairall for his efforts as the senior coach of the women's team and wish him all the best in any future endeavours as well. We welcome Lexie Edwards as the new coach of the women's team and wish her all the very best.

To all the trophy winners this year, congratulations! Max Proud won his second Best & Fairest from one of the toughest positions on the ground in an outstanding effort in the men's league team. Kyle Crompton won our Reserves Best & Fairest and also the Reserves Magarey Medal. A great effort by Kyle. Congratulations to our U18 Best & Fairest Hayden Brokensha and to our U16 Best & Fairest Charlie McAuliffe.

Congratulations to Jessica Bates for winning back to back Club Champions and also winning the SANFLW Best & Fairest award. Jessica has been an outstanding contributor in her three years at the club and now is going to try her luck with Collingwood VFLW to give her the best chance of becoming an AFLW player. We certainly wish the very best of luck in achieving her dreams. Also congratulations to Development League best player Shay'Lee Dayman. Congratulations to Sarah Goodwin and Ella Boag on being drafted to Port Adelaide.

In the men's seniors we have been able to improve our list from last season. Having secured ruckman Cameron McGree, exciting Sydney Swans player James Bell, Connor McLeod, Scott Beilby and Mackinley Miller, we feel we have more depth and balance than 2022. It will also be exciting to have Brett Turner back in the Tigers guernsey, for I'm sure he will have a great season and be an integral part of our midfield group. Richard Douglas has started full time work at the Club as our GFCW Football Operations & Talent Manager as well playing a key role in our men's program. Richard is already having a positive impact at the Club with his footy knowledge and expertise.

