PRESIDENT'S REPORT

The 2024 Senior Men's Grand Final win was a truly special victory, a testament to the strong program that has been built. It reflects the club's exceptional leadership and the foundations that have been carefully put in place for sustained success.

Our Men's coach, Darren Reeves, continued to grow as a leader in 2024, guiding the Football Club through significant adversity. He has built an exceptional leadership team that serves as the foundation of the program. Together, Darren and his team have instilled a strong inner belief that makes the future incredibly exciting.

Lexia Edwards led our women's program to an outstanding season, finishing second on the premiership table and reaching the preliminary final. Over her three years, she has built a strong foundation for the program and has been a fantastic club contributor. We now welcome Talia Radan as our new women's coach—she has hit the ground running and is ready to build on Lexia's great work heading into 2025.

I would like to express my genuine appreciation to the Football Executive and Paul Sandercock for their unwavering guidance and support throughout the year.

Our Game Day atmosphere remains top-tier, driven by the incredible support of our members and fans. Once again, we hold the highest match day attendance in the SANFL—a testament to our passionate community. A big congratulations to Brenton Rooney and his team for elevating the match day experience to new heights. We will continue exploring ways to make it even better. The Past Players Committee remains a cornerstone of our club, with Keith Kuhlmann and his team leading the way in raising a record \$80,716.00. Their contributions play a vital role in strengthening our One Club culture.

A heartfelt thank you to the Golf Day committee for their dedicated support and fundraising efforts, raising over \$25,000 this year. The event was a tremendous success and a fantastic day for all involved.

We are truly grateful for the continued support of all our sponsors. As we move into the next three-year cycle, aligned with our Strategic Plan, we remain committed to strengthening and enhancing these partnerships. Kristin and her team have once again delivered an outstanding commercial program, driving success across our membership and sponsorship initiatives in 2024. The dedicated volunteers of the Glenelg Football Club are the backbone of our success, bringing passion and unwavering support to everything we do. The Board deeply values their contributions, which remain essential to our achievements both on and off the field—this year and into the future.

Thank you to all the club staff for your dedication and commitment, consistently going above and beyond to ensure we strive for success both on and off the field.

To our CEO, Justin Scripps, your outstanding work on the Strategic Plan has set the club on a strong path to sustainability.

Managing this major process alongside day-to-day operations is no small feat, and we commend Justin for his leadership in guiding us through it.

Rob Gillies has chosen not to renominate for the Board this year, bringing to a close an incredible 10-year tenure. A devoted member of over 30 years, Rob has been a passionate and tireless contributor, dedicating his expertise to the club's venue operations. Despite facing significant health challenges over the past three years, he has remained an inspiration through his resilience and dedication. It has been truly special to share the club's recent success with him. Thank you, Rob, for everything you have given to the Glenelg Football Club—you should be immensely proud of the legacy you have built and will continue to influence.

Lorraine Caruso has decided to step down from the Board to focus on her commitments to the university merger and her PhD project. Before officially joining the Board two years ago, she played a key role in the club's leadership program for several years. Her expertise has been invaluable in shaping the Strategic Planning process, working alongside Justin and the Executive Team to establish a clear and exciting path for the club's future. Lorraine, we sincerely appreciate your outstanding contributions, and we have no doubt your support will remain strong in the years ahead.

As previously mentioned, the development of the Strategic Plan has been a collaborative effort involving all club stakeholders, making it an incredibly valuable process. It has brought to light both the risks and opportunities facing the Football Club, offering a clear roadmap for moving forward. Like all organizations, we face ongoing challenges, but I'm confident that with the leadership and dedication of the Football Club's outstanding people, we will continue to turn these challenges into opportunities for growth.

Finally, I want to express my sincere gratitude to the Board for their continued leadership, steadfast commitment, dedication, and the time they have invested in the club—not only this year but over many years.

I'm looking forward to 2025 and confident in the Football Club's position to seize the exciting opportunities that lie ahead.

David Whelan
President

What a surreal end to a history making season for the Club.