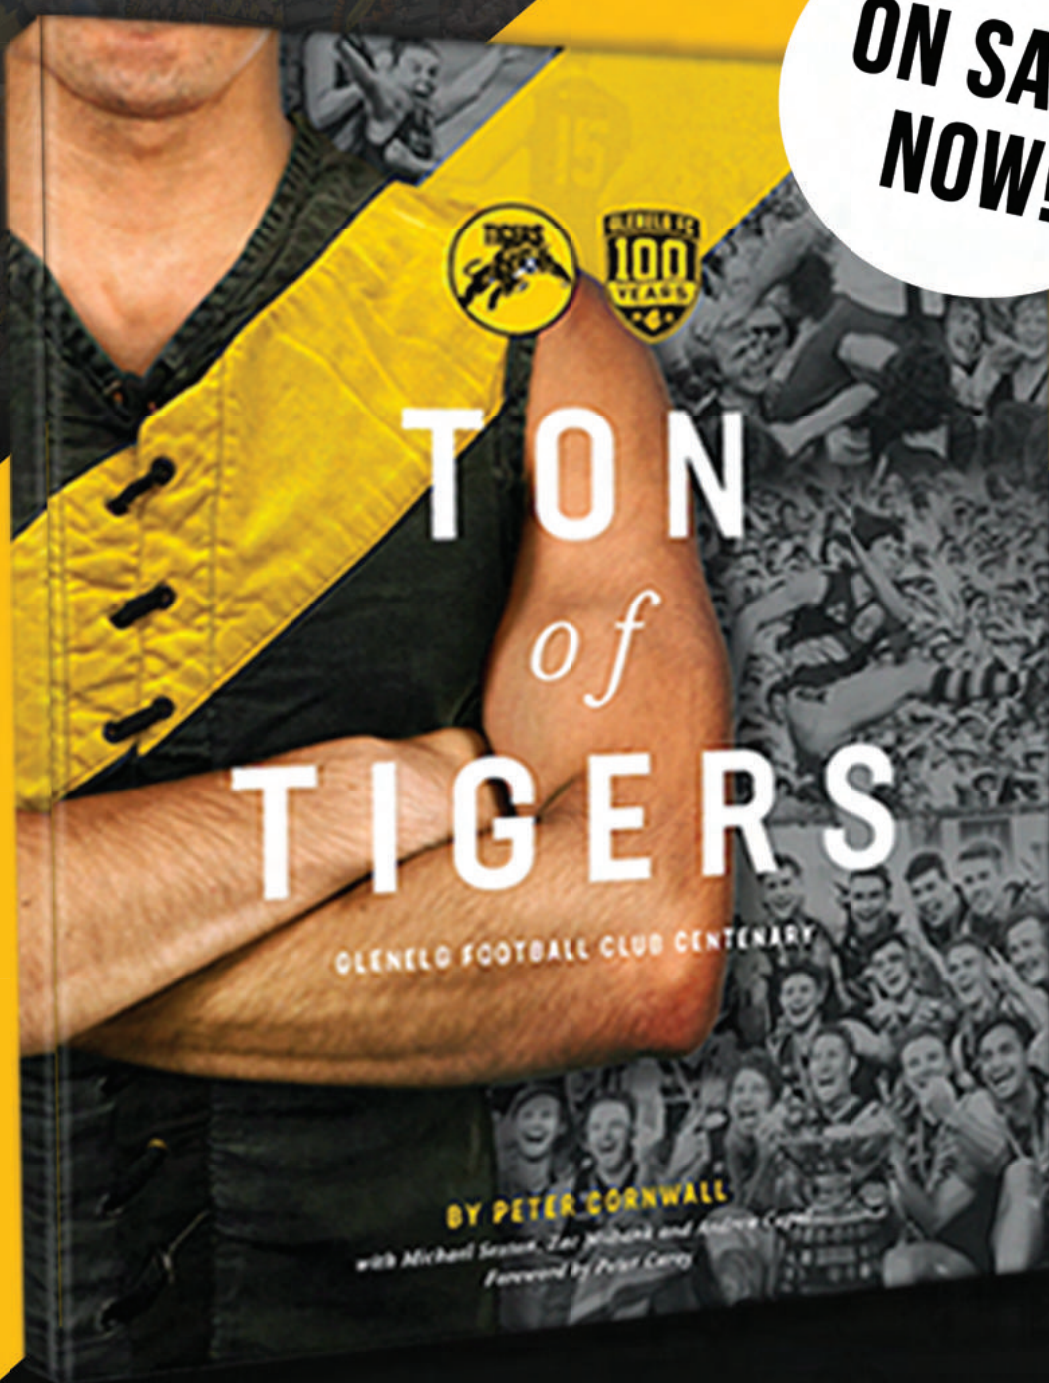

Despite having challenges off the field, with covid still making things difficult, our crowds were still some of the best in the SANFL and our membership and sponsorship were still very strong. We also did a major renovation in our gaming room which took longer than anticipated and impacted our results negatively. The investment appears to be paying off with some strong results in the last few months.

I would again like to thank our CEO Justin Scripps and the rest of the team who have all done a great job in 2022.

GLENELG FOOTBALL CLUB CENTENARY

CEO REPORT

BY JUSTIN SCRIPPS

2022 panned out to be one of the most open contests for the SANFL League Premiership in recent history. Whilst North Adelaide finished on top at the end of the home and away season, there was only one game separating first and fourth position. On one hand for us, this year will go down in our history books as a year of missed opportunity. On the other, not only did we solidify ourselves as a regular finals contender with our fourth finals appearance in a row, we went a long way to continuing to build a reputation as a respected football club in this competition.

I've said before that only one team can win the premiership each year, but that doesn't mean that nine other Clubs have failed. Whilst we didn't quite get the dream result we wanted this year, there's a lot to be proud of regarding our performances and the journey we're on to build our culture:

- Our on-field results across the Club are an outcome of our people, our program and our culture:
 - * Our Women's team made the Preliminary Final after winning the flag in 2021,
 - * We had a lot of challenges with our U18 & U16 programs with player unavailability during the College football season, but both grades made the Grand Final and it was a real credit to the U18's who won the premiership as the underdog.
 - * We had a really young Reserves team this year but it was great that they were able to experience playing in a final.
 - * We finished in the Top 3 of the Stanley H Lewis Trophy for the best performed Club in the SANFL across all grades, after winning this two out of the last three years.
- It's always interesting to compare the age and games profiles of premiership teams each year, and this year Norwood had two players aged 20 and under in their premiership team. Encouragingly, we had seven players in this age bracket play against them in our semi-final, which is an exciting outcome and provides a lot of comfort that our list management strategies will support our goal of reaching the top 3 on the ladder each year.
- Off-field, we've continued to build some really good momentum this year:
 - * Sponsorship and membership remains strong,
 - * We maintained some of the highest match day attendances in the competition,
 - * We have a passionate group of 92 committed Captain's Club members that provide significant financial support to the Club,
 - * Our merchandise sales remain strong with new product lines and designs being released regularly,

- * We've continued to invest in the leadership education of our players and have now had a total of 36 male and female players complete our Personal Leadership Program facilitated by Youth Opportunities.
- * And most importantly, culturally we have a core group of players, coaches and staff who live by our values and act and behave with integrity, respect and genuine care for everyone at the Club.