In what some astute judges are saying, the four-point Grand Final victory against Norwood will go down as the best grand final contest since our 1973 victory against North Adelaide. This victory marked some significant milestones in our Club's history:

- The Club has now won three premierships in six years, signalling arguably our greatest ever era.
- For only the second time, the Club achieved back-to-back premierships along with the 1985-86 teams.
- The Club now has six more players who join Peter Carey as three-time premiership players.
- Twelve more players have played in dual premierships at the Club.
- In 2018, the Club had 61 premiership players, we now have 122 premiership players.

Aside from our back-to-back senior male premierships, there was a lot to recognise and celebrate for season 2024:

- Proudly, as a Club every team except our Under 16's played in either a preliminary final or grand final which is reflective of the high-performance environment and culture that we've been working hard to develop.
- It is particularly pleasing to see the development of our Women's program which is building some great momentum throughout the season with our development team making the grand final and League team making the preliminary final.
- The Club's talent pathway program continues to thrive producing AFL draftees that we are hugely proud of:
 - Angus Clarke (pick 39, Essendon)
 - Ben Camporeale (pick 43, Carlton)
 - Lucas Camporeale (pick 54, Carlton)
 - Poppy Scholz (pick 6, Carlton)
 - Violet Patterson (pick 42, Collingwood)
- Off-field, the Club continued the ongoing positive momentum we're building highlighted by:
 - The highest home match day attendances in the competition.
 - Hosting the South Australia versus Victoria State Game over Gather Round with over 4,500 people in attendance. Our team did a great job in mobilising a great match day experience for all those in attendance.
 - Sponsorship, membership and fundraising remain strong
 - Our merchandise sales were great during the year but also significantly boosted by our premiership success.
 - And most importantly, culturally we have a core group of players, coaches and staff who live by our values and act and behave with integrity, respect and genuine care for everyone at the Club.

These outcomes don't just happen, and I am incredibly proud of our key leaders for implementing the strategies set by our Board that reflect a high performing organisation.

It was mentioned after our 2023 premiership victory that you cannot deliver premiership success without great people creating a great environment, living our purpose and values and delivering high standards day-in, day-out. To achieve back-to-back premierships is purely a reflection of our people, our connection, our environment and our culture.

It would be remiss of me not to recognise our key internal stakeholders for their contributions to the Club. This last 12 months have been quite relentless for everyone, so I just want to take the opportunity to thank our Board, footy department and venue teams for their efforts.

Finance:

Pleasingly, the Club has been able to significantly reduce our debt and total liabilities. With the support of the City of Holdfast Bay Council, the Club resolved to reduce our \$1.029M debt by 50%. This position is a great result for the Club and will allow us to move forward with certainly noting that we still do have over \$700,000 in debt that we need to work hard at extinguishing over the coming years.

From an operational perspective, whilst the premiership success provided a welcomed revenue boost, the venue business performed significantly under our budgeted projections. Unfortunately, as with many hospitality businesses, we were not immune to the cost-of-living pressures hurting our core clientele and, as such, revenue was poor for many months throughout 2024. In light of this, the Club posted a \$259,449 consolidated profit result for the year, which was predominantly highlighted by the following variables:

- A consolidated operational cash result of -\$162,424.
- Lower than expected gaming, food and beverage revenue.
- Ongoing increases in labour costs, food and beverage cost of goods, electricity, insurance, repairs and maintenance costs as well as critical football department expenditure such as IT, medical expenses etc.
- The Club continued to reduce our debt and total liabilities by \$296,469.

From a cash perspective, the downturn in venue revenue has impacted our cash reserves and, as such, our team will be implementing a variety of important fund-raising initiatives to improve our financial stability.

At this time of writing, we have just completed our 2025 – 2028 Strategic Plan which predominately aims to achieve 4 critical outcomes:

1. Consolidate our recent on-field success by winning more premierships.
2. To grow a thriving and reputable Club culture and, in turn, make our community proud.
3. Diversify our commercial growth and revenue.
4. Invest in critical infrastructure to support the above outcome.

Whilst our venue has had a challenging year operationally, the Club is looking forward with excitement and enthusiasm to Hunt History in 2025.

In closing, I thank all of our management team, Board and loyal members, fans and sponsors for your unwavering commitment and hard work.

Justin Scripps
CEO

EXECUTIVE FINANCIAL SUMMARY

Glenelg Football Club Inc & Glenelg Footballers' Club Inc Financial Summary for the 31 October 2024 Financial Statements:

The consolidated Statutory Net Profit for the year ended 31 October 2024 for the Glenelg Football Club Trust (Venue) and the Glenelg Football Club (Football) was \$259,499 compared to \$347,748 for the previous financial year.

Whilst the Club's consolidated result has produced a statutory net profit, this amount includes income from debt forgiveness of \$514,962 and upward revaluation of the gaming entitlements of \$225,000. Operationally it was a challenging year, with the Club reporting a cash operating loss of \$162,424.

The consolidated net asset position improved by \$259,449 and overall liabilities reduced by \$296,469. The Club was able to achieve this result in part due to the City of Holdfast Bay Council graciously forgiving half of the debt owed to them. The remainder of the debt has been refinanced and the Club is committed to continuing to improve its net asset position in future years.

Recognition once again must be given to all staff in the venue and football operations for their tireless efforts throughout the year and doing all the hard work behind the scenes to help achieve the ultimate success for the club winning back-to-back premierships for the Men's League Team.

Looking forward, the Club has a few projects underway with the focus on continuing to diversify income and reduce costs. However this will only be achieved through the continued support of the community, members, sponsors and patrons. We would encourage you to purchase membership or merchandise, take up a sponsorship, visit the venue or hold a function to assist us in improving our financial position and having a great 2025 both on and off the field.

Please see the attached table which displays our adjusted Net Profit results.

FOOTBALL REPORT

The pursuit of consecutive premierships in the SANFL is a formidable challenge. It demands unwavering commitment from all involved and a little bit of luck. So many things need to align. Completing the minor round with 11 wins and 7 losses ensured there was no room for error during the final's series. The pressure to replicate success can often lead to complacency or players and coaches thinking too far ahead. The loss to Centrals late in the season was the catalyst for a reset and what a magical reset it was. It resulted in a fantastic and exhilarating Grand Final to end Season 2024 with Glenelg winning.

At the start of season Coach Darren Reeves introduced a theme based on Olympic 800m Champion David Wottle. Wottle's performance in the 1972 Olympics served as the perfect metaphor for our season. Known for his distinctive cap and his remarkable ability to surge from behind, Wottle's race strategy involved conserving energy in the early stages and unleashing a powerful finish. His come from behind victory (clinched by 0.03 seconds), reflected the inconsistency of our minor round only to finish the year with five wins in a row and a narrow victory over Norwood. It is amazing what self-belief can do when under pressure.

Coach Reeves has led the club to incredible results. Two premierships in two years are an outstanding effort and somewhat surreal when referring to a first time SANFL coach. His success is no fluke. His ability to build relationships, be resolute in how he wants the side to play and have faith in all players to perform their role each week is exceptional. Darren was well supported by his Assistant Coaches. Brett Exelby (forwards), Clayton Lamb (backs), Todd Miles (Ruck/mids) and Damien Raidis (match day overview) all played significant roles in the success of the League team but also in the development of our next crop of players coming through. All coaches deserve a great deal of credit for their commitment in making our program better.

Despite losing Toby Pink (North Melbourne), Brodie Newman (returned to Melbourne), Luke Partington (Overseas) and Brett Turner (Echunga) the club was able to recruit Gould, Adams (returning from AFL), Curran (PAOC) and Stevens (Vic) to the list. All played in the successful Premiership team.

That winning feeling – Max Proud, James Bell and Cam McGree celebrate going back-to-back.

James Bell and Matthew Allen shared the John H Ellers Best & Fairest award. James and Matt had terrific years. James approached 2024 with a renewed focus on becoming a better player for longer periods of a game. Matt approaches his football with an unrivalled work ethic and desire to contribute every week. A great result for their hard work and positive attitudes.

Tom Stevens (Head of High Performance) has once again overseen our S & C team. He is relentless in his pursuit to have the strongest and fittest side in the SANFL. We wish Tom all the best as he embarks on a new venture with Port Adelaide. Tom was well supported by Callum, Lachie, Jarrod and Gabi all of whom worked closely with GFC medical staff to ensure players were managed to have them fit and ready to go come finals time.