These outcomes don't just happen and I am incredibly proud of our key leaders for implementing the strategies set by our Board and for living the very values that reflect a high performing organisation.

It would be remiss of me not to recognise some people for their contributions to the Club:

- The last 12 months have been quite relentless for everyone at the Club, particularly continuing to navigate ourselves through the Covid pandemic, so I just want to take the opportunity to thank our footy department and venue teams for their efforts.
- The Club also said farewell to Andrew Bradley who has had a distinguished 201 game career at the Club. To play 200 games of SANFL League football clearly defines a player who has talent and has sustained high performance over many years. But what 200 games doesn't accurately reflect of Andrew Bradley is his incredible character which, most importantly, defines him as a person and a great Clubman. Courage, commitment, resilience, humble, determined, loyal, respectful and always playing with a team and club-first mentality. This is what defines Andrew Bradley and the Club wishes him well in his post football life.
- Sadly, I would like to formally acknowledge the passing of two Greats of Glenelg this year in John Robinson & Neil Kerley. Both men made huge contributions to football and have left a significant legacy at our Club.

Finance:

From a financial and operational perspective, 2022 continued to be plagued by heavy Covid pandemic related restrictions in South Australia, particularly in the January to March period. These months saw a significant downturn in revenue which needed careful management and due diligence given our budget forecasts were compromised.

This being said, to the Club's credit, the following key outcomes were achieved:

- The Club posted a \$479,701 consolidated profit which was a great result given the business interruptions faced from Covid.
- This was predominately due to:
 - * Continued strong growth in sponsorship and membership revenue
 - * A revaluation of gaming machine entitlements value
 - * Stringent budget and financial performance management
- The Club was also able to continue reducing its core debt position by \$346,381 in the 2022 financial year.

The key variations in our financial performance are highlighted by:

- Higher than expected electricity and gas costs of \$57,550.
- Reduced spend to budget in Senior and Junior football resulting from cost savings while still delivering high quality program.
- A reduction of revenue in our bar, kitchen and gaming portfolios of \$285,000, alongside a reduction in COGS and gaming tax of \$207,227. While budget was not met in these areas, the variance was low and a reasonable result given the reintroduction of some restrictions for a period and the difficulties faced competing with the opening up of domestic and international travel post COVID.
- Net wage Incentives received of \$103,211, derived from federal government support to upskill eligible staff with formal leadership qualifications.

2022 was full of expectation coming off the financial results of our 2021 Centenary year. The unknown factor was the impact post COVID of the community's discretionary spend as more opportunities for travel opened up. While we did feel some impact from this shift, there was a strong view to reduce costs through efficient rostering, spending and government wage training incentives, as well as growing membership numbers and net returns from fundraising, sponsorship, functions and several smaller income streams.

The Club remains in a strong cash position and is looking to 2023 with excitement and enthusiasm.

The Glenelg Club:

As mentioned above, The Glenelg Club, like all hospitality venues, continued to suffer from the heavy restrictions placed on licensed operators in order to support the government's efforts to minimise the spread of Covid-19. Social distancing regulations continued to make trading profitable, particularly early in 2022.

Heading into 2023, it appears that the world is moving on in living with Covid and, as such, the economy and our business has far greater security in both budget forecasting and revenue continuity.

In closing, I thank all of our management team, our Board and loyal members and sponsors for your unwavering commitment and hard work.