Our reserves performed admirably during the year making the finals again. Jarrad Millington took on the role as Coach and he was assisted by Tim Gogoll. Jarrad's relaxed and approachable manner was critical to the development of our younger players. Nine players made their league debut for the Tigers in 2024: Adams, Dunn, Stockman, Walker, Window, Scott, Stevens, Ridgway, Reid.

The Club has again experienced the loss of several players post season. The GFC would like to thank the following players for their commitment and passion for the Glenelg Football Club: Billy Stetch (Kybybolite), Matt Snook (retired), Chris Curran (Mundulla), Will Gould (Pro Punting), Sam Dunn (Barossa District), Noah Sims (Walkerville), Todd Reid (South Gambier), Austin Kitschke (Central District), Izayah Kean (Swan Districts), Lachie Hall (Essendon Doutta Stars), Declan Carmody (Mt. Lofty).

We welcome the following recruits who will be looking at making their mark on the League side in season 2025. Karl Finlay (North Adelaide), Jarryd Lyons (Brisbane), Patrick Parnell (Adelaide), Isaac Hyatt (Launceston), Liam Jones (Launceston), Matthew Coulthard (Richmond), Waylon Davey-Motlop (Palmerston), Ayden Hodgson (West Adelaide), Jack McAuley (Keith), Ryan Pickering (Central District), Lucas McInerney (Northern Knights).

Congratulations to Ben & Lucas Camporeale (Carlton) and Angus Clarke (Essendon) on being selected in the 2024 AFL draft. Another handful of Glenelg players to watch with pride. We wish them all the best.

Behind every successful football club lies a dedicated network of volunteers whose contributions are invaluable. Their unwavering commitment created an environment where players and coaches could focus on performance, knowing that the essential operations of the club were in capable hands.

Kate Williams provided valuable support to Lachlan Surman and Jack Armfield (Physio's). Kate works in the South -East 3 days per week but is always available on match days to take control of the medical room. Dr. Andy Ryan and Dr. Ben Magi for overseeing and follow up on all medical issues. Thank you also to: Rob Searles, David Schell, Belinda Schell, Simon Johnson, Callum Dorward, Andrew Modra, Macy Scripps, Jake Argent, Alistair Moriarty and Connor O'Neill for your hard work and commitment. Rob, David and Belinda are the backbone of the support staff. Nothing is ever too much to ask. Belinda has been recognised with a SANFL Merit Award for her 26 plus years of involvement with the club. An outstanding achievement.

The GFCW Team has again undergone some changes for season 2025. Lexi Edwards has stood down as Senior Coach due to becoming a parent for the first time. In her short time as Coach, Lexi created an inclusive environment and an exciting brand of football which had the team knocking on the door of a Grand Final. Lexi endeared herself to everyone at the GFC. She had the respect of the players and was determined to see them improve as footballers. Lexi established a strong relationship with newly appointed GFCW Football Manager, Rod Jameson. Together they spent time educating players and providing them with a professional environment. Thanks to Lexi for her passion for the club, her hard work and determination to see her players enjoy the game and become better people.

Eloise Mackereth and Sam Franson whoop it up as Glenelg heads for another win and a return to SANFLW finals action.

The GFCW team finished with 9 wins, 1 draw and 4 losses to find themselves with a double chance in the finals. The team struggled with injuries to key players in the latter part of the season which led to some inconsistent results. Jess Bates returned to the Bay after a year with Collingwood VFL side and again proved herself to be the best player in the SANFLW competition (slightly biased). Jess won the GFCW Best and Fairest Award highlighting her dominant year along with the SANFLW Coaches award. An outstanding season.

Lexi was well supported by, Troy Wilkey, Ang Moritz and Emily Woods. Troy, Emily and Ang have decided to move on to other things in 2025. We thank them for their devotion in seeing the GFCW improve and for the care and respect they have shown all players and staff during their time at the GFC. Tim Weatherald also departs as he seeks opportunity in the Men's program at South Adelaide. Tim provided great support and football knowledge to Lexi.