EXECUTIVE FINANCIAL SUMMARY

Glenelg Football Club Inc & Glenelg Footballers' Club Inc
Financial Summary for the 31 October 2022 Financial Statements:

Like the past few Covid years, 2022 produced its own set of circumstances which the Club needed to navigate. A short return to COVID restrictions, the opening up of international travel and the rising cost of living saw the discretionary spend decrease in many areas of revenue. The Club was able to combat the decrease in revenue with cost savings to produce its 4th year in a row positive Adjusted Net Profit result. During the 2022 financial year the Club invested in the gaming room to modernise the look and style which has been welcomed by the patrons and recognized by Clubs SA as the Best Gaming Venue for 2022. Focus continues to be to reduce our debt levels which the Club was able to reduce by a further \$346,381 for the 2022 financial year.

The consolidated Statutory Net Profit for the year ended 31 October 2022 for the Glenelg Football Club Trust (Venue) and the Glenelg Football Club (Football) was \$479,701 compared to \$736,895 for the previous financial year.

An acknowledgement to the Staff, Players and Volunteers of both the Venue and Football departments for their tireless effort to produce good results and great service, as this is what creates the fabric and culture of this great Club. Hard work both on and off the Oval have continued to create repeat patronage, long term sponsors and a growing membership base. We are looking forward to building upon another strong foundation going into Season 2023.

FOOTBALL REPORT

Season 2022 saw all five teams play off in finals for the second consecutive year. It is no coincidence that we have put ourselves in a position to achieve success across the board. It is about providing all players with an opportunity to become better footballers. Quality coaching and education is imperative, as is having a playing group willing to commit and strive for success. The sheer volume of work our coaches, team managers, support staff and volunteers do is a significant reason behind our presence in finals in recent times.

After competing in the 2021 Grand Final, this season was about going one better. This is a difficult task. So many things need to fall in to place and a certain amount of luck is required. Unfortunately, we were not able to replicate playing in a Grand Final this year after a disappointing result in the 1st Semi Final. The focus now is on "how do we get better?".

SENIOR MEN

The return of Jordan Murdoch (Gold Coast/Geelong/Glenelg) provided the club with a great deal of experience both on and off field. Corey Lyons and Cole Gerloff added depth and poise to the midfield, and the emergence of some of our junior players in Rayson, Holder, Searle, Horsnell, Stagg, Moore, Parish & Beecken suggests there is room for optimism. The addition of Sam Baulderstone to our Senior Coaching panel was a huge boost for our rucks and midfield. Sam's performances in the SANFL over several years saw him become the premier ruckman of the competition. We look forward to him gaining further traction with the midfielders in season 2023. He joined Brett Exelby (forward coach) and David Higgins (backline coach).

One of the challenges we faced during the year was not being able to restrict the scoring of the opposition despite an enormous effort from our back six. Proud (Best & Fairest winner), Pink, Bailey, Martini, Bradley, Durdin, Stretch and Moore combined well to reduce the impact of the opposition. Darcy Bailey had a "break out" year, returning to the backline after many years as a small forward. Bails provided us with elite ball use and footy smarts in defence. Martini also cemented himself as one of the best small defenders in the competition. The loss of Sam Durdin and Brett Turner to the AFL via the mid-season draft forced some reshuffling to the line-up. Searle spent more time in the midfield and showed he is going to be a very good player in the coming years. Parish, Moore, Beecken and Rayson rolled through the vacant backline position. Snook played another significant role in the midfield. Allen, Stretch and Horsnell gave us plenty of drive from the wings, and McBean and Hosie were solid contributors forward of centre. McBean also showed his versatility by rucking for much of the last 4-5 games of the season.

Our reserves performed admirably during the year. Joel Tucker (coach) and his assistants Brett Todd and Damien Raidis used 50+ players throughout the season. An elimination final loss to the Eagles ended our finals campaign. Consistency is always a struggle when there are so many changes in personnel from week to week, however, there were pleasing signs from several of our young players. Tunkin, Rayson, Beecken, Window and Kitschke performed well. Kyle Crompton had an exceptional year, making his league debut and winning both the Reserves Magarey Medal and the GFC Reserves Best & Fairest.

Joel Tucker has made the decision to leave his position as Reserves Coach. Joel has been a wonderful member of the Senior Coaching Team in his two years in charge. He has displayed a great understanding of how to communicate and treat young footballers and has gained the respect of all involved in the GFC Football department.

Twelve players made their league debut for Glenelg in season 2022. Cole Gerloff, Riley Holder, Corey Lyons, Nick Leck, Nick Minchin, Hugh Stagg, Jordan Moore, Kyle Crompton, Jarrad Parish, Angus Cole, Lewis Rayson and Cooper Beecken. In what is a positive for the GFC development programs, six of the debutants came through our U/16's and U/18's teams.