Brooke Trevena played a pivotal role with our development team leading them to the Grand Final. Brooke also works tirelessly with our junior girls' program. Brooke's passion for the development of girls in football is amazing. Brooke was able to draw on the knowledge of several assistant coaches in 2024. Heath Preston, Laura Sargent and Chelsea Hocking all joined the club as development coaches.

Kerryn Morriss and Tina Donovan are the backbone of the team. Tina appears in many areas of the club as a much loved and valued volunteer while Kerryn continues to provide great support to the girls as they deal with the challenges of balancing a life with work, study and football. Sam Franson (Captain) led the team in 2024. Sam was well supported by Alice Bradley, Ellen Tyminski, Violet Patterson, Alex Walker, Lauren Edwards and Renee Wurfel. Sam also had the privilege of Captaining the SA Women's team who defeated WA in Perth during the year.

Marie Martino and Jess Bates were also part of the successful State team.

A massive thank you to Zac Ryke (Head Trainer) for his care and commitment in ensuring the players are prepared for training and matches and to Dr. Andy Ryan, Dr. Ben Magi and Alice Fry (Physio) and Macy Scripps for their support of the players. Jamie Beccaris continued his valuable role as S & C Co-ordinator. Jamie worked diligently at improving the players to have them run out games stronger.

Eleven players made their GFCW debuts in season 2024. Dyer, Fielder, Hinge, K. Robran, Harding, Miller, Stewart, Pearce, Eldridge, Russell and Baker.

Congratulations to Poppy Scholz (Carlton) and Violet Patterson (Collingwood-Father/daughter selection) on being drafted into the AFLW at seasons end.

Congratulations to Dwaine Kretchmer (U/16's) and Ben Kane (U/18's) for their tireless efforts throughout the year. It is a challenging role coaching juniors at Glenelg due to the complex nature of dealing with several "coaches"-School, Club and SANFL.

Ben Camporeale won the McCallum Tomkins Medal as fairest and most brilliant in the SANFL under-18 competition.

I would like to once again acknowledge the role the South-East clubs play in our success. Much of our Senior men's list is filled with players who have a connection to the South-East. It is this pathway that is vital to our pursuit of success. Darren Trevena does a terrific job liaising with players and parents during the year. Thank you to our country families who support their children in their pursuit of playing football at the highest level by driving them to and from games during the season. Your commitment and sacrifice do not go unnoticed.

PAST PLAYERS & OFFICIALS

Season summary and highlights:

Did we strive for more in 24??

SURE DID -another successful year for the Glenelg Football Club and the Past Players and Officials.

Congratulations to the League team on their Back-to-Back Premierships. Well done to Darren Reeves, Paul Sandercock, and the football/coaching staff for their outstanding year. No need for expanding on the success – make sure you get a copy of the Golden Age – a magnificent record of 2024!

Well done to all teams for their competitiveness and development – all (except U16s) played in a preliminary or grand final. Rough Sleeper and Position Promo sponsored the PPO, again, for the season. Thanks to Nic Yeomans for his ongoing support. Guernseys were presented by Past Players to debutantes – Oscar Adams, Sam Dunn, Jake Walker, Will Stockman, Hunter Window, Ben Ridgway, Todd Reid, Darcy Scott and Nick Stevens before their first League game. Congratulations on this achievement in a Premiership year.

Lunches:

A season's launch lunch and a finals lunch were held at the club to garner support for the team leading into the season and consequently the finals. Phil Smyth and Darren Reeves made excellent speakers for the finals lunch. These were enjoyable catch ups at the Club.

Drinks Van

The drinks van was able to generate \$50 068.50 this year. More great organisational work by Geoff Tanner. Thanks also to the additional volunteers who assisted this year

Our yellow bin can recycling raised \$4531.90 for the Tiger Academy (thanks Geoff, Rex and Colin).

This year we also serviced the Club barrels on the Umbrella Hill terrace.

Umbrella Hill is, now, well known as a good place to have a beer, catch up with some old teammates, fellow supporters, and to cheer on the Glenelg teams.

"Back to the Bay" day saw approximately 80 past Players and Officials in attendance on "the Hill". Premiership teams celebrated included 2019 League, 2009 Reserves and U18s, 2014 and 2019 U16s.

Cash Lottery Day

The Cash Lottery Day remains the PPO major fundraising and special event for the year. This year's coincided with Matty Snooks 200th game, the 5-year re-union of the 2019 Premiership team and saw a much needed win over Norwood. Again, we managed to sell out the 250 tickets. Amazingly Darren Reeves won the first prize of \$2000 again. Back-to-Back seems to be his theme!

Great ticket sales, raffle takings and increased sponsorship helped raise \$ 18 504 from the day! Thanks to our major sponsors Position Promo/Rough Sleeper, Reilly's Wines, the Palmer Group, Cove Print and PFD. There was also support of various other donations and raffle prizes. Thank you to all contributors and to all the loyal cash lottery purchasers.

Awards

The PPO continued to support the Stripes weekly awards for every grade and the end of year overall winners.

Congratulations to the Stripes Season Award winners for 2024.

U16s -

U18s -

Reserves- Beau Symonds

New Award

The PPO implemented the "PPO Milestone Award" for League players who attain 100 games (Men) or 50 games (Women) for the Glenelg Football Club.

So, now, besides having their name added to the wall in the change rooms they are acknowledged publicly at game day presentation. The launch of this award on March 27th saw retrospective acknowledgement to the current players who had attained this achievement.

The recipients were -

Matthew Snook, Max Proud, Chris Curran, Darcy Bailey, Liam McBean, Luke Reynolds and Jonty Scharenberg.
Ellie Kellock, Madisyn Freeman, Lucy Armitage, Tamsyn Morriss, Chelsea Packer and Jess Bates.

The awards were presented by Laurie Rosewarne, John Macfarlane, Peter Carey, Nick Chigwidden, Matt Uebergang, Greg Wickens, Tony Symonds, Peter Marker, Bill Herron, Robbie Walter, Wayne Phillis, Ross Gibbs and Brett Backwell.

We strongly pursue and encourage the enhancing of this great club's culture – Milestones, Premierships, Individual success (AFL/ AFLW), and strong Community.

Special congratulations:

AFL Hall of Fame- Chris McDermott

SANFL Hall of Fame -Nick Chigwidden

State Leaders -Sam Franson captained the women's team, and Liam McBean and Max Proud were Vice Captains for the men.

10 Year service award -Kristin Jeffery

Player Life Membership -Darcy Bailey

Jack Oatey Medal and Leading Goalkicker (including finals) -Liam McBean

Finance

The PPO presented CEO, Justin Scripps, with our financial contribution for 2024 of \$80 716.00 at the Best and Fairest evening at the Marion Hotel.

Thanks

- Huge thanks to Kristin, Justin, Laura, Eve, Kristy, Brett, Summer and other staff for their support.

Rosewarne, Simon Angove, Damien Gigney, Nick Chigwidden, Peter Cornwall, Kristin Jeffery, Peter Carey, David Whelan, Craig Statham and Laura Hubert.

Their continued work and enthusiasm continue to add to the culture of the Glenelg Football Club.

**Keith Kuhlmann,

Past players' official Geoff Tanner presents Tigers CEO Justin Scripps with a cheque for \$80,716.

Celebrating the five-year anniversary of the 2019 flag were premiership player Matt Uebergang, coach Mark Stone and club great Peter Carey.

1973 premiership star Neville Caldwell congratulates Hunter Window on his league debut.

Former star Tigers rover Matthew Liptak presents his No. 27 guernsey to first-gamer Nick Stevens.

Club Awards

HOW TO QUALIFY FOR LIFE MEMBERSHIP?

The club has a criteria for the Board to follow when recommending Club Life Membership. This is done in order to protect the integrity of the achievement. The Board may confer Life Membership on any member who has, in a special degree, promoted the objects and interest of the Club according to the Constitution. Unless exceptional circumstances exist, a person may only be nominated for Life Membership after a total of 10 years' service to the Club. Five and Ten Year Service awards are presented upon achievement. Merit Awards may be made to a member who in the previous year has performed in an outstanding way in any area of Club operations.