The Club has again experienced the loss of several players post season. The club would like to thank the following players for their commitment and passion for the Glenelg Football Club: premiership players Andrew Bradley and Michael Virgin, Jack Hannath and Jordan Murdoch (retired), Beau McRae (SHOCs), Hagan Wright (Kingston), Nic Minchin (returned to Victoria), Kyle Crompton and Blake McDonnell. Bradley has been an outstanding player, winning dual Best & Fairests, captaining the club and playing 201 games. He provided great leadership and had a calming influence over the playing group. We wish Andrew, Jordana and their family all the very best for the next phase of their life, and we thank them for their commitment to the GFC over many years. We also farewell Michael Virgin who was a valuable contributor to our premiership in 2019. Michael provided great energy and was never short of a word or two.

Congratulations to Jakob Ryan on being selected in the National Draft by Collingwood. Jakob is an exciting player and I am sure he will play regular AFL footy as he adapts to living in Melbourne and training full-time. A strong marking defender, Jakob showed his talent in the State Under 18's program and managed a couple of Reserves games late in the season. He was also a member of the Under 18 Premiership team.

WOMEN

In another strong season, our Women's team stumbled at the final hurdle in their bid to make back-to-back Grand Finals, losing to a determined Double Blues outfit in the Preliminary Final. Jess Bates won her second Club Champion in as many years and also won the SANFLW Best & Fairest award to cap off an outstanding season. Sarah Goodwin, Piper Window and Matilda Scholz continued to improve and emerged as players to watch in the future. Thirteen players made their league debut in season 2022: Violet Patterson, Matilda Scholz, Poppy Scholz, Shay'Lee Dayman, Renee Wurfel, Ella Boag, Marie Martino, Madison Bennett, Demi McCarthy, Kayla McInerney, Alex Walker, Anabel Mould and Morgan Blackwell.

Congratulations to Sarah Goodwin and Ella Boag on being drafted to Port Adelaide in the 2022 AFLW Draft. It is an outstanding achievement for the two young footballers who both have bright futures ahead. Sarah and Ella were consistent contributors to the team and deserve their opportunity. Congratulations also to Jess Bates, who is heading over to Collingwood VFLW.

The efforts of Braedon Talbot, Lindsay Thomas, Ang Moritz and Emily Woods were outstanding during the year. Their commitment and strong player/coach relationships have seen significant improvement in the performances of many players. Their support of Jason (Senior Coach) was unwavering.

Senior Coach, Jason Fairall has ended his time at the club. Jason brought professionalism, commitment, an enormous work ethic and a real passion for our Women's program. It is no coincidence that he managed to achieve the ultimate success as a coach. He leaves as our inaugural Premiership winning coach and with a great deal of gratitude from the Glenelg Football Club.

JUNIORS

Congratulations also to Darren Trevena (U/16's) and Jared Millington (U/18's) for reaching the Grand Final with their respective teams. Darren was unable to get the Under 16 boys over the line against a spirited Eagles team, while Jarrad steered the Under 18's to a great GF victory over a more fancied North Adelaide opponent. It is a great achievement seeing our junior sides do well due to the juggling of players who have commitments at school, country, metro and state teams at various stages throughout the year. We understand the challenges facing these young footballers, and Darren and Jared work tirelessly to ensure we are represented by the best teams available each week.

A massive thank you to our country families. It requires countless hours and kilometres to support them in their pursuit of playing football at the highest level. Your commitment is appreciated by all at Glenelg FC. A special thanks also to Craig Goodenough and Rick Green for their efforts in providing our boys with the best medical care throughout the season.

2023

Season 2023 is upon us. Training is in full swing. There are many new faces amongst the playing group and the addition of new coaches. Brett Turner returns along with the addition of James Bell, Connor McLeod and Cameron McGree. There are several new faces to watch who have joined us from interstate and a number of our Under 18 premiership team are looking to make an impact at Senior level. We have added Richard Douglas and Clayton Lamb to our Senior Coaching panel along with new Senior Coach, Darren Reeves. We also welcome back inaugural GFCW Tiger player Lexia Edwards as the new Senior Women's Coach. Like all clubs in the SANFL, we are looking forward to Round 1.

PAST PLAYERS & OFFICIALS

BY KEITH KUHLMANN

SEASON SUMMARY AND HIGHLIGHTS

2022 SEASON

It has been another successful year for the Glenelg Football Club and the Past Players and Officials.

- The PPO kicked off the season with a “Bluey and Laurie’s Season Launch” lunch. Coach, Brett Hand, outlined the season’s plans and pre-season progress to those in attendance. All teams made the finals again. Special congratulations to the U18s on their premiership victory.
- Position Promo sponsored the PPO for the season. Thanks to Nic Yeomans.
- Guernseys were presented by Past Players to 12 debutants before their first League game.

REUNIONS

The ‘82 Reserves Premiership team, the 1992 U19 Premiership team and the 1975 U17s Premiership team connected during the season at a nominated home game on Umbrella Hill. It is great to see some familiar, well-loved but older faces. The PPO Facebook and webpages have featured many photos and moments – Thanks to Gordon Anderson, Georgia Musolino and Damien Gigney for their contributions.

DRINKS VAN

The drinks van was run again by the PPO on Umbrella Hill. Power to the Van, PPO chairs available for patrons, and increased signage (courtesy of Alan White from Cove Print) were all significant improvements.

Jeff Dickson, as new Club Manager, added a wealth of experience and support for our activities. Thanks Jeff with a J!

Profit from the season (including Crows AFLW and Adelaide Footy League finals day) was approximately \$43,000! Thanks to Geoff, in particular, for his organisation and supervision.

The increased number of yellow recycling bins, the Club replacing tap beer with cans on match days and improved awareness and commitment of consumers all contributed to an impressive recycling result. Can recycling raised \$4000 for the Tiger Academy (thanks Geoff, Rex and Colin).

Umbrella Hill has become known as a good place to have a beer, catch up with some Past Legends and support the Glenelg teams.

CASH LOTTERY DAY

The Cash Lottery Day remains the PPO major fundraising and special event for the year. The day was held on August 20th and the Bays “stole a win” in the dying moments against Centrals in the last home game.

This year after capping the number of tickets at 250, we sold out again. As well as the greater ticket sales, raffle takings and increased sponsorship helped raise \$20,000 from the day!

Thanks to our major sponsors Reillys Wines, the Palmer Group, Cove Print and PFD. There was also increased support of various other donations and raffle prizes. Thank you to all contributors.

AWARDS

After three years of proudly sponsoring a Home Game award, including a season winner, the PPO for the first time expanded its sponsorship to the PPO Trademark Award for every team for every game.

The end of year Trademark Awards were won by:

- Noah Grzyb (U16)
- Brandon Smith (U18)
- Beau McRae (Reserves)
- Sarah Goodwin (Women’s League)
- Toby Pink (Men’s League)

Congratulations to these worthy recipients.

The PPO presented CEO, Justin Scripps, with our financial contribution for 2022 of \$72,146 at the Best and Fairest evening at the Marion Hotel.

Huge thanks to Kristin, Justin, Georgia, Laura, Abby, Damien, Jeff and other staff for their support.

Finally, many thanks to the committee - Tony Symonds, Geoff Tanner, Colin Scripps, Allan Bartlett, Rex Voigt, Laurie Rosewarne, Torrie Osborn, Simon Angove, Damien Gigney, Nick Chigwidden, Peter Cornwall, Kristin Jeffery and Peter Carey. Your continued work and enthusiasm continue to positively build the culture of the Glenelg Football Club.

Please notify the club of any past League, Reserves or Junior players, officials or volunteers who are not receiving our communications.

HOW TO QUALIFY FOR LIFE MEMBERSHIP?

The Club has a criteria for the Board to follow when recommending Club Life Membership. This is done in order to protect the integrity of the achievement. The Board may confer Life Membership on any member who has, in a special degree, promoted the objects and interests of the Club according to the Constitution. Unless exceptional circumstances exist, a person may only be nominated for Life Membership after a total of 10 years' service to the Club. Five and Ten Year Service awards are presented upon achievement. Merit Awards may be made to a member who in the previous year has performed in an outstanding way in any area of Club operations.
